Private Businesspersons - Capitalism

By: MJ

Entrepreneurial job creation has declined by one-third to 7.8 percent in the last eight years according to research data. As we know that data may or may not be skewed.

Changes are happening in Dillon with people taking advantage of capitalism. Private businesspersons support the economy of Dillon in many ways; via taxes, jobs, renting empty buildings/houses, bringing in new construction, renovating old buildings, providing a reason for outside dollars to come into community to take advantage of what is being offered… Outside money coming into Dillon is a win - win for community. Following are several examples of some business changes in Dillon.

Trina Health Mt. is a business offering another choice for you when managing your health care. Medical Marijuana businesses have opened throughout the town also offering another choice.

Food establishments and other miscellaneous shops that have open within the last year: Pita Pit, Brits Sandwich Shop, Soda Fountain, Atomic 79, and Daily Yarn Shop that provides a round table that takes us back in time to the old wood stoves in stores that people gathered around for conversation, support, love, and lots of laughs. Shopko with be opening their doors soon. Several other businesses, going along with needs in today's world are computer tech support and massage.

LOCAL GOVERNMENT: *Due to some of these changes our local government needs to find ways to make sure they are putting regulations into position that will support entrepreneurs and not create new barriers and red tape that may or may not put a burden on business. That might mean the city fathers need to take of look at old regulations and modernize them if they are providing too much red tape and putting up barriers and change them.*

MONTANA 1864

On June 20 at 2pm in the old church at Bannack State Park join us for a fascinating look at early day Montana. Sidney Edgerton, Mary Ronan, Pretty Shield and Crazy Horse are just some of the interesting people of Montana in 1864. Journey back to the year of Montana's founding in this lively presentation on various characters and events that shaped the state from its beginnings. Egan talks about selected historical figures, then leads a conversation about Montana's past and present.

Egan's presentation is based on his book Montana 1864, which offers a lively panorama of events during the Territory's first year. His earlier study, Hope and Dread in Montana Literature, provides insight into the state's rich literature from the 1860s to the present. Egan serves as executive director

Bob & Jodi Decker

Bob and Jodi are in need of financial and moral help because of Bob's serious condition after failing to maneuver a corner last week in the mountains near Townsend. His 4 wheeler did substantial damage to the tree and Bob. After several surgeries, he is back home at Barrett hospital. Wells Fargo has an account open to graciously accept any donations to help with this matter. Thank you for your needed support.

Dillon Alano Club Seeks New Location

The Dillon Alano Club is in need of space for the current calendar of 12-step meetings. The Alano Club is a 501-3C organization. It is necessary to find new accommodations as soon as possible. Our hopes would be to find something (preferably permanent) but we do need help. At a minimum we would require 2-3 separate rooms to host meetings, a kitchen, bathrooms, room for materials and books as well as space for monthly dinners. There is also a need for easy accessibility. Time is of the essence.

If you know of or have an available house or suite of rooms that could be made available for this purpose please contact Rick at 660-1111 or Scott at 660-2417

National Forest Surveys Coming Your Way!!

You may soon be asked about your visit to the forest. This summer and fall, the Beaverhead-Deerlodge NF will continue working on a yearlong study of recreation use on the Forest. Employees conducting the survey will be wearing bright orange vests near a sign that says "Traffic Survey Ahead." These folks are waiting to talk to you, so please pull over for an interview. Employees want to know about your visit to the National Forest. All information you give is confidential and the survey is voluntary.

This survey is conducted every five years on every National Forest in the country. Data collected provides National Forest managers with an estimate of how many people recreate on federal lands and what activities they engage in while there. Other important information gathered includes how satisfied people were with their visit and the facilities, as well as the economic impact of recreation visits on the local economy.

This recreation visitor use survey gathers basic visitor information. All responses are confidential, and no names are recorded. The interview lasts about eight minutes. Every other visitor is asked a few additional questions which may take an additional five minutes. The questions visitors are asked include: where they recreated on the Forest, how many people they traveled with, how long they were on the Forest, what other recreation sites they visited while on the Forest, and how satisfied they were with the facilities and services provided. About a third of the visitors will be asked to complete a confidential survey on recreation spending during their trip.

Although the survey is entirely voluntary, participation is appreciated. Including local residents that use the forest is important to assure that all types of visitors are represented in the survey. If you have any questions about this program visit our web site at www.fs.fed.us/recreation/programs/nvum or call your local Forest Service office.

Grasshopper Trailblazers 1st Annual Family Photo Fundraiser

Our club has seven members and one clover-bud member this year. One of our members, Ransom Bowman got to go to Washington D.C. with 4-H this year. Since he has been in the club for 7 years, he received one-half of his trip paid for by our club. With several more members getting old enough to go to Washington D.C. we want to build up our savings account to be able to continue to provide our members scholarships.

For a fundraiser, we voted to hold a family photo shoot. One of our leaders, Sarah Harrison, owns Photo57 and has donated her time to our club for our fundraiser.

Our fundraiser will be held at Barrett Station Park, south of town, on Saturday June 20th from 8 AM to 11 AM and at Cornell Park on Saturday June 27th from 3 PM to 7PM. We are offering 15 minute sessions for $50.00 and all proceeds benefit our club. We will have a fun photo booth, several staged settings, or your choice of natural surroundings for you to choose from. You can choose 2 backgrounds depending on time. You will get a CD with all edited photos from your shoot and print rights. Please call Sarah Harrison at 406-834-3420 to schedule your appointment before they fill up!

Thank you for supporting our club!

Carsyn Engesser; 2st year member, Ariel Thomas; 1st year member, and Jessica Harrison; 1st year member

TENDOY BIGHORN SHEEP TO BE DEPOPULATED, RESTOCKED

Montana Fish, Wildlife & Parks wants to go ahead with a plan to depopulate the chronically diseased Tendoy Mountains bighorn sheep herd using public hunting as the primary tool. The area would then be restocked with healthy bighorns.

The proposed hunt format is similar to that used in unlimited bighorn license areas, although a quota would not be established as the goal is to eliminate the entire herd of approximately 40 bighorns. Any remaining bighorns not taken by hunters would be removed by FWP.

On June 11, the Fish and Wildlife Commission put out for public comment the proposal to sell licenses to accomplish the depopulation and is taking public comment until 5 p.m. on Thursday, July 2, 2015. The Commission will make a final decision in July and, if adopted, licenses would be offered in early August.

Approximately 50 bighorn sheep will repopulate the Tendoys once all members of the diseased herd are removed. The healthy sheep used to restock the area will be from a yet to be determined herd in need of management reductions at the time.

The decision notice on the proposed depopulation and restocking action can be read here: http://fwp.mt.gov/news/publicNotices/environmentalAssessments/speciesRemovalAndRelocation/pn_0071.html

Bighorn sheep in the Tendoys have experienced two significant pneumonia die-offs in the last 25 years (1993 and 1999). The population has been augmented three times since 1997, but the population has not rebounded because disease is likely being carried by some of the surviving sheep.

ROOF PROJECT FOR SENIOR CENTER

Beaverhead Co. Senior Citizens is in need of replacing the roof! The Bank of Commerce has an account open to graciously accept any donations for this matter. Thank you in advance for your generosity. Meals are offered to the seniors and the general public every Wednesday for a small fee. There will be no meals the month of July.
