OLD TIME BARN DANCE AT BANNACK

Saturday, August 1st at 7:00pm an assemblage of musicians, "The Best of Bannack", will play at the Group Use Shelter at Bannack. This talented group of musicians have been playing at Bannack Days for many years and will be performing old time dance music covering the period from 1862, the year gold was discovered on Grasshopper Creek, through the early 20th century. Dell's own Wally Congdon has brought together an incredible group of musicians including folks from "Packin' The Mail", "Barbed Wire" with John and Joan Bacon of Dillon, Will Hensleigh of Colstrip, Forest Leal of Lima, and the Gilmore City Council of Salmon, Idaho Falls and Ledore, including Doyle Hammond and family, Jerry Eastman and Richard Varany and the Williams family band from Toston, MT. Some of the tunes they will be playing are; Listen to the Mocking Bird, Buffalo Gals, Hometown Jubilee, Soldier's Joy, Golden Slippers and a myriad of others. Dance, listen or visit by lantern light to the acoustic sound of fiddle, banjo, mandolin, mouth harp, bass, vocals and guitars.

Participants are encouraged to dress in 1800's style clothing. The Bannack Association will be providing refreshments. To get to the dance turn right at the sign to the campgrounds and park in the Group Use parking lot. Dust off your hat, shine your boots and join us for an evening of great old time music and dancing.

This program is sponsored by the Bannack Association. All Saturday programs are free, out of state vehicles pay a \$6.00 park admission fee. Park hours are 8 a.m. to 9 p.m. every day. For more information call the park at 834-3413.

ANGLING RESTRICTIONS LIFTED ON BEAVERHEAD, BIG HOLE & JEFFERSON RIVERS

Longer nights, cooler air temperatures and some much needed rain have brought down the water temperature of several southwest Montana river systems. Therefore, Montana Fish, Wildlife & Parks has lifted the angling restrictions on the Beaverhead, Big Hole, and Jefferson rivers effective Thursday.

The following stretches of Region 3 rivers remain closed to fishing from 2 p.m. to midnight daily:

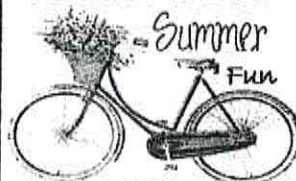

- Ruby River from Duncan District Road to confluence with the Beaverhead River;
- Shields River from its mouth upstream to its confluence with Smith Creek;
- Lower Madison River from Ennis Dam to the Missouri River Headwaters;

Montana Supreme Court Upholds 24/7 Sobriety Program

Yesterday the Montana Supreme Court ruled unanimously to uphold the 24/7 Sobriety Program. The program, which had been challenged by a repeat DUI offender as unconstitutional, requires certain repeat offenders to take twice-daily breathalyzer tests rather than go to jail.

The 24/7 Program was defended vigorously in court by the office of Attorney General Tim Fox, who has also worked to expand the program into more counties over the last two and half years. A majority of Montanans now live in counties using the 24/7 Program.

"This unanimous ruling by the Montana Supreme Court is a victory for all Montanans," Attorney General Fox said. "The 24/7 Sobriety Program is a proven accountability tool for combatting repeat DUI, saving lives, and making our roadways safer. Driving under the influence of alcohol is a significant problem here, and we in the law-enforcement community are delighted that the court recognized both the constitutionality and effectiveness of the program."

"Assistant Attorney General Tammy Hinderman deserves a special thanks," Fox added. "She worked diligently on this case and was instrumental in achieving a clear victory in our ongoing efforts against DUI."

Twenty-four Montana counties use some type of 24/7 system, and the Attorney General's Office is in the processing bringing six more counties into the program. The courts determine who enters the 24/7 Sobriety Program on a case-by-case basis. If an offender fails a breathalyzer test, he or she must return to jail.

Letter to the Editor

Crazydays with the Dillon City Council

I refer to a recent article in the Dillonite concerning a recent city council meeting where a zoning error was discussed and I think it mentioned that JS Turner, Operations Manager for the City of Dillon was in dereliction of his duties. I don't know who MJ is but he certainly seems to exist in a different form of reality than most of us.

I have spent a number of years in construction and was well qualified as a master carpenter or construction supervisor, and I know for a fact that it is the responsibility of the construction supervisor or master carpenter to abide by the city's building codes, not the other way around. Every city has it's own building codes and the first thing a construction supervisor should do is to become familiar with the local codes before he starts construction.

I know JS Turner very well and I know him to be a very capable and dedicated engineer and every time I see him he's working very hard. But then, no operations manager has the capacity to be everywhere all the time, and as I said, it's the responsibility of the construction supervisor or master carpenter to abide by the building codes at all times.
