Camping Season Begins Memorial Day Weekend on the Beaverhead-Deerlodge NF

Memorial Day weekend marks the kickoff for outdoor summer recreation and camping season. The Beaverhead-Deerlodge covers over 3.3 million acres in seven counties of Southwest Montana and offers an abundance of recreational opportunities for people to enjoy. Even though Memorial Day Weekend arrives early this year, visitors will find campgrounds, trails, and cabins open and available.

In the Butte-Whitehall Area, Beaverdam, Lowland, Delmoe Lake, Whitehouse, Pigeon Creek, and Toll Mountain Campgrounds will be open. Water will be available at Beaverdam, Lowland, Delmoe Lake and Whitehouse. Camping costs at Delmoe Lake are \$8 per site plus \$3 for each extra vehicle per night. Camping costs at Beaverdam and Lowland are \$5 per site per night. Homestake and Elkhorn picnic areas will be open as well with water available at Homestake.

Thompson Park is open daily from 8 a.m. until 9 p.m. daily. There are three picnic areas and two trailheads that access 25 miles of non-motorized trails, including the Milwaukee Road. The park is co-managed with Butte-Silver Bow through October. Trail and disc golf brochures are available from the Butte Ranger District office. The Thompson Park disc golf course is the only legal course open to the public for use on the National Forest.

For updates on access to recreation sites and trails, contact the Forest Service office in Butte at (406) 494-2147 or visit 1820 Meadowlark Lane.

In the Big Hole area, campgrounds will be available for use with limited services. Travelers may reach the historic Canyon Creek charcoal kilns west of Melrose; however, Vipond Park is not fully accessible. Call the Wisdom Ranger District at (406) 689-3243, or the Wise River Ranger District at (406) 832-3178 for more information before heading out for your trip.

The Pioneer Mountain Scenic Byway, between Wise River and the Grasshopper Valley has been plowed and is open all the way through. Campgrounds along the Scenic Byway will be available for use with limited services.

Elsewhere along the Pioneer Mountain Scenic Byway, lower elevation campgrounds; Pettengill, Boulder, Lodgepole, and Willow will be open however be cautious of the hazard tree removal debris and log piles within these campgrounds.

Other Forest roads blocked by snow include the upper end of Thief Creek road, above the Birch Creek Center, and Upper Willow Creek. Travel may not be possible up-drainage to Gorge or Tendoy Lakes until mid-June.

All major access roads into the Lima Peaks, Tendoy, and Bloody Dick Range are open. Access to Reservoir Lake is open; however travel over the Big Hole Divide is closed. Lemhi Pass and the Sacajawea Memorial Camp are open. Browns Lake, out of Glen, along Interstate 90, on Rock Creek is open, but access further up the drainage is not possible or is limited. Currently, creek and river levels are low but will change significantly with the warmer temperatures predicted. Caution should be used when playing and hiking around main tributaries. Contact the Dillon Ranger District at (406) 683-3900.

Forest-wide, there are special rules for storing of food and refuse at your campsite to avoid bear encounters. All food and refuse,

The Beaverhead-Deerlodge NF offers 25 backcountry cabins for rent. You'll need to bring food and bedding, but most cabins come with firewood, beds, and utensils. To rent a cabin, call toll free, 1-877-444-6777 or go online to <http://www.recreation.gov/>.

Remember, too, that cross-country driving by motorcycles, all-terrain vehicles, pickups and other "motorized, wheeled vehicles" is prohibited in the National Forests of Montana. The Forest Service has a brochure explaining the travel rules as well as travel maps to help travelers know which routes they may travel. For more information contact your local Forest Service office or go online to www.fs.usda.gov/bdnf.

MAGNIFICENT DISPLAY OF FLAGS

Honoring the sacrifices of veterans and their commitment to our great Country is a truly magnificent feat. We know someone in our family who served, who currently serves, and some of us also know someone who paid the ultimate sacrifice in defense of our freedom. Wanda Longie was one who took the time to thank a veteran for their service. Wanda was surrounded

by veterans her entire life, and she truly enjoyed it. She's cared for loved ones who served in WWII, Korean War, Vietnam War, Operation Enduring Freedom, and Operation Iraqi Freedom. She was all too familiar with lengthy military deployments and witnessed many veterans returning home with severe combat stress. On several occasions, Wanda would urge those veterans engaged in conversation with her to "write it down," or "talk about it."

Wanda passed away on May 24th, 2014, and the family had extremely limited incomes, so they set up two Memorial accounts in Wanda's name. A "Go Fund Me" account on Facebook, and a Savings Account in Dillon, with hopes to help with medical bills and funeral arrangements. Not a month after these accounts were set up, the Longie family exceeded their goal, and would like to take a moment to recognize everyone who donated for their kind generosity. This is a true example of the "Battle Buddy" and "Wingman Concept" we're used to hearing about. That said the Longie Family paid off all of Wanda's medical expenses, and funeral arrangements, and was left with excess funds.

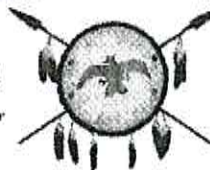

Nearing the first Anniversary of his dear Wanda's passing, Army Veteran, Gene Longie worked with brother in law and Air Force Veteran, Harvey Lake and the Southwest Montana Veteran's Memorial committee to purchase 4 American Flags, and 3 annual replacements of all Service flags through the Montana Flag and Pole Company in Helena MT, with the excess funds totaling \$1320.00. This magnificent display of flags was graciously donated in Wanda Longie's name for the next 3 years. The Longie family kindly asks that on this upcoming Memorial Weekend, please take the time to thank a veteran, and also take a moment to remember those who have commanded the home front so effortlessly, while those of us who have served, and are currently serving can continue the pursuit of freedom. We salute every one of you!

Sincerely,

MSgt (retired) Bonnie M. Longie, USAF

National Park Service & State of MT to hold public meetings to discuss new Bison Management Plan

The National Park Service (NPS) and the State of Montana (State) have set the dates for three public scoping meetings in southwest Montana related to the development of a new Yellowstone-area Bison Management Plan and Environmental Impact Statement (EIS). Meetings will be held in Bozeman on June 2 at the Hilton Garden Inn, Gardiner on June 3 at the Gardiner School, and West Yellowstone on June 4 at the Holiday Inn. Each meeting will run from 6 to 8 p.m. and have an identical agenda.

The meetings will begin with a brief presentation on the history of bison management and the need for a new bison management plan. Anyone, whether attending a public meeting or not, can find more information and comment online at the NPS PEPC website at <http://parkplanning.nps.gov/YELLBisonPlan>.

The 90-day public scoping period closes June 15, 2015. At that point, the NPS and State will analyze and consider all feedback received and begin the preparation of the Draft EIS.

This new bison management plan will replace the Interagency Bison Management Plan (implemented since 2001) taking into account available science and agency experience in managing bison.

A Record of Decision related to this new bison management plan is expected to be approved in mid-to-late 2017.
