Frankie Stratton

Our mother, grandmother, great-grandmother and good friend, Frankie Stratton left us peacefully at Heritage Homes in Kalispell, on September 16, 2014.

She was born to Rev Frank B Hillis and Alice Hillis in Kalispell, MT on August 1, 1921. As a "preachers daughter" Frankie spent much of her youth traveling around north west Montana, singing, playing the piano and helping with church services. She also excelled in music at Flathead County High School, earning many honors.

On November 27, 1942, she married Ellwood (Al) Stratton in Seattle, WA where he was working during WWII. After the war, they returned to the Flathead Valley, and after living in various "cabins" and a tent, they built their log house with logs from their sawmill. Frankie was a stay at home Mom all her life with many interest. Playing the piano and organ, seamstress, church leader and teacher, and artist. She sold many paintings of Indians and scenery over the years, and in 1970 was featured with other artists, in the publication "Montana's Own". Frankie and Al moved around Montana following road construction from 1961-1977. In 1977 they settled in Dillon. Keenly aware of those in need, they helped form "Helping Hands", quietly gathering clothes, food, funds and emotional support for many people. She lived her convictions in her everyday life, and always took a stand for right. Frankie worked side by side with Al for 67 years, raising their daughters - always there to lend a hand, a shoulder, or an ear to their family, friends, and a large extended family.

She was preceeded in death by her husband Al, parents, and sister Jane.

The memories of Frankie will always be remembered by those who survive: her daughter Susan (Fred) Rebish, Dillon, Mary (John) Semmens, Polson, grandchildren Tracey (Kendra) Rebish, Missoula, Katherine (Bob) Hupp, Dillon, Jason Semmens, and Rachael (Myles) Heivilin, Colorado, six great-granchildren, numerous nieces and nephews including Jean (Ron) Levang, Norma Williams, Sandy Lovell, a friend since childhood, Dale Keller (Joan) and a former neighbor, Donn Bolog, Bothel, WA - all considered family.

Frankie was a fiesty, loving mother, grandmother and friend who you could call on any time day or night. Her passing leaves a huge void in our lives, but a wonderful model to follow.

Trail Partnership Receives National Award

The Coalition for Recreational Trails (CRT) has chosen the Montana Off Highway Vehicle (OHV) Trail Maintenance Project as the winner of the Tom petri Annual Achievement awards for outstanding use of Recreational Trails Program funds in their Public-Private Partnerships and Access to/Use of Public Lands category.

The Montana OHV Trail Maintenance Project is collaboration with Montana Trail Vehicle Riders Association, Forest Service, and Bureau of Land Management, funded through the Recreational Trails Program. This partnership has helped to benefit maintenance of OHV trails on the BLM Butte Field Office, the Beaverhead-Deerlodge, Custer Gallatin, and Helena and Lewis & Clark National Forests.

The CRT is a federation of national and regional trail-related organizations. Its members work together to build awareness and understanding of the RTP, which returns federal gasoline taxes paid by off-highway recreationists to the states for trail development and maintenance. The CRT announced its 2015 achievement awards to recognize outstanding trail projects funded by the National RTP.

The awards were presented June 10 in Washington, D.C. on Capitol Hill during Great Outdoors Month™. The Coalition's ongoing effort to build awareness and appreciation of this highly successful program has greatly enhanced the quantity and quality of trail experiences available to the public.

The following people traveled to Washington D.C. to receive this award:

- Montana Trail Vehicle Riders Association - Russ Ehnes, Mona Ehnes
- Bureau of Land Management Butte Field Office – Brad Colin

Council Meeting

By: MJ

All council members were present at the June 17, 2015 council meeting.

The June 6th minutes were approved. "Open Container" Law was waived for June 18, 2015 at Brewery on 218 S Mt. St. for a fundraiser. Revenue Reports for Dillon were presented and approved as presented. Fire Chief McGinley presented the Fire Hall Budget vs Expenditures/ May 2015 & City Clerks Report for 2015. Treasurer Straus submitted the Cash Summary Report and Cash Bank Reconciliation Report for May 2015 for council approval.

Planning Board minutes were not included, and there was no reports from Zoning Commission, Police Chief Craft, Judge Thompson, City attorney, James Dolan, Tree Board, Library Board, Judiciary Committee, Finance Committee, Health-Fire and Order Committee, Cemetery-Parks or Street and Alley Committees.

Director of Operations, Mr. Turner's report advised council that Zoning Compliance Certificates were applied for and issued for a garage at 805 E Center and a sign at Beaverhead Motors at 675 N. Mt. St.

Water & Sewer Committee: The committee presented their recommendation to outsource the collection system for water and sewer billing via a company out of Dillon and out of State. **Question**: Would it have been possible for a company in Montana to have been hired to do the job? In the beginning the costs for this system will bring with it an expenditure increase however, the plan projects that over time the city will be able to cut one employee's hours, ultimately saving city money. The system will take advantage of the new internet technology and offer an updated, advanced payment system for customers. *The Council approved the recommendation.*

Second recommendation presented by committee was to hire Loenbro and TD&H Engineering to test the lifespan of water main pipe crossing the Beaverhead River. The firm would do a test analysis of the pipe line using ultrasound. After much discussion amongst the council members it was approved to go ahead with the study and to not exceed cost of $7,900.

There was some discussion about problems at the newly built Waste Water Treatment Plant. Mayor Klakken said they are looking into it. Meeting adjourned.

The entire community is encouraged to attend this collaborative session to see what is being proposed and to give your input. Land Planner, Lauren Waterton of Sanderson Stewart and Kreg T. Jones Architecture will be on hand to present the two plans.

DILLON CUBS TAKE THE BIG TROPHY

The Dillon Cubs hosted the Maybelle Arthur Memorial Tournament and came away with the big trophy for their pitching strategy.

Coach Greg Fitzgerald had a plan to rest the teams starting pitchers for the tournament and have them ready for conference play. Fridays game against Electric City the Cubs scored all their runs in the first inning. Nate Simkins went over the plate first after a pickle he was stuck in between third and home and the umpire called interference and he let Nate cross home plate. Jamey Richardson crossed the plate after first being walked and a hit from R.J. Fitzgerald and errors allowed the other runs to score. Corey Renfree pitched for his first time starting this year.

Mark Waldrup had a couple great catches behind the plate and and Nick Huber came close to scoring in the 6th inning before being thrown out but made a spectacular leap to catch the ball and make a double play to end the game.

We will put more game high lights in tomorrows paper.

LOCAL CAREGIVERS AND KIDS INVITED TO "TEDDY BEARS' PICNIC" WITH UMW FINE ARTS PROFESSOR JUDY ULRICH

Beaverhead County moms, caregivers and children are invited to enjoy "Teddy Bears' Picnic" and "Miss Spider's ABCs" read by Judy Ulrich, University of Montana Western professor of fine arts and education, on Thursday, June 25 at Curious Minds Preschool's "Storytime Thursdays" summer children's literature series.

"'I am thrilled to share these wonderful children's stories," Ulrich said. "In Jimmy Kennedy's, 'Teddy Bears' Picnic' children watch in delight as teddy bears picnic and dance in the woods, and In 'Miss Spider's ABCs,' written by David Kirk, little ones go on a brilliantly illustrated journey through the alphabet." Children are invited to bring their teddy bears for a post-story activity.

Storytime Thursdays are scheduled from 4 to 4:30 p.m. every Thursday through Aug. 13 on the lawn adjacent to Curious Minds.

On July 2, Montana Western librarian Anne Kish will read "The Story of Ferdinand" and "Don't Let the Pigeon Drive the Bus." Upcoming series dates include English Professor Shane Borrowman on July 9, Parkview Elementary School Teacher Roberta Raffety on July 16, and Frontline Ag Solutions Salesman Alden Cashmore on July 30.

The preschool is located on the northeast side of the Montana Western campus off Cornell St. Parking is available on the street and in the parking lot east of Mathews Hall.
