### STAMPEDE!

Saturday, July 11 at 7 pm in the old church at Bannack the Western Music Association performers, STAMPEDE! will perform. This multiple award winning Western music duo brings good music, classic and original, harmony, humor and just downright good fun to the stage. STAMPEDE! delivers the absolute best every time and will leave you laughing or crying but you'll go away knowing you have been entertained by one of the best groups in Western Music today.

The group is made up of the husband and wife team of Steve Taylor, "The Safest Driver in the West" and pretty darn good on that upright bass and Terri Taylor, dubbed "The Epiglottis Goddess" and labeled "a Triple Threat" by Ranger Doug of Riders In The Sky who also gives her credit for being the inspiration for his song, "Jessie, the Yodeling Cowgirl" from the movie Toy Story 2. Terri is a 2 time award winning yodeler and an award winning singer/songwriter and received the Song of the Year Award from the WMA in 2005 for her song titled, "Colors (of the West)." Several of her songs have been recorded by other artists. STAMPEDE! has been voted by their peers and fans as one of the Top 5 Duo/Groups in The Western Music Association since 2006.

Dust off your hat, shine your boots and get here early for a good seat. This program is sponsored by the Bank of Commerce. All Saturday programs are free, out of state vehicles pay a \$6.00 park admission fee. Park hours are 8 a.m. to 9 p.m. every day. For more information call the park at 834-3413.

### Whetstone Ridge Fire

A Wildland Fire was detected: July 8, 2015

Cause: Lightning and Current Size: Estimated 5 Acres with containment: 0%

Resources on Fire: 11 firefighters and one heavy helicopter

Resources Ordered: 2 Crews

Location: Approximately 25 miles SW of Philipsburg, MT in the Frog Pond Basin area.

The fire is burning in subalpine fir and heavy dead and down timber along Whetstone Ridge. Firefighters have good access to the fire and will be working today to establish a fireline around the perimeter. They will be utilizing a helicopter to provide water to cool down hot spots within and near the perimeter.

Areas of Concern: Cabins located within and near the Frog Pond Basin. Safety Concerns: Safety of the public and

# Thank You to Elected Officials

By: MJ

I have been writing about the happenings at the city for several years now. Since I have been writing I have learned that the elected officials have a job that the majority of us would not want. I have watched the changing of the guard (council members & mayor) in the last year. I must say that it has been inspiring to watch the newly elected officials readily step up to the plate. They have spent countless hours attending meeting after meeting, educating themselves on the requirements of their positions, being proactive in discussions at council and committee meetings, gathering all the factual data possible before making decisions... See for yourself by taking time to attend a meeting or two and give your support for those people who are doing a tireless, unforgiving job for your community.

Is there problems that still need to be addressed and solved? Of course. Is everything being done the way you want? Of course not. From the many hours of meetings that I have attended I can say the community is fortunate to have a group of people making decision from facts gathered and by following procedural rules, regulations, and laws/statutes for fair representation of all.

*I do the best job I can when writing about the local government topics. I do not write to condemn or praise. Gather your own facts. The city web site, [dillonmt.org](http://dillonmt.org) is easy to use and posts a copious amount of information at your fingertips. The ladies behind the desk at city hall are very helpful if you need a copy. The cities watch dog welcomes a tummy rub.*

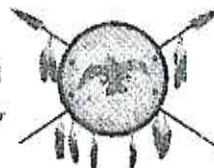

Gossip is cheap and spiteful. What we think and decisions we make are swayed by what is happening in our life at any given time, who we are talking to, how we feel, the visual picture, our depth of involvement, how we hear a conversation... Because we are mere humans gossip is a part of how we function; however it does distorts and slants facts. Communication is therapeutic.

# NOTICE OF PUBLIC HEARING

The Dillon City Study Commission will hold a hearing on Tuesday, July 14, 2015, at 7:00 o'clock P.M. in the Council Chambers at City Hall. The purpose of the hearing is to gather citizen input on the form, functions, powers and problems of City Government and adequacy of City Services. For information regarding the hearing contact Jani Olsen at City Hall, 125 N. Idaho Street, Dillon, Montana, or by telephoning (406) 683-4245.

**THANKS FROM DILLON ELKS**

The Dillon Elks Lodge would like to thank all of the individuals and organizations who contributed their resources, talents, and time towards this year's Spaghetti Feed for RATPOD - an annual benefit for Camp Mak-A-Dream. This event is a win-win-win for the organizers, our Lodge, and the Dillon/Beaverhead community as a whole. A job well done!

Our Lodge has served many useful roles in our community for many years, but our facilities and our membership are aging. Our swamp cooler, dishwasher, and plumbing have all recently gone critical and have costly issues needing early attention. So if any businesses or individuals or organizations in the community would like to step forward to give us a hand, please contact Linda at 683-5552. Interested in becoming an Elk? Contact Bob Anderson at the same number. Your assistance and support in helping secure our future would be greatly appreciated.

Also, please note that a Benefit is being organized for Ashley Moon to offset the catastrophic costs associated with her injuries and is scheduled for August 21 at the Lodge. Further details will be forthcoming.

**Bulldog basketball inks Fergus High School standout**

Montana Western head basketball coach Steve Keller has announced the signing of Morgan Ray, a 6-foot guard from Lewistown, Mont. to an NAIA Letter of Intent.

"We are excited that Morgan Ray as decided to join our basketball program at Montana Western," stated Coach Keller, "Morgan averaged more than 15 points per game and is a very good 3-point shooter."

Ray was selected first team all-conference and named offensive MVP for Fergus High School in Lewistown, Mont. after averaging 15.29 points per game, 4.5 rebounds per game, and 1.7 steals per game, while shooting better than 38% from 3-point territory as a senior.

Morgan played at Fergus High School for former Western standout, Jeff Elliott.

Ray was not only a standout on basketball court where he earned four varsity letters, Ray was also a four-time letter-winner in track and field. He also garnered first team all-conference honors at outside linebacker on the football field, where he was a three-year letter-winner.

Morgan Ray is the son of Morey and Laurie Ray, the honor roll selection plans to study Business Administration at Montana Western.

"We look forward to watching Morgan's progress at Western," stated Keller.
