Council meeting 6.4.2105

By: MJ

Mayor Klakken, Treasurer Mr. Straus, along with efficient office secretaries presented the governing body (council members) with a bulky business packet.

ZONING BOARD APPOINTMENT: Mayor Klakken presented to the council for their approval the appointment of Mr. Raymond Graham to the zoning board after some discussion. Mr. J.S Turner objected to the appointment sighting the question of whether Mr. Graham was resident of city. This was an age old discussion that has been circulated amongst several lawyers with a determination made that Graham is a resident of the city, votes in Ward 4 and is a past council member. *The ultimate discussion between the council members gave the newest council members information they might not have had and an opportunity to get their questions answered. (A good thing)*

Councilmembers appointments: Mr. McIsaac to Tree Board, Mr. Manley to Planning Board and Mr. Hodge to Health Board. All the members' names on all boards are listed on the city web site.

City Attorney Dolan had no report other than he was looking forward to speaking with zoning board.

Treasurer Neal Straus reported he is working on a system that would implement purchase orders. This will require a numbering system to identify each project. When replacing or doing repairs on a project a number would be applied to all expenses incurred by that project thus allowing a tracking system to determine final costs. At times the city might be reimbursed for expenses and this systems would give the city the proof of expenditures that would be required. **Example:** *If a manhole was being replaced all expenses incurred during the replacement process would be given a project number.*

Janie, the secretary that handles payroll was assigned to look over the payroll system to see if there is a more effective way to keep track of records.

Water/Sewer hookup fee of \$250.00 was waved for Ken Heberling.

Congratulations to Sandy Reis on her retirement. Sandy is now training Diane Armstrong for her replacement.

Wildflower Tour of Vipond Park Set for June 21

Vipond Park is known for its beautiful displays of wildflowers in the late spring and early summer. The Beaverhead-Deerlodge National Forest and the Montana Native Plant Society are teaming up again to host a wildflower tour of Vipond Park on Sun., June 21, starting at 9 a.m. "We hope to, again, hit the peak bloom of many spring flowers," said Forest Botanist Jessie Salix.

The free tour will ascend the Quartz Hill Road and pass through several historic mining sites before reaching Vipond Park. Vipond Park is a subalpine meadow that supports a diverse array of flowering plants,

and also includes two rare plants that are local to the area. Several stops will be made along the way, where Forest Service botanists and Native Plant Society members will assist in plant identification.

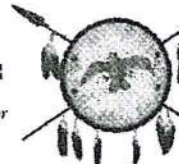

For those who are traveling from the Dillon area, please meet at the Forest Service office in Dillon located at 420 Barrett Street at 8 a.m. to carpool. Otherwise tour participants will meet at the Divide Fishing Access along Highway 43 approximately three miles west of the Divide Exit off I-15 at 9 a.m. Participants may drive their own vehicle, or can car pool with others at Divide. Attendees are advised to dress for inclement weather and bring a lunch, water, rain gear, bug deterrent, sunscreen and a camera. A wildflower field guide and magnifying hand lens is also encouraged, but will be available to share on the tour.

For more information, contact the Forest Service in Dillon at (406) 683-3900.

West Fork Campground Closed June 17-26 for Vegetation Project Work

West Fork Campground located approximately 34 miles south of Ennis along the Madison River will be undergoing extensive vegetation removal. The campground will be closed from June 17 through 26 so that contractors can remove brush in and around the campground.

The West Fork Campground has been identified by wildlife managers as a concern with its location on the river corridor, a prominent wildlife (grizzly & black bear, moose) crossing and travel lane, and overall safety of users in this pathway. The project will improve safety within the site and surroundings by removing a significant amount of vegetation that have grown in and limited visibility for both people and wildlife between sites and along the river.

The project is funded through a grant by the Missouri-Madison River Fund and matching funds from Northwestern Energy.

For more information, contact the Forest Service in Ennis at (406) 682-4253.

National Pollinator Week

On Sunday, June 14 the Calypso Chapter of the Montana Native Plant Society will hold an open house to celebrate National Pollinator Week, from 10 am to 5 pm. This event will be hosted by chapter member Catherine Cain at her native plant nursery, Southwest Montana Native Landscapes. The nursery is 15 miles north of Dillon on Old Hwy 91 North at mile marker 14, or five miles south of Glen, at 15000 Hwy 91 North. Details: Catherine at 406-498-6198.

Jon's Gulch Wildflower Walk

Flowers are blooming up at Thompson Park! Come join the Beaverhead-Deerlodge National Forest and the City-County of Butte Silver-Bow for a walk through the woods, exploring the colorful flowers of the area.

This free event will be fun for those interested in learning more about the local flora. The hike will begin at 10 a.m. at Sagebrush Flats in Thompson park and participants will hike approximately two miles of Jon's Gulch trail.

Bring a lunch, water, rain gear, sunscreen and a camera. A wildflower field guide and magnifying hand lens is also encouraged, but they will be available to share on the tour.

For more information, contact the Forest Service in Butte at (406) 494-2147.
