Ruby Dale (Patacini) Fouts

Ruby Dale (Patacini) Fouts, 93, passed away at her daughter's home in Dillon, with her grandson, Tyler, by her side, on May 23rd.

Ruby was born February 26th, 1922, to Achille and Ester (Maggini) Patacini of Pleasant Valley (Whitehall). Her parents were originally from Biasca, Switzerland before their move to the United States in 1912 through Ellis Island. Ruby's many siblings were Elsa, Elso, Vernie, Elsie, Pete, Alex, and Henry.

Ruby grew up on the family dairy farm in Pleasant Valley. She was accustomed to hard work: milking cows, working in the potato and hay fields, and helping cook for the many hired men. Ruby attended school in Whitehall and excelled in track. She came from a family that loved to dance—any free time was spent going to the Green Mill in Waterloo to dance, and there she met the handsome young man, also from Waterloo, Don Fouts. Don and Ruby were married September 28th, 1940 and were blessed with two children, Joe and Donna. They were married for 69 wonderful years.

Ruby loved and enjoyed her family and friends. Other hobbies and interests were working in the yard, flowers, cooking for other people, the TV show "Friends," her dog, Jake, horseshoes, cards, fishing, bowling, and dancing (especially the Polka).

Ruby and Don lived in Waterloo, continuing their married life of hard work. They peddled their milk, cream, and cheese from Waterloo to Butte to make a living. They continued their family life of ranching in Waterloo until they sold the ranch and moved to Whitehall in 1970. The plan was to retire, but Don and Ruby were accustomed to farming and haying, which they continued to do for years until just months before Don's death in 2009.

Ruby is survived by her daughter, Donna Lee (Mike), granddaughters Randi (Travis), Paige (John), and Jenny (Steve), grandsons Tyler (Shantil), and Jayson (Koa), great -grand daughter and sons Tylee, Coy, Tanner, Kolby, and Jayson, brother Henry Patacini (Fayma), sisters Elsie Rex and Vernie Smith, daughter-in-law Gail Fouts, nieces Tina LaClaire and Gail Banks, and numerous other nieces, nephews, and greats, plus numerous friends.

Ruby was preceded in death by her parents Achille and Ester, brothers Elso, Alex, and Pete, sister Elsa, husband Don, son Joe, granddaughter Wendy, son-in-law Pete Waylett, niece Doty Fisher, and nephew Tim Patacini.

Ruby has been cremated; there will be no services at her request. The family asks that any charitable donations be sent to the Senior Citizens' Centers in Whitehall and/or Dillon in Ruby's name.

Rest in peace our sweet Ruby. You will be missed.

Letter to the Editor

Dear Students and Community,

It is with mixed emotions that I say good-bye after a twenty-five year journey of teaching choral music to hundreds of students. Not only has it been my employment, it has been my passion and identity. You have all had an impact on my life that will always be part of me. I will miss the rewards of watching you students grow and develop during your high school years. You will be missed more than you will ever know, and it will be difficult for me to no longer be in this position.

The time has come in my life, however, that I am ready to have more flexibility in my schedule to rediscover myself and spend time with my family and grandchildren. It's good to go out on a "high note" having no regrets and great memories of wonderful students and performances.

Thank you to all the amazing students who have enriched my life (including those band students I never taught but frequently saw); all the school staff and administrations over the years for their support; and the many community members who rarely missed a concert and embraced the importance of music education. Many thanks go to Mrs. Charlene Loge who has accompanied most of these twenty-five years and invested in these students as if they were her own. Mr. Kloker and I have been a great team with similar taste in music and expectations and desires for our students. There are not enough thanks for his companionship and support.

Please continue your enthusiasm and support for the choir program. THANK YOU ALL FOR SUCH A GOOD LAST YEAR.

Mrs. H

Zoning Committee 5/21

By MJ

Another city affiliated meeting held with an energetic discussion between committee members and public relating to the zoning regulations. Present: Councilman McIsaac, Nye, members Ed Mooney & Russ Schwandt & City Attorney Mr. Dolan.

The committee was excepting a corrected zoning map required by state statute that J S Turner was asked by the committee to present. Turner was unable to touch base with the engineers to get the map done in time for meeting. The newly created zoning document changes the zoning codes for many people living within the boundaries of city and is a key component defining these areas.

Cell Tower applications: They were unable to move forward with the application form due to short time frame for preparing the documents. The committee did sending the application fee of $500.00 per cell tower to the full council.

Zoning Document: Mr. Dolan provided some possible direction to the committee on the document with committee. **1)** He pointed out that the map being used was questionable. **2)** There is no "U" zone in the new document however there was a "U" zone with a description on old zoning map & plan. **3)** In the fee section of document (17:1:04) there is no set language that provides for fees to be charged however, there is language that provides for penalties. **4)** Definitions are not in any kind of alphabetical order and makes the document very hard follow. **5)** Written document and zoning map should correlate with one another. **6)** There is no regulations for the new business on the block, medical marijuana producers/outlets and under the MT Marijuana Act cities are allowed to establish regulations.

Open Discussion: A member on the committee responded to Mr. Dolan on the fee structure by pointing out that through the document fees are identified. Mayor Klakken asked where in the document it says that fees can be charged for signs. Committee member pointed out that the document does say permit fees can be charged for signs. Committee asked the mayor if the medical marijuana issues could be handled via an ordinance. Committee member stated that the committee was in a hurry to get the bulk of the document done and there were topics that would need some correction and clarification.

Mayor Klakken stated he does not believe the people were given the correct notification when changes to the zoning divisions were made. Do you know if the zoning in your area has changed? Could make a difference in your pocket money if you decide to sell or buy?

Public Questions: Why does the museum have private parking spaces identified on the street? Would this be a private parking lot for the museum & if so do they have to comply with zoning regulations and provide ingress and egress? Can a person park on the street behind the cars in the private parking spaces to patronize local stores in area & if they do are they in violation of the law?

VOLUNTEERS NEEDED FOR BANNACK DAYS

General volunteers are needed to help at the 2015 Bannack Days July 18 – 19. The state park needs people willing to work at least a 4 hour shift one or both days helping to park cars and assisting with demonstrations such as candle dipping.

We are also in need of someone capable and interested in doing a period blacksmithing demonstration. A watermelon concession is available for a group or individual wanting to raise money by selling slices of watermelon.

To volunteer or for more information, please contact Bannack State Park at 406-834-3413 or bannack@smtel.org.

ADVERTISING PAYS OFF IN THE DILLONITE

After running an ad in the Dillonite, my wife and I held a garage sale on Friday, May 1 between 6-8 PM, i.e., all of two hours. The response in that brief period was better than we might ever had hoped. Eager shoppers popped up from behind trees, behind cars, behind shrubs and street signs. Even better, they brought, and spent, money.

Seventy-five per cent of the goods offered went on Friday evening; the remaining twenty-five per cent went during a six-hour period Saturday. Two take-backs: 1) it pays to advertise in the Dillonite; and 2) Brief Friday evening garage sales can easily have as much payoff as anything on a Saturday or Sunday.

Cheers!

Memorial Day Parade

By: MJ

Many came out to enjoy the Memorial Day parade and get a start on a tan. It's always fun to watch a parade and appreciate those individuals that get out there and put the work into making it a reality. Honoring our veterans were vehicles that serve the community/county, several trucks of yester years, Challenge Group marching in formation, military vehicles and a few motorcycles followed by Dennis Devivo giving his wife Jean and two dogs a ride in a side car attached to his motorcycle.

ROTARY SPEAKERS

Representatives of the Community Support Center will be the featured speakers at the noon meeting of the Dillon Rotary on Wednesday, May 27, 2015. The representatives will discuss the benefits and help available to Southwest Montana residents via the various programs with which the Support Center is involved.

Come join us for lunch and listen to the valued information being offered this Wednesday. The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email Craig Rehm at crehm@dadco.com or Roxanne Engellant at engellantr@gmail.com

THANK YOU FOR THE HONOR

In 1964, a young man signed his name on the dotted line to serve his country in the USMC. He was following in the footsteps of his family who served before him. His great grand father served in the Army in World War 1 and 2. His dad Ralph Nelson retired as a Senior Chief in the Navy.

My husband, my hero, James (Jim) Nelson was a young man of 18 when he signed his name to serve his country. After training he was sent to Vietnam Nam where the stories he came back home with open the eyes to a lot of people who had no idea what it was really like. In 1966 after coming home from Vietnam Nam he was sent to Camp Le June where he met a little hillbilly name Susie, and the two fell in love and married after only knowing each other for 4 months. A son, Jamey, was born in Camp Le June. Little did we know it was the start of his military career. 2 years later a daughter Lisa was born. The little family moved around a lot, enjoying the adventure. At the young age of 17 Jamey officially became a Marine. Because Jamey was under age his dad had to sign for him to go in. Something he vast very hesitant to do but did with pride. A few years later our daughter Lisa met and married a young man who was born to be a cowboy, every little boys dream. His work is what led him to Montana, a place Jim loved to visit. He had looked at property to buy in Montana to retire to. He loved Twin Bridges and wanted to settle in Montana. Jim always loved his country and when war broke out in Iraq he was to old to rejoin the military but he found a way to serve his country by becoming a contractor for KBR, going Ti Iraq in 2004. He drove a truck for the Pony Express delivering mail for the troops. Once he drove back into camp with the convoy to discover a missile had got thru his trailer and landed inside the trailer into a soldiers boots that had been sent to him. Lucky the bomb had not gone off. On several convoys he was under attack by the enemy and was involved in several IED attacks. In 2006 he came home on R&R and two days later had a quadruple by pass, 6 months later he suffered a stroke. For two years he talked about returning to serve his country. It was then his wife of 37 years went over and served 2 years as a dispatcher for the Army. Jim made a recover and was able to return to what he loved to do, continuing to serve his country. During this time, their son had joined the Army and was making it his career. At one point during this time, Jim Nelson, Susie and their son Jamey were all serving in Afghanistain. Jim was serving in Knadar as a contractor for Lockhed Martin when Susie received the knock on her door informing her that on September 13, 2013 at 12:56 Jim Nelson had given all.

The family he loved so much from Montana his sons family all arrived to bring him home to Cameron Mo.

His son had become a CMS in the Army, his oldest son Dustin Nelson was a Lt. In the Army and his youngest Tyler Nelson an E5 in the Air Force. Jamey and Tyler in uniform received Jim on the Tarmac at the KC airport. 52 Patriot guards and his family escorted him home to Cameron.he received a heroes welcome by the city of Cameron. People stood on the streets with flag but the most touching moment was when Jim and I rode under the large flag hel up by the Cameron FireDepartment.

Now this Military Nelson family is receiving another honor. A brick designed by his son and daughter will be placed in the memory wall in the town he loved Dillon Montana.

Sadly to say because of circumstance in the military at this time the military family will not be able to attend but his Montana family will be there to show support. James Nelson family wish to thank the city of Dillon Montana for giving this honor to him and to us.

Dillon Volunteer Fire Dept.

Memorial Day at 1:14 pm we were paged to a vehicle accident on Highway 91 South near Arabian Lane. Then at 7:03 pm were were called to the North Interchange for a vehicle accident. We conducted scene safety and assisted Beaverhead Ambulance on both calls.

COMMENTS SOUGHT ON PROPOSAL TO SELL DNRC LANDS IN WMAs

Montana Fish, Wildlife & Parks (FWP) has proposed to buy from the Department of Natural Resources and Conservation trust lands within three FWP wildlife management areas.

The WMAs are the Blackleaf, Sun River and Beartooth.

The purchase would allow FWP to own and manage land it currently rents from DNRC within WMA boundaries. If purchased, these lands would be conserved and managed consistently with WMA objectives.

The money from the sale would allow DNRC to purchase other lands that allow public access and provide equal or greater trust revenue.

This proposal is currently in the scoping process, seeking public comments. The deadline for comments is June 15.

Under the Land Banking sale program, FWP as the lessee and nominator of the sale parcels is afforded the ability to stop the sale process up to ten days before the auction occurs. FWP would know beforehand if there would be any competitive bidders for the parcels, and would be able to cancel the auction up to ten days before the scheduled auction.

For more information, visit FWP's webpage at http://fwp.mt.gov/, or DNRC's webpage at http://www.dnrc.mt.gov/.

THANK YOU

Thank you to the 1st and 2nd Wards of the Church of Jesus Christ of Latter-Day Saints for their participation in the annual clean-up of Mountain View Cemetery.

The cemetery is a very important part of our community. Their work each year is very much appreciated.
