Ruth Louise Wheeler,88

Ruth Louise Wheeler,88 of Dillon, Montana passed away at Parkview Acres Care and Rehabilitation Center on July 20, 2015. She was born in Rural Madison County on June 26th, 1927 to Ralph and Clara Redfield. A visitation is scheduled for Thursday, July 24th from 5 - 8 PM with services on Friday, July 25th at 2 PM at Brundage Funeral Home. Burial will be at the Point of Rocks Cemetery. A guestbook is available online at www.brundagefuneralhome.com.

Karen Jean Gibson 1971-2015

Karen passed away in her home on July 19, 2015 leaving our lives entirely too early. Though our hearts are full of grief and sorrow, we take comfort in knowing she is pain free and in the loving arms of her Mom, Patricia. Karen's love shines all around us, gleaming from her husband and children.

Born July 6, 1971 to Keith and Patricia Redfield in Sheridan, MT. She was born a true "tom-boy" from the get go. Spending her young days at the horse races in Billings, MT with her mom and dad, she also filled her days climbing trees, wrestling, playing basketball, and drinking chocolate milk.

Karen worked in numerous jobs throughout her young life. Hard working, smart, and gentle, she put all she had into every job. She met the love of her life and best friend Kyle Gibson, while Karen was working at the A & W. Kyle sold fireworks in the parking lot, and Kyles brother Justin, might have had a hand in their joining together. Kyle and Karen were united in Marriage on Sept 7, 1993 in Las Vegas, NV. It was a fun and crazy day surrounded with family. Karen and Kyles family started in 1997 when their daughter Tea was born in Alliance, NE. After making a move to Dillon, MT, their son, Sawyer was born in 2001.

Karen always put her kids and husband first, spending her life making theirs better. Karen took every bit of energy she had and gave it to her work and her family. She enjoyed her work at Sportswear and Design working side by side with Kyle. They built a business together and they built a life together. Karen often reminisced of her trip down the Oregon coast and her trip to Astoria. She talked of living and retiring in Billings.

Karen is survived by her husband Kyle, her daughter Tea (18), and her son Sawyer (14), 5 siblings, many aunts and uncles, and many cousins. She was proceeded in death by her mother, Patricia Keene Redfield.

A private family service has been held. In lieu of flowers memorials can be made to a charity of your choice.

Zoning meeting 7/20/2015

By: MJ

The committee had a packed agenda on the table. *Do to the dedicated commitment of the committee, 2 ½ hrs. later they reached the last item on the agenda.*

Barrett Ave Development. 20+/- people attended the meeting that had interest in the Barret Ave. development of 2-4-plexes. The majority of the public presented their opinions and asked questions in a respective, orderly manner. One member in the audience expressed discontent with how the city conducted business and felt the city made it difficult for investment opportunities to succeed.

Problems addressed concerning the complex development is that it does not comply with Americans Disabilities Act (ADA) or the Fire Code. Mr. Later, the Fire Marshal Assistant representing District #2 and City of Dillon explained to the committee and public that on June 11, 2015 he met with City Director of Operations J.S. Turner at the development sight and discussed the problems the development had conforming with International Fire Code that was adopted by the city of Dillon. On June 15, 2015 after meeting with Mr. Later, Mr. Turner signed the zoning compliance permit allowing the development to proceed knowing it would be out of compliance. Mr. Turner told the committee he reviewed the application and found everything in order with the zoning document requirements. *Yes, it is true the fire code is not clearly addressed in the zoning document however, the city does have an ordinance that adopts the International Fire Code.* The Zoning Committee has ask Mr. Turner for a drawing of the final plat that was presented to him as the zoning administrator for city, prior to receiving the zoning certificate permit. appears that those drawings have not been presented. **NOTE:** Other issues that were politely brought up by the public were safety, play areas for children, adequate water/sewer, parking, vehicle egress and ingress…

Question: *The attorney representing the developers was in attendance and stated that the owners had a signed permit from the city of Dillon's Administrative Officer, Mr. Turner. The owners were a no show. Mayor Klakkan stated that he was hoping that owners would attend the meeting allowing for open discussions and finding solutions for problems so they could move on with their building project. Is this conflict laying the ground work for a law suit, is the city being hung out to dry and if so who are the players and who is going to pay?*

It appears there are major problems with communication, deception, insincerity and honesty between people in positions that make the decisions representing the citizens (taxpayers) of Dillon. This conflict between employees and elected officials needs to stop thus allowing a united team to move forward with issues like water lines, manholes, street repairs, waste water treatment plant odor problems, having enough money to make the Glendale Street bond payments…

Historic Residential Area: There were people in attendance interested in changing the zoning on the south end of Idaho Street from commercial to historical residential. **Question:** Should the area be zoned historical residential or historical commercial? The area already has a commercial business within the boundaries of the area being addressed for zoning change. **Question:** Would changing zoning to historic residential allow for the ultimate removal of Briggs Construction business that is in the area? These are issues the zoning board will be considering and the public will have an opportunity to express their views at the public hearing that will be held. You hear people say that Briggs Construction will be grandfathered in but is that what the governing zoning document says? It appears that the zoning document has many conflicts, is vague and unclear in some areas. The zoning committee is aware of the problems and is actively addressing them. The wheels of government turn slowly. Let's give them some time and continue to work with them bringing out the areas of concern.

OSTEOPOROSIS PROGRAM KICKS OFF WITH DISCOUNTED CLASS

Barrett Hospital & HealthCare Rehab Services is proud to present a new program for individuals with the diagnosis of osteoporosis. Osteoporosis is a condition in which the bones grow weak or brittle and it affects over 200 million people worldwide. 15-40% of these people will suffer a fracture as a result of their bones growing weaker. Did you know that exercise can slow bone loss and help prevent fractures? The Healthy Bones for Life program was developed to teach exercises that strengthen and support the bones, while learning how to avoid movements that can damage the bones. Participants in the program will also learn how to improve their balance, posture, and flexibility. Healthy Bones for Life is individualized to each participant, and allows one-on-one contact time with a skilled physical therapist.

To kick off the Health Bones for Life Program, a 2 hour class is being offered August 6th from 3:00 – 5:00 PM in the Barrett Hospital Rehab Services Department. The class cost is $20, which is a special discounted price.

For more information or to register for the class, please call Barrett Hospital Rehab Services at 683-3098.

Letter to the Editor for Chuck Dishno and a lot of others.

From: LaVon D. Brillhart

Chuck do you remember the good old days? I know you do! When you drove into a gas station and ran over a little hose that rang a bell. A man from inside ran out to your car, smiled and said, "fill er up?" And he did, plus washed your windows, checked your oil, looked at your times, took your money ran inside and brought you your change. He tipped his hat called you by name and said, "see you later."

Now you drive into a gas station and a big sign on the pump says, "you must pay inside before you pump gas." They want you to buy their gas but they don't trust you. You look at the price of gas and begin to cry. A sticker on the gas pump tells you how much tax you are paying per gallon. Which is way more than you paid for a gallon of gas in the good old days. You go inside and give them a fifty dollar bill and tell them you are on pump???. The lady says, "what pump are you on?" You reply, "I don't remember, the blue car out there." You look outside and there are four other blue cars. You finally get the right pump, go back, lift the nozzle put it into your tank and it seems even before the gas starts the pump says, $3.65. The numbers go around faster than a run away ferris wheel. You blink and it says, $45.78. Finally the tank is full. You swallow hard,put the nozzle back and walk slowly inside to get your change Once inside there are nine people in line to pay. Some with candy,some with chips and pop. And you just want your change back. You finally get to the check out counter and the lady says,"did you get gas?" You reply, "yes" and she says, "what pump?" And it was so long ago you forgot. You finally get your change back,$4.22. You look at your change and think about the good old days. You could have filled up your car for less than $4.22. You drive home in your filled up car, with dirty windows, and not enough money to buy a pound of bologna. Next time I will tell you about the price of bologna in the good old days. Chuck where did the good old days go??

Selvig hired as assistant Women's Basketball coach

Carly Selvig has been hired as an assistant coach for Montana Western's women's basketball program, head coach Lindsay Woolley announced on Monday.

Selvig, a graduate of Dawson County High School in Glendive, Mont., joins the staff after a successful college career at the University of Montana.

During her time as a member of the Lady Griz, Selvig compiled an overall record of 87 wins and 42 losses, two conference championships, two trips to the NCCA tournament, one Women's National Invitational Tournament appearance, and was a two-time Big Sky Conference Defensive Player of the Year selection.

Carly left her mark in Montana's statistical record books as well. Selvig finished with career averages of 4 points per game, 4.4 rebounds per game, and 2.1 blocks per game. Her statistics placed her #1 and #6 on the single season blocks list with 88 and 78 respectively, #1 on the single game blocks list with 10, and #2 on the all-time blocks list with 258 rejections in her career for the Lady Griz.

"We are excited Carly has decided to join our program," said 4th-year head coach Lindsay Woolley, "she comes from a great basketball family and has played for excellent coaches in Richie Powell and Robin Selvig, her uncle, during her basketball career" Woolley continued.

The Bulldogs of Montana Western are optimistic that Carly can bring knowledge to the interior game as well as within the state of Montana, "we think Carly is going to do an excellent job in helping to develop our post players," stated Woolley, "as well as recruiting within the state of Montana."

Carly is the daughter of Doug and Anita Selvig, she has one sibling, Derek. All of whom played basketball at the University of Montana.

She graduated in the spring of 2015 from the University of Montana with a bachelor's degree in Communication Studies.

Beaverhead River Cowboy Church!
At the 4H Building
Beaverhead County Fairgrounds
Dillon, Montana
Every Sunday 10:45
New Church!
New Beginnings!

Beaverhead River Cowboy Church is having it's very FIRST SERVICE this Sunday, July 26, 2015 at the 4H building located on the Beaverhead County Rodeo Grounds in Dillon, Montana! We will have coffee and doughnuts at 10:45 during our "Meet and Greet". Service begins at 11:15 Good music, good worship, and all in a Western atmosphere.

Beaverhead River Cowboy Church is dedicated to reaching both Christians and the unsaved from all walks of life with emphasis on the Western Culture; from working cowboys to those who just love them.

Have you wondered about your soul? Are you positive you are going to Heaven? Are you ready for Christ's return?

We are living in historical times. Life is changing faster than anyone could have ever imagined. The Bible has predicted this for 2000 years.

We are a church where you "COME AS YOU ARE." We are the community you used to know, those folks at the Feed Store or the Sale Barn, The ones you recognize at the rodeo or the coffee shop, the ones you wave to when you pass them on the road. We are the ones you remembered having respect for America, Love for our Country, Honoring our Flag, and Worshiping our Father in Heaven.

If you believe the Bible is the very Word of God. If you value Morality and the America that used to be, you will be at home here.

Come join us. Worship God the Father and his Son Jesus Christ with us.

Learn what THE BIBLE teaches about today and more importantly, tomorrow. And prepare yourselves and your family for the future.

Come join our family.
And God Bless You.
