Alice Helen Ryan

Alice Helen Ryan was born September 21, 1920 in Erie, PA to Richard Walter and Frederika Carolina Miller Kissman. Alice died peacefully in Dillon, Montana on D-Day, June 6, 2015. She was one of 9 children, all who have preceded her in death. She married Paul Earnest Schnabel in Erie on September 10, 1943. Their daughter, Janet (Schuetz) of Dillon, was born in January 1948. Paul died of a massive stroke nine months later at the age of 29. Alice then married her second husband, Donald Earl Ryan in Erie on December 1, 1951. Their daughter MaryEllen (Schmidt) of Elizabeth, Indiana, was born in October 1954. Alice will also be missed by her beloved son-in-laws: Ken Schuetz of Dillon, MT and Chuck Schmidt of Elizabeth, IN; and several nieces and nephews.

Alice worked from age 11 various survival jobs through the Great Depression. Paul and she opened their own successful Flower Shop in Erie which she continued to operate after his death. She then spent years being a wife and mother. During this time she taught Sunday School, organized Vacation Bible School; volunteered at school, and worked for political candidates. Later she worked for the Erie County Voter Registration Office, where she retired in 1983.

Alice thoroughly enjoyed talking about politics, Rod Stewart, opera, Bon Jovi, MSNBC, black cows, milk chocolate, slot machines, shopping, camping (especially at Yellowstone) and God's nature. Her gift of gab will never be forgotten by those she touched. She could and would talk to anyone about anything. Her family and friends were enamored and awed by her vast knowledge and varied interests, her keen wit and zest for life, and her ability to flirt even at age 94. She was an avid reader and listener of current events, and loved being a Democrat! She always had time to talk and time to listen.

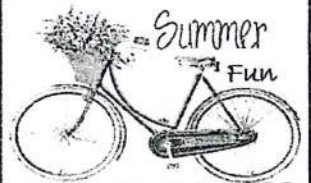

A memorial service and Celebration of Life will be held at The Legacy community building, 1000 S. Hwy 91 on Tuesday, June 30 at 3:30 p.m.; Pastor Karen Disney officiating. Her cremated remains will be taken back to Erie, in August, and placed next to her husband, Donald, who has been waiting for her since 1999. In lieu of flowers, memorial gifts can be designated to purchase a bench for JC Park for all to enjoy; and for all to remember this remarkable "young" woman.

Montana Wing Civil Air Patrol

The Montana Wing Civil Air Patrol is searching for history pertaining to the CAP's presence in Beaverhead and Madison Counties. We are looking for old news articles, old squadron meeting locations, unit memorabilia such as patches and symbols, and some people who wouldn't mind talking about their experiences in the Dillon unit. Much of the unit's history was destroyed in the 70's and 80's and we are looking to restore some of the area's history. If anyone has any information they can send it to spencer.gilchrist@mtwg-cap.us. Questions about the future presence of the CAP in Beaverhead county may also be sent to that e-mail.

The Civil Air Patrol is the official auxiliary of the U.S. Air Force. We are a nonprofit organization with 58,000 members nationwide, operating a fleet of 550 aircraft. CAP, in its Air Force auxiliary role, performs about 85 percent of continental U.S. inland search and rescue missions as tasked by the Air Force Rescue Coordination Center and is credited by the AFRCC with saving an average of 70 lives annually. Its unpaid professionals also perform homeland security, disaster relief and drug interdiction missions at the request of federal, state and local agencies. The members play a leading role in aerospace education and serve as mentors to more than 24,000 young people currently participating in the CAP cadet programs. Performing missions for America for the past 73 years, CAP received the Congressional Gold Medal in 2014 in honor of the heroic efforts of its World War II veterans. CAP also participates in Wreaths Across America, an initiative to remember, honor and teach about the sacrifices of U.S. military veterans. Visit www.capvolunteernow.com for more information.

ELKS HELP CATCH FISH

The Dillon Elks Lodge was able to provide supplemental financial support to the Beaverhead Outdoors Association (BOA) for last Saturday's annual Kids Fish day at the Kids Fish Pond. We encourage everyone to help support this fun activity for youngsters next year so that a worthy local tradition can continue.

Work on Lost Creek Trail Resumes for the Season

Construction has started for the second season on the Lost Creek Trail No. 8133 located at the north end of the Lost Creek State Park near Anaconda. Work on this trail is being accomplished with a contract crew from Scott's Fire Service comprised of Anaconda, Dillon, and Helena area school teachers and paraprofessionals. In 2014 two bridges were replaced and portions of the seven mile trail were reconstructed.

The crew is returning this week to continue working on reconstruction, reconditioning and drainage of the trail tread along the seven mile trail. Work is expected to be completed by September 2015. During

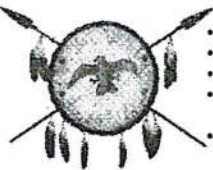

Photos of bridge and trail reconstruction work from summer 2014

the construction period the trail will be closed to public entry for safety of the public as well as the contractor and their equipment. For more information contact the Pinter Ranger District at (406) 859-3211.

Planning Board/ Beaver Pride

By: MJ

Cities Director of Operations presented to the Planning Board a letter with maps attached from DOWL Engineering firm summarizing the Preliminary Plat Revisions for the Beaver Pride Subdivision. Mr. Stoker was in attendance to answer any question and explained that Beaver Pride has been following the laws and keeping the city representative on the project informed of all revisions. Communication between all parties involved may have been a problem.

Mr. Mooney, a planning board member distributed a letter he had drafted, to give the members ideas of how to follow the laws and establish findings and recommendations on the revisions made on the Beaver Pride sub-division. The board now has two (2) letters to consider; one from DOWL in which a city representative was telling them was all they needed to vote on and the draft letter from Mr. Mooney explaining there was more for the board to consider then just the DOWL letter.

It was a lengthy meeting and made the saying "The mind can only stand what the butt can endure" a true statement. At the meeting board members were trying to play catch up on information that they were not aware of before this meeting in order to make recommendations to the city council.

Francis Galton found that under the right circumstances groups of people are intelligent even if they are not especially well-informed. The group can still collectively make a wise decision. People more often than not have less information then they would like and will often accept a decision that seems good enough. We also let emotions affect our judgment however; our collective intelligence or "the wisdom of crowds" is often excellent.
