GREAT NEWS FOR SUMMER
Free Lunch!!

Your Dillon Schools will be providing FREE lunches to all children under the age of 18 Monday through Friday all summer long. All a child has to do is show up.

Beginning Monday, June 1st we will be distributing no cost lunches from noon to 1:00 pm at the Y on Swenson Way. Lunches will be nutritious sack lunches complete with milk and available to all children.

If you want your children to participate and you haven't sent the notification sheet back to school with your child, please do so. You can also call 683-4311 ext 3 and sign up your children. That way we can make sure that every child that comes, gets fed.

This is a great opportunity for Dillon to make sure that none of our kids go hungry this summer so PLEASE let us know that you will be participating. Our goal is to make sure NONE OF OUR CHILDREN HAVE A HUNGRY SUMMER.

ANDERSEN CLEARS HURDLES AGAIN

In the Class A State track meet Holly Andersen won both 100 and 300 hurdle events for the second year coming up with more than half of Dillon's team points for the meet.

Dillon girls claimed 5th place, with Holly claiming 20 of those points. Other points came from Cierra Lamey took 5th in the 200, Taryn Mercer got 6th in the discus and the Dillon team placed third in the 400 relay and the 1600 relay team took fifth.

For the boys the Dillon team took 7th place with points from Troy Andersen in the 110 hurdles with a second place, and fourth in the 300 hurdles and Patrick Griffin brought in points for fourth place in the javelin and fifth in the discus, Sage Schoonen took third in the 1600 and Luke Harper added to the team with fifth in the triple jump.

Congratulations on a great track season to all the participants.

FUNNEL CLOUD

While visiting the Renaissance Care facility on Saturday, we were walking to the car and noticed a funnel cloud over the Blacktail, which was playing host to some ominous black clouds we had not seen since living in N. Central Texas. A perfect, black funnel ran perpendicular cloud-to-ground, where it remained for a 3-4 minutes before dissipating in the clouds.

In Oklahoma and Texas, the saying goes, "When the sky turns black and green, head for cover." In Beaverhead County, the saying goes, "It's Miller time!" Beer is always preferable to running for one's life.

GREAT SEASON FOR THE TENNIS TEAMS

Congratulations to Mark Waldrup for placing 5th at the State Tennis meets in Missoula last week. Great effort by all the Beavers traveling over there to finish the season.

Talk on Street

By: MJ

This document has caused people to take a step back and think about what will be required of them if they build in the city. It appears that the discussion on the street surrounding the document, centers on adversity, inconsistencies, difficulty in being able to comply... Maybe these type of discussions are a good thing. There is a saying; *"Adversity does for our soul what weight lifting does for our body." It makes us stronger. It empowers us to finish what we start. Bring your ideas to the table. Democracy is not a spectator sport.*

Challenges inspire people to use their creativity skills. ***Question:*** *Does this new zoning document present to the people a well-thought-out strategy that provides building blocks for a long term goal. Does it give leadership for the possibility of economic growth for the community or is it passing out bridles to control?* Often with economic growth there will come a population growth? Population growth for some is an adversity. Change of any kind is hard for humans. We would not live in the hi-tech world we live in today if people had not reached out with new inventions forcing a change. Good or Bad.

Humans often invite temptation inside when it knocks on their door because they haven't devised a strategy for dealing affectively with it. **Question:** Why is it that humans are quick to judge what others do however; they are blind to their own shortfalls and successes?

Get a copy of the document off the Dillon web site and read for yourself. Share your ideas by calling your representative on the council.

Dillon Middle School Monarch Garden

The Cougar Garden Club at the Dillon Middle School is proud to announce that it has established and certified a vital Monarch butterfly Waystation in its School garden space to aid migrating Monarch butterflies in their recovery from record low numbers. A beautiful sign has been dedicated in the Notheast corner of the Cougar Garden indicating the location of the Monarch Waystation. This garden Waystation will serve as a resting point or stopping point for Monarchs by providing milkweeds for the larvae, nectar plants for the adults and sufficient vegetation to provide shelter for the larvae, pupae and adults.

The Cougar Garden contains several species of Milkweed including Showy milkweed, Narrowleaf milkweed, and Rose Milkweed. The garden has also been planted with nectar sources such as Scarlet Sage, Blue Sage and Mexican Sunflower. This Monarch Waystation would not have been possible without the efforts of the student Cougar Garden Club members, the Staff of Dillon Middle School and the financial support of the Dillon Garden Club through their donation of funds to build the raised beds to house the butterfly garden. The Cougar Garden Club would particularly like to thank the following people for their efforts, Ms. Husted for helping run the meetings, Mr. Valach for crafting plant stakes, Mr. Zitzer for the classroom space, and Cougar Garden Club Members Tori Anderson, Kaylee Peterson, Taylor Wright, Beatrice Penn, Olivia Nourse, Andy Erichson, Erica Bugni, Jennifer Horner, Brice Alison, Teron Morrison, Kaleb Probst and Ari Decker and the Principal of Dillon Middle School, Mr. Shipman for being so helpful with the project and the Cougar Garden Club.

Thank You

The Beaverhead County Museum wants to thank Ann Egan and her class for the transformation of the two large planters in front of the Museum. The City pulled out the ragged junipers and Ann came in and prepared the beds. Ann's class planted on a very rainy Tuesday evening to complete the new look. Plants were donated by Roxie's Nursery, Catherine Cain at Southwest Montana Native Plants as well as by Ann and other people in town. Bill Allen donated top soil to make the project successful. The new plants are all native plants and perennials so should be attractive year round.
