Young Bulldogs look to embrace underdog role

Montana Western picked to finish 6th in the Frontier Conference volleyball preseason poll.

The University of Montana Western Bulldogs volleyball team is eager to embrace the underdog role for the 2015 volleyball season.

Montana Western has one senior on their young roster, Mikayla Ness a 5-foot-10-inch outside hitter/right side hitter from Spokane, Wash. The Bulldogs list eight freshmen on their roster and a junior college transfer.

Coach Lisa Griffiths, who is in her fifth season at Montana Western, is looking forward to the challenges they will face this year.

"With so many young and new players, it's no surprise that the other coaches in the Frontier don't know what to expect," stated Griffiths, "We are prepared to use that to our advantage, keep our heads down, and do our best to surprise people."

Despite all the new players on the Bulldogs roster, they return experience, size, and talent from last year's squad. Montana Western returns sophomore libero, Brianna DeCock who played in all 98 games as a true freshmen, 6-foot sophomore middle blocker, Tessa Miller, 5-11 junior Bailey Wilson, a two-year starter, and Frontier Conference all-conference recipient, 6-foot sophomore middle blocker, Joanna Avery.

The addition of so many new faces can be a difficult task to face, although the Bulldogs are eager to overcome it. "We are just starting practice but the new energy and competitiveness is exciting. The team is up for the challenge of learning new things, figuring how to work together, and they are challenging each other already," stated an

optimistic Coach Griffiths.

Montana Western finished 2014 with an overall record of 11-16, a win total increase from their previous three seasons.

Lewis-Clark State edged defending conference and tournament champion Rocky Mountain College as the favorite of the league's volleyball coaches to win the conference title for the 2015 season. Both teams received three first place votes as the Warriors edged Rocky 33 to 31 points in the voting. Carroll College is third with 27 points. Montana Tech and the University of Great Falls tied for fourth with 19 points each followed by Montana Western and MSU-Northern with nine points each. Coaches were not allowed to vote for their own teams.

First place was worth six points, second place worth five points, third place worth four points, fourth place worth three points, fifth place worth two points and sixth place worth one point.

The Southwestern Montana Retired Educators

State President Dr. Doris Balko has sent notification to The Southwestern Montana Retired Educators on winning the National With Our Youth Award. This award is something to be very proud of. It always takes a lot of time and effort to do something special; and winning the National Award is very special, according to Dr. Balko. Dr. Balko also stated, "You had some great competition and your work was extraordinary."

Thanks to all who donated pictures to be used in the scrapbook, without your contributions of pictures this could never have happened. The scrapbook and letter of information and explanation were complied by Otis Anderson and Fran Schisler and submitted to the National Committee the end of May.

There will be a special presentation to all of our unit at the state convention in September.

Letter to the Editor

Re: Dillon City Council Meeting 8.5.15, published Monday, Aug 10, 2015.

John Giere

In the Public Questions paragraph, the Dillonite Daily reported an unnamed woman who stated the proposed new water/sewer rates would increase, and that it would have helped the public (not to mention the City administration) had only the City clarified the Current/Proposed rate structures.

The unnamed woman in question is Marie Giere, whose CV includes the following: I.T for Southern California enterprises; Residential/ Commercial Real Estate in California, Pennsylvania, and Texas; Finance for San Diego and Orange County banks, as well as for the Resolution Trust Corporation; and Vice-President of Shimizu Corporation, one of the world's largest architectural and construction conglomerates. In her latter capacity with Shimizu, Marie was that rare female of any race whose operational judgment enjoyed unqualified deference from her male Japanese bosses. For that confidence placed in her, and facing deregulated utility costs that exceeded $1,000,000 monthly, Marie in 2002 netted $13,000,000 in profits ($17,245,000 in 2015 dollars) for Shimizu, then sold One America Plaza, the premier commercial office building in San Diego, for $300,000,000 ($398,000,000 in 2015 dollars). The buyer was General Electric Capital.

When the August 5 Council meeting concluded, Neal Strauss, the City Treasurer, spoke with Marie, agreeing with her estimation. Put in other terms, that is one money person talking to, and corroborating the data presented by, another money person. In the case of the Giere household, the proposed rates will result in a 33% increase for water alone. And that does not begin to address what is contained in the obfuscatory line item terminology and figures found in the proposed sewer rates.

Dillon citizens like Marie are not, as stated in the Dillonite, "upset over savings," nor did she not "bring the facts," nor did she "spew her own, or someone else's emotional feelings." She is a professional to the core and, having done her due diligence, simply raised issues which need full disclosure to the public.

Community Blood Drive

A Dillon community blood drive will be held on Tuesday, August 18, 2015 from 1:00 PM to 6:00 PM at the Elks Lodge (27 East Center Street). The drive is coordinated by United Blood Services and sponsored by the Presbyterian Church. Appointments can be made by calling 683-3696, or log on to www.bloodhero.com and use the sponsor code "Dillon". Walk-ins are welcome.

A critical number of voluntary donations are required every day to meet the need for blood. Blood can only be stored for 42 days, so it is essential that collection is ongoing. Donors are especially needed during the summer months when many regular donors are on vacation. Giving blood takes less than one hour, is virtually painless and safe. Most of all, it saves lives!

To donate blood, volunteers must be at least 17 years old (16 with signed parental approval), weigh at least 110 pounds and be in good health. A donor must not have donated within the last eight weeks. Please bring your United Blood Services Donor card or a photo ID.

Join us this summer and be a hero!

FIRE UPDATE
Perry Canyon Fire

August 12, 2015, 10:00 a.m.

Contact: Peri Suenram, (406) 683-3967 (office), (406) 370-2144 (cell)
What: Wildland Fire
Detected: August 11, 2015
Cause: Unknown
Current Size: Estimated 50 Acres
Containment: 0%
Resources on Fire: 1 Engine, 8 Smoke Jumpers, 1 Six Person Initial Attack Crew, and 1 medium helicopter
Resources Ordered: 2 Hand Crews, 1 medium helicopter, 4 engines
Location: Approximately 8 miles S of Whitehall, MT in the Tobacco Root Mountains.
Narrative: The Perry Canyon fire was discovered around 5 p.m. yesterday afternoon and is burning on National Forest land and near privately owned land. Currently, no structures are threatened. The fire is burning in mountain mahogany and Douglas fir. Ground based access to the fire is challenging. Eight smoke jumpers and local Forest Service and volunteer firefighters from Whitehall and Madison County worked through the night to build fireline. A medium helicopter is making water drops on the fire to cool the fire and keep it from advancing today. The weather is cooperating with higher humidities and the possibility of rain. Additional resources have been ordered to assist with fighting this blaze.
Safety Concerns: Safety of the public and firefighters is always a primary concern.
Closures: There are no closures in the area at this time.
For more information about this fire and other fires across the country, go online to http://inciweb.nwcg.gov/.

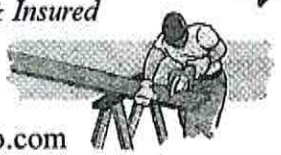

Beaverhead County Preliminary Budget for Fiscal Year 2016

to Fiscal Year 2015. The Fiscal Year 2016 Preliminary Budget also shows a healthy 21.05% Cash Reserve in the amount of $1,746,952. The Cash Reserves have seen a steady increase from a low of 9.09% in Fiscal Year 2007 to the current 21.05% in 2016. Cash Reserves are money used to pay bills from July through November when property tax dollars are received. The County budget has managed to remain steady because of our philosophy of efficiency and the commitment of all County employees to protect our tax payer dollars.

On the Revenue side of the budget, Beaverhead County has a preliminary estimate of $10,006,822 total revenue available. Of this amount, only 31.6% is generated from local Property Taxes. Beaverhead County will assess 4.39 fewer mills than last year. This reduction in mills is because of Newly Taxable Property and any increase in current values. Simply put, if your taxable value remained the same, then your portion of County taxes would have gone down.

45.3% of estimated revenues come from Federal and State Non-Tax Revenues. The primary Non-Tax Revenues from Federal sources are PILT, SRS, RRS, Federal Mineral Royalty, and Taylor Grazing Act. Also, State payments to counties which are accounted for as Non-Tax Revenues include Entitlement Sharing, Gas Tax, and the State's share of the County Attorney's expenses.

23.1% or $2,312,510 of estimated revenues is the cash balance as of June 30 of the fiscal year end. The 2015 year end cash carryover has been a committed joint effort for Beaverhead County and a real benefit to the budgeting process. This is the 7th consecutive year of increasing the cash balance which has been averaging an 11% yearly increase. This improving financial position of Beaverhead County only happens when everyone involved makes a daily commitment to provide the best service possible with a constant eye on available dollars.

Beaverhead County is scheduled to adopt the Fiscal Year 2016 budget on Monday, August 31st. If there are any questions, concerns, or comments with this preliminary budget, the Commission meets every Monday. The budget is also available to the public at the Finance office in the Courthouse during business hours.
