Norma Jacqueline (Jackie) Cross

Norma Jacqueline (Jackie) Cross passed away after a long battle with cancer on July 23, 2015. She was surrounded by family and friends. She was born to Norman and Trula Mae Miller in De Queen, Arkansas on August 28, 1939. When Jackie was two, her mother passed away and she was adopted by the Maynard family.

Jackie met Marion Cross in Cottonwood Falls, Kansas and they married in 1958 and moved to Dell in 1960 and later to Dillon where they would raise their three daughters. She was well loved and respected in the community. After retirement, Marion and Jackie moved north of town where Jackie continued her passion for baking, quilting and craft. She was a member of Dillon Baptist Church for 30 years. Her faith wasn't something just spoken about, she lived by example. Her life was filled with joy and passion even during times of pain. Her husband, Marion, precedes her in death. She is survived by her three children, Trula Kay Blize of Flourissant, MO, Diane Gleason of Hayden, ID and Darlene Cross of Dillon. Her five grandchildren, Jake Gould, Alexia Blize, Melanie Woodruff, Trevor Blize and Austin Cross and two great-grandchildren, Patrick Blize and Ethan Woodruff.

There will be a viewing on July 31 at 12:30 PM and a service at 1 PM at Dillon Baptist Church at 539 Thomsen Ave.

Memorials may be made to Beaverhead County 4-H. Condolences can be left at: www.brundagefuneralhome.com

Intensive Rotational Grazing Pasture Walk

The Beaverhead Conservation District and La Cense Montana Ranch will be hosting a pasture walk centered on intensive rotational grazing July 30, 2015 at 7:00 pm. This event is an informal pasture walk discussing intensive rotational grazing on pivots with Race King, La Cense Montana Ranch manager. Participants will take an up close look at rotational grazing and discuss the process and inputs required for this type of feed management. A pasture walk provides an in-field, on the ground experience to discuss various land management techniques. This experience allows producers and others with interest to discuss true inputs and results, challenges, and successes with the producer engaging in the practice. Intensive rotational grazing offers an alternative to traditional irrigation pivot crop production harvest. Join us to learn more! For more information contact Jamie Cottom at the Beaverhead Conservation District 406-683-3802 or beaverheadcd@gmail.com.

Message from reader on the internet

Message: I am happy to live in a community where we are free to slap up posters etc about upcoming events, garage sales etc. For the most part they are taken down after the event... except I see the black arrows everywhere. I live near the KOA and actually had a traveler ask if it was a local scavenger hunt or some other game. I had to explain about RATPOD and what it was. Hopefully the organizers will be responsible and take them down like most of the rest of us do.
 Thank you

**DILLON AREA FALL 2015 HUNTER
 EDUCATION COURSE**

The fall Hunter Education course will be held at the Dillon Middle School on August 17, 18, 19, 20, 21 from 9 am - 12 pm. The Field Day will be held on Saturday, August 22, from 9 am - 12 pm at the Dillon Rifle and Pistol Club Range. In order to successfully complete the Hunter Education course students must attend ALL 5 classroom sessions, pass a written test and attend the field day.

To register for the Hunter Education course students must be registered on the Montana Fish, Wildlife and Parks website, fwp.mt.gov, for the Dillon class. Hunter Education courses are found under the "Education" tab. Students are required to read the first three chapters and answer the quiz questions of the Montana hunter Education Manual prior to August 17. The manual can be obtained from the Dillon Public Library or Montana Fish, Wildlife and Parks office, 730 North Montana St. Students will not be admitted to the class if the assignment is not completed.

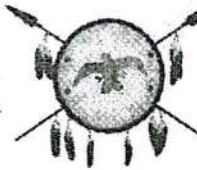

We hope this course will be successful for all students and they enjoy a safe and rich hunting experience this fall.

For further information on Hunter Education please call Kerry Wahl 490-0956; Craig Fager 683-9305 or Don Darling 683-5088.

Feeling Alone versus Loneliness

By: MJ

Being alone while enjoying the peacefulness Mother Nature offers is not the same feeling as loneliness. If you are in the company of people where there is no conversation, where emotions and hurt feelings are causing you to walk out or not talk, you might be opening yourself up for loneliness. We all have our own styles of "checking out." Humans have a tendency to shut down, blame others like their boss, husbands, wives... *Reality is we cannot change anyone else however; we can change ourselves and our own behaviors.* Research shows that friends and family are key players in what makes us happy and those relationships require participation from the players.

Loneliness is a feeling of emptiness in our hearts. It could be a feeling where you feel you are on the outside, cut off, and not accepted. Maybe you're feeling loneliness because you feel inadequate when participating in conversation, because you lost a loved one, because you are physically isolated in your work environment... Owning your own business and being your own boss, doing what you love often means you are alone and loneliness can creep into your world. Co-working places have advantages and provide outlets for communication.

Loneliness is not the same as being alone. A person will always have time when they chose to be alone. Rather, loneliness is the feeling of being alone and feeling sad about it. And, of course, all of us feel lonely some of the time. It is only when we seem trapped in our loneliness that it becomes a real problem.

To overcome loneliness be active, don't procrastinate just get the grunt things done and out of the way first, share conversation with people at coffee, via a phone call, become active in community, take breaks, remembering the happy moments you shared with a loved one that has passed on or the loss of an important friendship/lover...

Let's give the caveman credit for knowing that they had to communicate to survive, have food and to keep themselves from being consumed.

MOMS, CAREGIVERS AND KIDS INVITED TO FINAL "STORYTIME THURSDAY."

Moms, caregivers and kids are invited to enjoy the final "Storytime Thursday" event on July 30, 2015 under the shade trees in front of Curious Minds Preschool on the University of Montana Western campus at 4 p.m.

The final children's literature event features guest reader Alden Cashmore from Frontline Ag Solutions. He will share Dr. Seuss' "Green Eggs and Ham," and a John Deere tale "Johnny Tractor on the Farm." Cashmore is also bringing a small tractor for the children to explore after the reading.

"I've been looking forward to sharing these great stories with local children and I know from experience that they will love exploring a real-live John Deere tractor," said Cashmore.

Curious Minds Preschool is located on the northeast side of the Montana Western campus off Cornell St. Parking is available on the street or in the lot near Mathews Hall.

ABOUT CURIOUS MINDS:

Curious Minds Preschool is dedicated to the academic, social and emotional growth of children three to five years old and is accredited by the state of Montana and the National Association for the Education of Young Children (NAEYC).

It employs licensed educators and university students pursuing an early childhood career and features a curriculum that facilitates child-initiated learning. For more information, please call 406-683-7320.
