Bird's Eye View Guided Hike At Bannack State Park

Montana State Parks invites the public to celebration National Trails Day with a guided hike of the Bird's Eye View Trail at Bannack State Park on Saturday, June 6 from 10 am to 12 pm.

Join park staff for a hike of this loop trail that offers bird's eye views of the town site, the surrounding country, and historic mining activity. The hike departs from the Group Use area and follows the old stage road into the hills south of Bannack. Hikers will also be treated to blooming wild flowers and a variety of bird species as well. A bottle of water, sturdy footwear, a camera, and sunscreen and perhaps a rain coat are all recommended.

VOLUNTEERS WANTED FOR DOME MOUNTAIN CLEAN-UP DAY JUNE 13

Montana Fish, Wildlife and Parks is looking for volunteers for its 3rd annual Dome Mountain Clean-Up Day co-sponsored by the Park County Rod and Gun Club on Saturday, June 13. Volunteers will be cleaning up and removing remnants of old fencing that are dangerous to wildlife on this important elk winter range.

Meet at north parking area at Dailey Lake on June 13, 2015
TIME: 9 a.m.

Volunteers should contact FWP Area Biologist Karen Loveless ahead of time at kloveless@mt.gov or (406) 333-4211 if interested. Fencing pliers and t-post pullers would be very helpful, as well as possibly additional ATV's. Volunteers who might have any of the items mentioned, and are willing to bring them along on June 13, should let Karen Loveless know. Volunteers will work on pulling fence until noon, and then will be served burgers, hot dogs and refreshments by Dailey Lake.

The Dome Mountain Wildlife Management Area is over 4,500 acres of public land, owned by Montana Fish, Wildlife and Parks. It was purchased in the late 1980's in order to preserve elk winter range and provide hunting and recreational opportunity for the public. Old fencing remains in some areas since prior to public acquisition, and each year causes injuries or death to elk and other wildlife that become entangled.

A Retired Person's Perspective:
Submitted by MJ

I'm not saying let's go kill all the stupid people—(1) I'm just saying let's remove all the warning labels and let the problem work itself out. *People don't read labels unless the occasion arises where they can file a money making law suit using the label to their advantage.* (2) I changed my car horn to gunshot sounds--*People move out of the way much faster now.* (3) You can tell a lot about a woman's mood just by her hands --If they are holding a gun, *she's probably very upset.* (4) Gone are the days when girls cooked like their mothers--*Now they drink like their fathers.* (5) You know that tingly little feeling you get when you really like someone you've just met? *That's common sense leaving your body.* (6) I don't like making plans for the day, because then the word "premeditated, intentional, thought out" gets thrown around in the courtroom. (7) I decided to rename the bathroom from "John" to "Jim". *I feel so much better saying I went to the Jim this morning.* (8) Dear paranoid people who check behind shower curtains for murderers--If you find one, what's your plan?

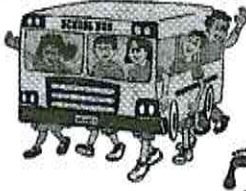

a. Everyone has a right to be stupid--Politicians just abuse the privilege.

**VOLUNTEERS NEEDED
FOR BANNACK DAYS**

General volunteers are needed to help at the 2015 Bannack Days July 18 – 19. The state park needs people willing to work at least a 4 hour shift one or both days helping to park cars and assisting with demonstrations such as candle dipping.

We are also in need of someone capable and interested in doing a period blacksmithing demonstration. A watermelon concession is available for a group or individual wanting to raise money by selling slices of watermelon.

To volunteer or for more information, please contact Bannack State Park at 406-834-3413 or bannack@smtel.org.

SUPPORT GROUP FOR SLEEP APNEA

A support group is being formed to help individuals who have been diagnosed with sleep apnea. The Doctor writes a prescription for the patient to use a CPAP machine with a face mask so they can breathe a normal breath consistently while they sleep. Many patients find it difficult.

This newly formed support group will hold their meetings at the First Presbyterian church using the Fellowship Hall downstairs. Use the back door and meet with others who have questions and comments.

The first meeting will be at 9:30 am Wednesday, June 3rd. For more information, call Joyce at 683-4177.

Prayers for Military Peace Keepers at St. James Episcopal Church:

There will be a service honoring military personnel who have provided a peaceful nation for all of us. They may be active or veterans, at home or abroad.

The service will be held at 12 noon on the first Wednesday of every month at St James Episcopal Church (203 E. Glendale). All are welcome.

The next service will be Wednesday, June 3, 2015 at 12 noon. Any questions, call 683-2735. Please join us.

Notice of Annual Meeting

The Dillon Beaver Booster Club will hold its annual meeting at 7:00 p.m. on Wednesday, June 3, 2015 in the B.W. Lodge Gym Foyer. Election of officers for 2015-2016 school year will be held at the annual meeting.

BUSINESS MEETING SCHEDULED FOR DILLON ROTARY WEDNESDAY

The Dillon Rotarians will conduct their business meeting on Wed., June 3, 2015. Visitors are welcome. Anyone interested in exploring membership in Rotary should come at noon to be a guest for lunch.

The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email Craig Rehm at crehm@dadco.com or Roxanne Engellant at engellantr@gmail.com.

ACCEPTING REFERRALS

Camas Case Management and Counseling, PLLC, is now accepting referrals in Beaverhead and Madison counties for senior citizens and individuals with physical disabilities who require help finding services to meet their particular needs.

Jeanette Producers has 25 years of experience working with elderly and social services. She understands Medicare and Medicaid programs, which can be overwhelming to those dealing with health issues. In addition to these services, Producers can help seniors or their families with advance care planning. Examples include formulating advance directives such as living wills or durable powers of attorney for health care.

As a licensed clinical social worker, Producers also can provide grief or loss counseling and adjustment to physical disability. Services will be provided in the individual's home so that transportation is not a barrier for those who may need help. For more information or to make a referral, call 406-865-0381 or email camascmcounseling@outlook.com.
