William C. "Bill" O'Connor

William C. "Bill" O'Connor died peacefully at Barrett Memorial Hospital in Dillon, Montana on June 16, 2015 at the age of 79.

Bill was born on April 20, 1936 in Culbertson, Montana to Leo and Caroline (Cattaneo) O'Connor. He was the youngest of 17 brothers, sisters and cousins who grew up together on a cattle ranch in northeastern Montana. He attended the O'Connor Country School on the ranch, and St. Thomas Military Academy in St. Paul, MN for his high school education. After receiving his diploma in 1953, he attended college and received his B.S. from Montana State University. He was employed by the Montana Highway Department as a civil engineer until 1964. From 1964 to 1968 he attended the University of Minnesota and studied Economics. While in the Twin Cities, he met and married Margo Ashton on December 27, 1967. Shortly after, he accepted his first teaching position at the University of Missouri in their Department of Economics. He returned to graduate school in 1969 at the University of Colorado and received his Ph.D. in 1975. Upon graduation he and his family moved to Dillon, where he worked for the University of Montana Western until his retirement in 2008.

Bill joined Kiwanis in 1976, serving on the Board of Directors throughout his membership and as club president for two terms. As a Kiwanis member, he was a Circle K Advisor and member of TAG where he aided in establishing four new clubs. He was a Lieutenant Governor in Division 3 for two years, receiving distinguished status in 2005-06, and served as Governor of the Montana district of Kiwanis International in 2008.

In the Dillon community, Bill was active in the St. Rose Parish, a member of the Barrett Hospital Foundation, President of Beaverhead Allied Senior Services and President of the Southwest Montana Retired Educators. He also served as an advisor to Montana Youth ChalleNGe, and directed service-learning for Montana Campus Compact.

Bill is survived by his daughters, Caroline O'Connor (Sherborn, MA) and Mary-Frances O'Connor (Tucson, AZ);

Spring has Sprung

By: MJ

Give a wave or a thanks to city employees out there in the trenches working to get many jobs done during a short time line.

Relax and take an evening drive around our charming town and enjoy the little things like; lush green lawns, gardens starting to grow, flowers showing colors, neighbors visiting across fences, getting a whiff of barbecue cooking, exercisers sweating together in the well-manicured city park…

The push is on for the city employees to complete many jobs that can only be done before winter comes again. The Director of Operations, Mr. Turner has his hands full, managing the jobs, making sure that all construction, is complying with laws, rules, regulations, such as building permits, fire safety, questionable zoning plans and then submitting that information to the council for approval. This includes new construction, adding a room or garage, updating with a deck, putting up a fence…

Give a wave when you drive by the crew.

Father's Day Free-Fishing Weekend

Gov. Bullock Encourages Montanans to Take Advantage of Father's Day Free-Fishing Weekend

Whether you cast a fly or bait a hook everyone can fish for free Saturday and Sunday as Montana invites friends and family statewide to kick back in celebration of Father's Day weekend, June 20-21.

"While many Montana anglers want to keep their favorite fishing hole a secret, one thing that isn't a secret is that our state is home to some of the best rivers, lakes, and streams for fishing in the world," said Gov. Steve Bullock . "I encourage Montanans to take advantage of this free fishing weekend, and maybe even show off their secret fishing spot to a child or grandchild."

Bullock said there's no better way to enjoy Montana than to plan for a day of fishing with friends and family.

"Over Father's Day weekend everyone in Montana can fish for free—and without a license—just remember that everyone must follow all of Montana's other fishing regulations," Bullock said.

As Montana fishing soothes mind, body and soul, fishing recreation also provides jobs and spurs the state's economy. Each year about 230,000 residents and 160,000 nonresidents purchase a Montana fishing license. Montana anglers spend more than $900 million annually for things like equipment for the trip, transportation, food, beverages, lodging, guide fees and other expenses.

Montana's most popular fishing waters include the Madison, Bighorn, Missouri, Bitterroot and Gallatin rivers; and Canyon Ferry, Flathead, Georgetown, Hauser, and Fort Peck lakes.

The state's "fish for free" weekend was established in 2011 as the state's Father's Day gift to dads everywhere.

Bullock said he encourages everyone to have a fun time but also urged all to check conditions first and to always keep safety a top concern.

For water and boating safety tips, check the FWP website at fwp.mt.gov; click "Recreation," then choose "Stay Safe Outdoors."

The free fishing promotion is set Saturday and Sunday over Father's Day weekend, June 20-21.

Update on Robert Decker

I just thought I would take a moment to give an update on Bob Deckers condition so that the information that may be going around is what really happened in case anyone didn't know.

Bob had been working In Townsend on a Drywall job and on June 4th his son and his friend Randy went for a 4 wheeler ride after work. Bob was going around a corner and hit loose gravel and fell about 15 feet down an embankment and hit a tree, the 4 wheeler then rolled on top of him. Randy and his son got him up the hill on a board and put him in the back of a truck and drove him to Townsend.

He spent the night In Townsend and then was transported by the Dillon ambulance as no one else anywhere in their area could transport him. We are very appreciative to the people who came and got him, we are lucky to have such fine people in our community. Bob was then transferred to Dillon on June 5th he was supposed to have ankle/leg surgery except our Dr. Murray was not told of the extent of Bob's injuries until we were 10 miles out of Dillon.

Dr. Murray quickly made arrangements for St. James in Butte to care for him and Dr. Blavatsky performed a total nip surgery and ankle/leg surgery on him. Thanks to both for their efforts, and all the staff involved. Once in Dillon, Bob was then transferred again to Butte by our own Dillon ambulance service. We can't thank them enough.

Bob suffered 3 cracked ribs, a bruised lung, a fractured pelvis a broken tailbone, a broken hip where the leg connects to the hip, and a broken leg/ankle, besides other bumps and bruises. Bob stayed in Butte for 6 days and was then transferred back to the Dillon hospital by Barry Briggs for the rest of his recovery. Bob did not have insurance but was set to meet with his niece in Sheridan to get it. He was going to do it right after this job, obviously he was too late.

My only advice to anyone who wants to listen is wear a helmet when you go out 4 wheeling if you believe in it. Get insurance if you don't have it, and appreciate the people in our town that go out of their way to help and protect us.

Thanks to everyone who has shown care and support,

Jodi Skradski Decker

Watering Lawns

By: MJ

This year Mother Nature has been good to us and provided rainfall to beautify the town. Looking at California reminds us that water is a precious commodity and we should always be mindful of that.

Check with the local landscaping specialist in your area for expert advice on taking care of your lawn. Following are some ideas and suggestions. Know your soil and how much you are watering by placing empty cans around the watering area where your sprinkler is hitting or a rain gauge. If using sprinklers, apply about a ½ inch of water twice per week. Be sure to check each can you set out because depending on the type of sprinkler, type of soil and wind it could take 15 to 30 minutes to water area adequately.

Water smartly. Be sure to water deep and infrequent. It is best to water between 6-10 AM. Watering at night invites mildew and fungus and during the heat of day you lose water to heat, wind and evaporation. Another option to watering is between 4 and 7 in afternoon. Understanding how your watering system works will save you money, provide you with a healthy lawn. NOTE: When your lawn needs water footprints will remain on the grass longer than usual, the color of lawn is taking on a blue-gray tint or the leaf blades are starting to curl/wilt.

Bob & Jodi Decker

Bob and Jodi are in need of financial and moral help because of Bob's serious condition after failing to maneuver a corner last week in the mountains near Townsend. His 4 wheeler did substantial damage to the tree and Bob. After several surgeries, he is back home at Barrett hospital. Wells Fargo has an account open to graciously accept any donations to help with this matter. Thank you for your needed support.

Grasshopper Trailblazers 1st Annual Family Photo Fundraiser

Our club has seven members and one clover-bud member this year. One of our members, Ransom Bowman got to go to Washington D.C. with 4-H this year. Since he has been in the club for 7 years, he received one-half of his trip paid for by our club. With several more members getting old enough to go to Washington D.C. we want to build up our savings account to be able to continue to provide our members scholarships.

We voted to hold a family photo shoot. One of our leaders, Sarah Harrison, owns Photo57 and has donated her time to our club for our fundraiser.

Our fundraiser will be held at Barrett Station Park, south of town, on Saturday June 20th from 8 AM to 11 AM and at Cornell Park on Saturday June 27th from 3 PM to 7PM. We are offering 15 minute sessions for $50.00 and all proceeds benefit our club. Please call Sarah Harrison at 406-834-3420 to schedule your appointment before they fill up!

MEDICAL FUNDING

There has been a go fund me account set up for Howard Betts who was seriously injured Saturday night in a dirt bike accident. He has under gone facial surgery yesterday and had his jaw wired shut for 6 to 8 weeks.

If you would rather donate locally you can drop checks or cash off for Howard or his family (Ron Betts and Regina Adams) to his mother's work at Womack's Printing Place, 126 N. Montana or an account was set up at The Bank of Commerce.
