Be on the watch for Summer Readers!

In conjunction with Dillon Public Library's "Every Hero Has a Story" summer reading program, participating children will be helping with two campaigns.

At the regular Summer Reading Program on July 2nd, those in attendance listened to and watched a wonderful slide show presented by Steve and Jan Mock who have recently returned from a 3 week visit to Nepal to help in the recovery efforts from the devastating earthquakes which occurred in Nepal in late April and early May. Steve and Jan were in the town of Phortse, Nepal where Steve is the Co-Director of the Khumbu Climbing School. After the July 2nd program, the children made collection cans which will be distributed to businesses around town. The purpose of these cans is to collect money for Dillon's summer readers to give to the school officials in Phortse to help replace the Magic Yeti Library, which along with the grade school was destroyed in the quakes. The library and school will be combined in one new building. Steve Mock regularly visits Nepal in conjunction with his work at the Climbing Center, and he will be there again in January of 2016. He will personally present the money we collect to the Phortse Librarian, Phu Doma Sherpa. Though the collection cans in Dillon stores will end on July 23rd, we will continue to have a donation can at the Library through Christmas. The money we collect will go directly to the cost of rebuilding the Magic Yeti Library with no overhead costs for administration of the funds. We feel fortunate to have a direct connection through Steve Mock that allows us to contribute so directly to the children in Phortse, who will greatly benefit from the restoration of an institution as important as the Library. Please give generously when you encounter these collections cans in area businesses.

Library's regular program was "Heroes, Magic and Books," presented by the incredible Mr. E. He entertained the children with his magic show and with his encouragement of their summer reading activities. After the program we launched another "campaign," this one entitled "Readers Feed Eaters." Children in the program have been earning Courageous Cash by attending programs, spending time reading, being read to or listening to books. They are awarded one dollar of Courageous Cash for each half hour of reading. With some of their Courageous Cash and with the support of parents, the children will be asking neighbors, friends and relatives to purchase a canned or boxed food item in exchange for one of their Courageous Cash dollars. The children decorated collection sacks and will be approaching people between now and the end of the campaign on Thursday, July 23rd. The Library wants this campaign to be a voluntary, fun and novel way to give our children an opportunity to help others by "spending" their valuable reading time on a community good. We hope you will agree to participate and support this program when you are approached by a summer reader who wants to buy a dry food item with a dollar of Courageous Cash. Remember that they spent ½ hour of their time earning that dollar!

If you have questions regarding either one of these summer reading "campaigns," please call the Dillon Public Library at 683-4544. Any library staff member will be able to answer your questions.

Attorney General Fox and Montana Highway Patrol to Hold First National Conference Targeting Repeat DUIs

Focus Will Be on Success, Expansion of 24/7 Sobriety Program

The Attorney General's Office and the Montana Highway Patrol announced today they will host the first ever National 24/7 Sobriety Program Summit, September 13-15 in Big Sky. The event, endorsed by both the National Association of Attorneys General (NAAG) and the Conference of Western Attorneys General (CWAG), will bring together leading industry experts and law enforcement officials to highlight and discuss all aspects of this award-winning sobriety program.

The 24/7 Sobriety Program originated in South Dakota ten years ago and is based on a very simple premise: A judge can order anyone accused of his or her second or subsequent DUI offense to submit to twice-daily alcohol breath tests or wear an alcohol-monitoring bracelet as a condition of release prior to trial or as part of sentencing post-conviction. The defendant must incur all costs associated with monitoring.

"The 24/7 Sobriety Program has a proven track record in Montana of holding offenders accountable," said Attorney General Tim Fox. "Since 2011, over 579, 000 tests have been given to program participants, with a 99.7% success rate. I invite the public to learn more about how this program changes behaviors, all at no additional cost to the taxpayer." Most Montanans live in counties where the 24/7 program is active; currently, 23 Montana counties are enrolled. Last year, a Rand Corporation study indicated that participation in the 24/7 program reduced the probability of DUI re-arrest in Montana by 45% to 70%.

The Montana Highway Patrol is coordinating the National 24/7 Summit. Colonel Tom Butler, Chief Administrator of the Montana Highway Patrol, said, "The conference will trace the history of the program, approaches to crime and addiction, discuss the research surrounding the program and show other agencies how they, too, can implement it successfully."

Scheduled speakers include Judge Larry Long, founder of the 24/7 Sobriety Program; National Highway Traffic Safety Administration Director Bill Watada; Attorney General Tim Fox; and Colonel Tom Butler, Chief Administrator of the Montana Highway Patrol.

For more information, visit http://24-7summit.dojmt.gov/ or contact Kristin Banchero at the Montana Highway Patrol at (406) 475-1670 or kbanchero@mt.gov.

BANNACK DAYS TO BE HELD JULY 18 and 19

Each year during the third weekend in July the old ghost town of Bannack comes alive in a celebration of pioneer life. This year, the annual Bannack Days Festival will be held on July 18 and 219. Activities will begin 9 a.m. Saturday and run until 5 p.m., then from 9 a.m. until 4:30 p.m. Sunday. Some of those activities include: horse and wagon rides, shootouts, gold panning and candle making. Plus, guests can enjoy cowboy poetry and old time music throughout both days. Visitors can also check out a mountain men camp, blacksmith shop, surveyor's camp, the Great Debate on women's suffrage, and a 1800's U. S. Cavalry camp. There is something for everyone, along with plenty of tasty food and drink.

The stagecoach from Virginia City will be arriving at 1 p.m. on Sunday. Rumor has it that Governor Edgerton and other dignitaries will be aboard along with a big gold shipment. Road Agent activity has been noted recently along the Bannack to Virginia City road. The Vigilantes have issued notice that anyone caught engaging in criminal activity will be the guest of honor at a necktie party! Sunday is a great day to visit as the crowds are smaller and the old time church services, the blacksmith and the stage holdup are on Sunday only.

Many visitors like to dress in period costumes to get into the spirit of things. Bring the family out to Bannack State Park for a fun-filled weekend. Come see what the old west was really like!

Please carpool if possible, as parking is limited. There is a special event fee of $5 per car load for Montana registered vehicles and $10 for out of state vehicles to help cover the cost of this event. Please share a ride to help with our parking and to conserve fuel. Bannack State Park asks that you PLEASE DO NOT BRING PETS TO THIS BUSY EVENT.
