Luminaria for the Relay for Life

So many people "light" our lives. Now it is our turn to be a "light" for our loved ones that endure the battle with cancer. You can honor or memorialize that special someone by purchasing a Luminaria that will be displayed at the Southwest Montana Relay for Life on July 24 -25. This year we will be setting up the Relay on the Kennedy Walking Path at The Barrett Hospital. A minimum donation of $5.00 a bag will help us all look to a brighter future without cancer. You may honor survivors or ones currently facing the courageous fight with cancer. Let's celebrate birthdays and our survivors! Caregivers of those special survivors may also be honored with purchase of a Luminaria. Also you may memorialize a loved one that has passed away from cancer with a Luminaria. Decorated or plain bags, that you can decorate, can be found at the 3-D store, the NV Salon, or the KnockAbout. Kirsten at the KnockAbout is setting up a table so you may decorate the bag right at her store. Please be sure to print the name of your special person clearly on the bottom of the bag so we can add the name to the list that will be read during the Lighting Ceremony. We would like to have all bags turned in by July 22nd but will add bags until the lighting ceremony.
Anyone wishing to help set up the bags may come to the Hospital at 4:30 pm on July 24 or clean up at 7:30 am on July 25. Ask for Deb and she'll gladly give you a chore ☺! Please contact Deb O'Neil @ 683-5733 for further information.

Come one and come all to the Lighting Ceremony that will begin at dark at the Kennedy Walking Trail at Barrett Hospital.

DILLON PUBLIC LIBRARY PROGRAMS

Pajamas in the Parks is basically bedtime stories read to the children from the park-like setting for the next three Tuesdays in the Library's back yard at 7 pm. Bring your kiddos in their pajamas, with their favorite stuffed toy and blanket. In case of inclement weather, the program will move into the Library's basement programming room. The programs are free and open to all children and their family

Beaverhead-Deerlodge NF to Host Open House to Discuss Travel Analysis

The Beaverhead-Deerlodge NF in cooperation with Beaverhead County will be hosting an open house to provide information and gather information about the Forest developed road system. The open house will be held Wed., July 15, from 4 p.m. to 7 p.m. at the Forest Supervisors office located at 420 Barrett Street in Dillon.

This effort is being undertaken to meet requirements to assess the current developed road system (36 CFR212.5 and Forest Service Manual 7712). This analysis is not a decision making process and it will not change or modify any existing decisions about motorized travel.

The analysis incorporated available data and tools including the 2009 Forest Plan goals, objectives, standards and guidelines. This analysis looks at which system roads are most important for access and management, and which system roads pose the greatest risk to resources.

The public is invited to stop by anytime between 4 and 7 p.m. Forest Service employees will be available to answer questions and demonstrate how to use the interactive mapping tool that is available to provide input. Hard copy maps will also be available to review. This interactive map is available on the Forest website: http://www.fs.usda.gov/bdnf

New Documents adopted by City Council

By: MJ

The entire council was present at the July 1, 2015 council meeting.

The council voted unanimously to accept a "Revised Policy for Signing of any Documents" that prohibits the signing of any contract of making commitments on behalf of the City of Dillon without the approval of the Mayor and a "Purchase Order System" for the City of Dillon. For the purchase orders there will be a pre-approved list of purchases and a month training period prior to full the implementation of the policy. In the Finance Committee June 25th meeting there was extensive discussion on these two policies with Fire Marshall, Director of Operations, Mayor and committee members. There was some concerns by the Director of Operations about this document being used to terminate employees unfairly. The issue is clearly address in the policy that was accepted by the council.

These policies are being established to help eliminate budget shortages, assist in preparation of future budgets, identify the availability of funds before items are purchased and follow Section 2.04.045 of the Dillon Municipal Code that outlines the mandatory duties of the Mayor. City Attorney Mr. Dolan has reviewed both the above listed policies.

Beaver Pride Subdivision: Unanimous vote of council to approve the revised changes to the original preliminary plat.

Zoning Committee May 21, 2015 minutes: Committee sent their recommendation to the council to charge a $500.00 fee for cell tower applications. Minutes were unanimously approved with changes. NOTE: There is a new cell tower being build where Williams Feed store was located.

City Attorney Dolan advised the Commission of a few issues in the new zoning document that needs to be fixed. **Example**: the lack of a zoning map, U Zones unidentified, actual language in setting fees, definitions not in alphabetical order, remedying the definitions of various zoning district, medical marijuana is not addressed in document… As of this printing there is a zoning map that has been accepted by the zoning committee.
