OTTO JOHN BOSSERT

Otto John Bossert, known to his friends as "Dutch" was born April 12, 1924 in Red Lodge, Montana, second son of German immigrants Marie Bossert and Adolph Bossert. He attended Carbon County High school.

In January of 1944 at the age of 19 he enlisted in the United States Navy. He served on the USS President Monroe, an attack transport, which delivered troops in the assault on Guam and in the Philippines. He was honorably discharged April 8, 1944, and returned to Red Lodge.

He married Nora Obert November 1, 1947. The young couple leased two small ranches and for several years farmed and raised livestock. Dutch then became a heavy equipment operator working for Carbon County and later for the US Forest Service from which he retired in 1986.

Nora, his wife of 64 years died in 2012. Dutch is survived by their daughter Linda B. Gilbert and her husband W.G. Gilbert III, of Dillon; three granddaughters, Jennifer G. Scott, (Dakon) of Las Vegas, Nevada, Laura G. Parrish, (Ben) of Newman Lake, Washington, Lisl G. Scott, (Robert) of Belgrade, Montana, and four great grandchildren.

He was preceded in death by his parents, his wife Nora and his brothers Gustoph, Henry, and William.

Services will be held at St Rose Catholic Church in Dillon, Friday, June 26, 2015 at 12:10 pm.

Pauline June Baker

God saved the best for last … Divide, Montana lost the last of a generation. Mrs. Pauline June Baker, a wonderful woman, dearly loved by her friends and neighbors, passed away Monday, June 22, 2015, in St. James Healthcare. Pauline was born on June 15, 1923, to Frank M and Essie D. (Bondurant) Hansen in Bondurant, Wyo., a town named for her mother's family, pioneers who had originally settled in the area.

After her marriage in 1944 to Mr. Howard Baker, Pauline moved with her husband, and their infant son, Clifford, to Divide, Mont. Pauline was the epitome of a ranch wife. Her home and family were the most important things in her life. She was a wonderful cook, excellent house keeper,

and magnificent mother. She was especially known for her talent for decorating at Christmas. Her husband once remarked that "he was afraid to sit still for fear she would hang Christmas lights and tinsel on him." Not only was she involved in the daily operation of the Baker ranch and the lives of her family, Pauline considered the residents of Divide as her extended family. She was a one of the longest active original members of the Divide Grange, which was built on land that had been donated by the Baker Ranch. She will always be remembered for her pioneering spirit, generosity, and her kindness and warmth.

Pauline was preceded in death by her parents, husband; son, Clifford; and two sisters.

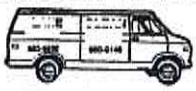

She is survived by her grandson, Howdy (Theresa) Baker of Idaho; daughter-in-law, Sharon Baker; and granddaughter, Amber Baker of Boulder, Mont.; great-grandchildren, Lacy, Grace, and "Little Howdy"; numerous nieces and nephews; and countless cherished friends.

Funeral Services will be conducted at 1 p.m. Saturday in the Duggan Dolan Mortuary Chapel. Interment will follow in the Quartz Hill Cemetery in Dewey, Mont. A further celebration of Pauline's wonderful life will follow interment at the home of Tucker and Marty Johnson, three miles north of Divide on the Frontage Road.

QUICKSILVER

Saturday, June 27 at 7pm in the old church at Bannack join us for an evening of wonderful western music. Quicksilver is an acoustic duo from Helena playing guitar and dobro. There will be a toe tapping fun mix of historical Americana tunes and originals with a western theme. Brent is a virtuoso on the dobro and Tammie sings like an angel. They will be playing some of the sweetest music this side of Heaven.

Brent works security at The Montana Historical Museum in Helena. He was raised in North Carolina but has lived in Montana over 35 years. He still has a heavy southern accent so he just says he's from southern Montana. Especially appropriate considering they met and got married in Dillon where Tammie's father George Melton was raised.

Brent and Tammie Jones have lived in the Centennial Valley, Lima, and the old cook shack on the Snowline ranch as well as in Dillon for a number of years. Tammie worked for the F.S. in Wisdom and Dillon in timber, range, and firefighting. Between the two of them, they have lived the western life working as ranch hands for cattle and sheep including night calving and sheepherding in the Gravelly Mountains, rawhide and leather braiding of horse gear, cook, outfitter, and hunting guides. Through it all they have maintained a passion for music that can't be extinguished and a rich trove of memories to mine for songwriting.

This program is free, out of state vehicles pay $6.00 park admission. Proudly sponsored by Murdoch's Home and Ranch Supply. For more information call the park at: 834-3413

Americorps Crew to Work on Peacock Trail in Tobacco Root Mtns

This summer, six members from the AmeriCorps St. Louis Emergency Response Team (ERT) are assisting the Beaverhead Deerlodge National Forest to restore the old Peacock Trail (#6013) located on the south side of the Mill Creek drainage in the Tobacco Root mountains east of Sheridan. The Peacock Trail is a three mile long non-motorized trail linking the Mill Creek drainage to a motorized route on Horse Creek Ridge. Once the trail is restored, it will provide a great non-motorized recreational opportunity which will be easily accessible to visitors and local residents.

The ERT trail team is part of a larger group that has been providing assistance in Montana since the summer of 2000.

Over the years, AmeriCorps St. Louis has partnered with the Back Country Horseman, Montana Wilderness Association, Montana Conservation Corps, and area ski and cycling clubs to carryout projects that help to improve and restore Montana public land. Projects have included protection of watershed areas, combating invasive species, eliminating hazards, and building and maintaining trails to increase public access.

Janet Marsh, a local resident and owner of the Shovel and Spoon Café in Sheridan, has been an active user of the Forest her entire life. She is very thankful of the effort to complete the needed trail maintenance to keep the Peacock Trail open. In appreciation, Janet and local residents will be hosting a gourmet cookout for the AmeriCorps Crew on June 30 at their camp in Mill Creek.

For more information about local area trail work or Americorps, contact the Madison Ranger District in Ennis at (406) 682-4253.

to participate in football and baseball. Although Nick spent his high school years putting a lot of time and energy into school and sports, any left over time was spent riding horses.

After high school, Dowers went to Feather River College for baseball and ended up in the equine program, which focuses on training a horse both physically and mentally. Guest clinician Bryan Neubert said, "He was pretty eager and not afraid to ask a stupid question. If I said I needed a volunteer, his hand would be up before he even found out what we were going to do." Eventually Dowers began bringing outside colts to the school to start in order to gain more experience working with individual horses.

After school, Dowers traveled to different places, starting other peoples colts and working ranches. "I would go somewhere and start 10 or 15 in a month or two, then go on and start the next bunch or do work on a ranch. I just kind of bounced around." Eventually, Andrea Fappani called on him to help start colts in Arizona. "He came down just for that, and the thought was that he would spend 30 to 60 days just getting these colts started and move on. I noticed right away that he had way more talent. He was pretty much amazing around a horse. Within just a few days of being around him, the babies that had never been touched wanted to do everything he asked them to do." According to Fappani. (This is taken directly from Nicks website)

Annual Wildflower Tour of Gravelly Range Set for July 8

The Forest Service will sponsor its 18th annual wildflower tour of the Gravelly Range on Wednesday, July 8, starting at 9 a.m.

The free tour winds through the Gravelly Range in Madison County which is noted for a spectacular, high-elevation display of wildflowers. Forest Service employees on the tour will help identify plants seen along the way. Officials note that each year brings a varied show of wildflowers. The colder, wetter winter and cool spring brings its own set of growing conditions, producing an always plentiful array of wildflowers to view, as well as the potential for limited accessibility.

The tour will begin at the Forest Service office in Ennis and proceed toward the Gravelly Range. Participants generally drive their own high-clearance vehicles, but can catch a ride with others if they don't want to take their own vehicle. Attendees are advised to dress for inclement weather and bring their lunch and water.

For more information, contact the Forest Service in Ennis at (406) 682-4253 or check out the Beaverhead Deerlodge Facebook page at: https://www.facebook.com/pages/US-Forest-Service-Beaverhead-Deerlodge-National-Forest/1540138089548920.
