Virginia Elizabeth Straugh

February 28, 1919 – February 15, 2015

Virginia was born in Great Falls, Montana to William W. Flynn and Wanda Voegel Flynn, immigrants from Ireland and Germany. Virginia began school in Great Falls but moved to Saco with her mother and sister after the death of her father.

As a young teen, Virginia worked in a store in Saco where she learned how to be a cashier. Virginia worked summers and vacations as a cashier at a local theater to earn tuition to attend Northern Montana College after graduating from Saco High School in 1935. Virginia worked at Fort Peck as a theater cashier and then as secretary during the construction of the dam. It was here that she met and married William T. Straugh on July 1, 1939.

Virginia and Bill moved to Dillon, Montana in 1940 where he worked as a teacher and coach for Montana State Normal College. WWII resulted in Bill joining the Navy so Virginia, along with daughter Mary Katherine, followed Bill to his duty stations in Florida and California. At the end of the war Virginia and Bill returned to Dillon with their daughter and son, Thomas William. As Bill resumed his teaching and coaching career, Virginia organized the Student Wives Club and became the first sponsor.

Following the birth of their third child, Shelia Anne, Virginia volunteered her time with many organizations, including the Cub Scouts, Girl Scouts, Dillon Girl Scout Council, Montana Girl Scout Council, Shakespeare Club, PTA, Home Demonstration Council, Study Club, Bridge Club, Country Club, American Legion Auxiliary, and Saint Rose of Lima Church.

In 1969, Virginia took a "temporary" job working as the president's secretary, a position she retired from in 1982. She was a safe haven for faculty, staff, and students who were not sure how things worked.

After Virginia retired she became a volunteer tutor helping people earn GED certificates and helping ESL skill building. She continued to make a difference in many lives through her work in this arena.

Virginia and Bill Straugh were lifelong supporters of what is now known as the University of Montana Western. They established the Straugh Foundation, a scholarship program that continues to assist students.

Virginia was preceded in death by her parents, her sister Katherine Flynn Kamla, husband Bill, and grandson Bret Jones. She is survived by her children and their spouses; Mary Katherine and Bart Jones of Colorado Springs, Thomas and Danni Straugh of Dillon, Montana, and Sheila and Bobby Taylor of St George Utah. She also leaves behind 6 grandchildren and 7 great grandchildren.

Virginia touched the lives of numerous people. Many community organizations, generations of Western staff, students and faculty, and members of the St. Rose of Lima

parish are part of Virginia's extended family. Virginia enhanced the lives of many in Dillon. They in turn enriched her life as well.

Virginia asked that UMW food service workers who provided weekly meals and conversations which kept Virginia involved, interested, and active when Bill died in 2003 be recognized. Honorary pall bearers are the special athletes that have earned the Straugh Scholarships.

Virginia's cremains will be placed beside Bill in the family plot following a graveside service at 10:30AM on May 24th in the Dillon Mountain View Cemetery. A reception will follow at noon at The Legacy in the Community Room. She will be remembered in a mass at 12:10AM on May 25th celebrated by Father Pins in the St. Rose of Lima Church.

Ready, set... GROW! Dillon Farmers' Market Sunflower Contest

Gardeners of all ages are invited to enter a sunflower contest sponsored by the Dillon Farmers' Market. Growers register for the contest when they pick up their seeds at Wildwood Floral before May 22. On September 5, contestants bring their largest flower heads to be measured at the Farmers' Market, at 10 am. Prizes of 10 Bee Local Sticky Dollars, good for any purchase at the Dillon Farmers' Market, will be awarded in three categories: children to age 11, youth ages 12-17, and adults age 18+.

The Dillon Farmers' Market will open this summer on Saturday June 27, and continue every Saturday through September 26, from 9 am to 1 pm in the Wells Fargo Bank parking lot. Information about the Dillon Farmers' Market is available on line at www.dillonfarmersmarket.blogspot.com and on Facebook at Dillon-Farmers-Market. For more information, contact Catherine Cain at 406-498-6198 or Katie Bump at 406-683-6735.

Street & Ally committee meeting
 By: MJ

Members present, Councilman McIsaac and Hodges. Dialogue was mostly about the condition of streets and money available in the budget for street maintenance. Councilman McIsaac ask Director of Operations for an outline of the condition each street. He suggested with this plan the council would be better informed and would be able to improve on the street maintenance program in the long term. J.S Turner, Director of Operations informed the committee he did not such a document. It then was discussed that maybe an intern from the college might be able to help with creating a document that would reflect the streets condition along with sidewalks.

J.S. Turner reported that approximate cost to dig up and repave 300 feet is \$80,000. Last year the city chipped sealed 2,000± feet of streets that had a good base and hope to do the same this year.

Do to the fact that a large part of the street and ally budget goes to the Glendale Street bond payment there is few dollars left for maintenance. Does that help your broken down street? Mayor Klakken has been researching possible ways to help increase the budget for maintenance. *Mayor advised the committee about an excise tax on fuel that could be utilized if approved by the people. Maximum tax would be two (2) cents. County would receive 1/2 and Dillon with Lima would split the other 1/2. County commissioners would have to be put on the ballot for approval of the people.* Mayor Klakken is continuing to do research on what dollar figure this would bring into the city.

Other discussion: Streetlights that are burned out were discussed. J.S Turner explained that Northwest Energy works with the city to replace bulbs and repair posts. Garbage cans on main street, street signs are continually being replaced, and the grading of alleys that is usually done in the fall.

STEM Scholarship Program

Montana's STEM Scholarship Program is designed to provide an incentive for Montana high school students to prepare for, enter into, and complete degrees in postsecondary fields related to science, technology, engineering, mathematics and healthcare. The goal of this program is to increase the number of STEM degree recipients participating in Montana's workforce. Graduating High School Seniors may qualify for up to \$3000 in scholarships through this program. For more information, see the Montana STEM Scholarship Fact Sheet @ <https://sfs.mus.edu/files/STEM%20Fact%20Sheet%202015.pdf>

Registration for MUS-administered scholarships for the 2014-2015 academic year will open May 12, 2015 and run through July 15, 2015. Visit mus.edu for more information.

Beaverhead Search and Rescue News

Submitted by Mel Rice, Public Relations Officer

Beaverhead Search and Rescue held its annual appreciation dinner Saturday evening at the Lion's Den. There were 20+ members in attendance for the night's festivities. Dinner was served as members and their spouses exchanged stories and events that happened throughout the past year. Each year the unit selects a "Member of the Year" and a "Rookie of the Year" based on their participation on searches, attendance at meetings, and help with all other activities sponsored by the group. This year the selection committee felt there were two long time members worthy of the first award. The recipients of the "Member of the Year" award are Steve Scott and Brad Wagner. The "Rookie of the Year" goes to Dr. Mike Clarke.

Selected as one of the co-members of the year, Steve has served as the Commander of the unit for the past two years. One can only imagine how much time it takes to be in charge of such a demanding organization. He made sure all the unit's activities, searches/ rescues, fundraisers, etc., were completed. He has and is still serving on community committees related to the unit's monetary interests and communication objectives. His leadership skills over the past two years have been exceptional.

As the other co-member, Brad has been deeply involved in developing and improving the Beaverhead Search and Rescue's communications capabilities. His knowledge in this area is beyond

comprehension. He has provided for the unit a paging system that uses cell phones to notify members of searches/rescues, organization activities, general call outs, and any other notifications for the membership. He is at the present time working on grants that would provide monies to get new locations for dishes on towers. This would improve the ability of the unit to communicate in areas of this vast county that have had been considered dead zones. There are several of these in Beaverhead County.

Both men have gone above and beyond the call of duty for a number of years. They have shown the rest of the membership what it is to be an active and dedicated member of the Beaverhead Search and Rescue.

The "Rookie of the Year" was presented to the unit's Training Officer, Mike Clarke. Even though Mike is a new member to the organization, he has wasted no time getting involved. Often times it takes new members awhile to feel comfortable taking on leadership roles. Mike has demonstrated these qualities since day one of joining the unit. Being the Training Officer takes considerable time and organizational skills. With the annual training camp out coming up in June, you can bet Mike is busy preparing for 2½ days of activities. He also actively participates in searches/rescues during times when he is not on call as an emergency room physician.

Congratulations, Steve, Brad and Mike. Thank you for your leadership and involvement with Beaverhead Search and Rescue.

Great Harvest is Raising Dough!

100% of sales will benefit the Beaverhead County High School scholarship recipients.

We are featuring our Red, White, and Blueberry Bread along with Green Chili Cheese Bread, Mexican Chocolate, Cheddar Garlic Burger Buns, and all of your other favorites: Cinnamon Chip, Cookies, Scones, and more!

National Rural Health Association Names Barrett Hospital & HealthCare A Top 20 Critical Access Hospital in the U.S.

The National Rural Health Association (NRHA) recently named Barrett Hospital & HealthCare in Dillon, Montana a Top 20 Critical Access Hospital (CAH) in the United States, as determined by iVantage Health Analytics. The elite group of Top 20 CAHs was selected from iVantage's Top 100 CAH list, which was released earlier this month. The iVantage Hospital Strength INDEX™ is the industry's most comprehensive rating of US acute care hospitals, and the only one to include the country's 1,300 Critical Access Hospitals.

The determining factors for the Top 20 CAHs were based on 10 indices of strength, including quality, outcomes, patient perspectives, charge, cost, financial stability, market size and growth, competitive strength, competitive intensity, and population risk.

"We are extremely proud of the efforts of our physicians and staff members who have contributed to our hospital achieving this designation," said Ken Westman, CEO. "This award is the result of the hard work, compassion, and excellence practiced by our whole team each and every day."

The NRHA is a nonprofit organization working to improve the health and well-being of rural Americans and providing leadership on rural health issues through advocacy, communications, education and research.
