HELP NEEDED

At one time or another, we have all had something in our house break down and need to be repaired or replaced. Well, it happens at the Beaverhead County Animal Shelter too. They have a piece of equipment called an Autoclave Sterilization Container that they use when doing surgeries. Just as it's name implies, it sterilizes the equipment and other items used during a surgical procedures. Their Autoclave is not working properly and the technician was at the Shelter Monday. As of mid-morning, he wasn't too hopeful that it can be fixed. He is willing to loan them one for a short period of time, but they need to raise the money to buy a new one, which he estimates will be about \$4,000. As you know, they do not adopt out the cats/dogs without them being spayed/neutered. They cannot do these procedures without properly sterilized equipment. If you can help out with this new expense, please note "autoclave" on your donation. Their mailing address is 80 Lagoon Lane, Dillon 59725 or you could drop it off at the Shelter where you will be greeted with a chorus of "thank you's". Those of you who care about the Shelter, and the animals that pass through their doors, have always been generous, so they thank you in advance for helping them meet this financial need.

Water Bills 8.1.15

By: MJ

Attention Water Users: Letters have been mailed by the city, to water users informing them of a "flat rate" billing system.

Mayor Klakken with the help of other personnel, has developed a system that allows you to pay only for the water you use. The new system is transparent, open, honest, and manages the city government within the parameters of laws, statutes, rules and regulations.

- ✧ **Increases:** Yes, there will be 20± establishments that will have increases in their water bills due to the large amounts of water they use and because the billing system is not based on usage.
- ✧ **Decreases:** There will be another 1,700± people that will see decreases in their statements.

Flat Rate billing system: The flat rate requires everyone to pay for what they use only and not be required to supplement establishments/businesses that use a lot of water.

The pros and cons of changing the billing system were passionately discussed at water/sewer committee and council meetings that were advertised and open to the public. 1) There was a city employee that argued against passing the decreases onto the people and in favor of the city keeping any financial gains for other projects. 2) The Mayor's position and argument was for an approach that followed the laws, was truthful, and transparent. The Council members agreed that being transparent, honest and following the laws was the way they too wanted to do business.

Public Hearing: On August 19th at City Hall there will be a public meeting held on the water rate change. It's important for you to support your position by attending the hearing. Remember the saying: "The Squeaky wheel gets the grease". Attending the meeting does not mean you must stand up and speak. Your presence alone makes an influential statement.

~ BENEFIT ~ BENEFIT ~ BENEFIT ~

As many of you know, Ashley Aldene Moon was in a terrible car accident June 27, 2015 and has remained in Harborview Hospital in Seattle since the accident with her parents and younger brother and sister by her side. Ashley is the daughter of Mike & Nikki Herren all of Dillon. Many of her friends are putting together a benefit to help with expenses. The benefit will be held Friday August 21, 2015 at the Dillon Elks Lodge. There will be a Silent Auction beginning at 5 and spaghetti dinner at 6 followed by a live auction!

Her friends are also having t-shirts made up to help support her in her fight and raise a little money. The shirts are available in white with purple lettering or purple with white lettering (from youth XS-6XL). If you are interested in ordering a shirt or several there are order forms at Womack's Printing Place and 3-D. Orders are picked up every Monday afternoon and shirts we are trying to get them delivered Friday or Saturday that same week.

A 2015 Can Am 4 wheeler has been graciously donated by BVHD Motors that is being raffled. Tickets for this are \$20 each or 6 for \$100. The drawing for this will be Monday September 7th at the Elk's after the Labor Day Parade (need not be present to win!) Tickets are available at BVHD Motors, BVHD Home Center, Bitterroot Trading, Womack's Printing, Parisian Cleaners and Gracies!

Purple paracord bracelets and silicone fight the fight/Prayers for Ashley bracelets are also available for purchase. A facebook page called "Prayers for Ash" has been setup so all her friends, family & followers and check in on her progress and send her well wishes.

If you have any questions, would like to purchase an item or even have something you would like to donate to the auction please contact her brother Travis Herren at 406-925-1983 or Kathi Holt at 406-925-3688

DOWNTOWN DILLON IMPROVEMENTS

By: MJ

Have you noticed? On the junction of Bannack St. and Montana there is a sign that explains changes to be made in the near future at that location?

There is a committee working hard to give the downtown area an inviting look by making a few changes. This group has been diligently working for several years on several projects that will make downtown a destination point. Some of their plans include street lighting, trees and creating an "attractive entrance" at Helena and Montana Street junction. Improvements and changes are more often than not pleasing to the eye and may attract businesses looking to relocate

Updating the community by painting, cleaning up garbage, fencing, planting trees and more, rallies the communities outlook on their town and entices the private property/business owners to follow the improved looked by enhancing their personal property/business. It is a slow process when making changes to a community however; the process has started with the Downtown Committee and several business owners making improvements. **Example:** Atomic 79, Dillon Bar, old DI building, Andrus Hotel, Patagonia...

If you have an interest in this committee or the projects the Downtown Committee is working on attend one of the meetings that are noticed by the City of Dillon and are open to the public.

For all returning 7th and 8th grade students, orientation night is scheduled for Tuesday, August 25th also at 7:00 p.m. in the DMS gym. All parents/guardians are expected to attend with their sons/daughters and at this time you may pre-pay for lunches, yearbooks, planners and lock deposits as well as get many of your questions answered. Additionally, class schedules will be handed out.

DILLON MIDDLE SCHOOL FALL SPORTS BEGIN. 7th/8th Volleyball will begin practice on Thursday, August 20st at 10:00 a.m. Football and Cross Country will begin practices on Monday, August 24th at 4:00 p.m. Volleyball and Cross Country are open to any middle school student while football is open only to 7th and 8th graders. All students involved in activities at DMS must be in good academic and behavioral standing to be able to participate. Additionally, all participants must have a completed sport physical, a signed parent permission form, a concussion statement acknowledge form, and an acknowledgement of risk form on file in the office before they may participate in practices. The entire packet is available in the DMS office or you can download it from our website by going to www.dillonschools.org.

Please feel free to stop by and visit with our new and returning staff members. We welcome you to DMS anytime and only ask that you check in at the office and get a visitors pass. A big thank you is extended in advance to all staff members, parents and community members for working as partners in making Dillon Middle School a great place to be and to learn. We look forward to your continued support and a great school year in 2015-2016! If you have any questions, please contact the DMS office at 683-2368.
