"Walk Off The War"

Sterling Deck: a retired Army Veteran 1993-2013; served in both Qatar & Iraq.

He joined the Warrior Hike "Walk Off The War" Program, a non-profit outdoor therapy program that supports veterans transitioning from their military service by hiking the 3,100 mile Continental Divide Trail, starting at the US-Mexican boarder, going to the US-Canadian Boarder. His group started 4-18, he became ill at West Yellowstone 8-8. Sterling was transported to Bozeman VA Medical Center, (with the help of Sen. J. Tester) where he received medical attention

and medication, then housing with a member of the American Legion of Belgrade. 8-12 Belgrade transported Sterling to Whitehall; Dale Buckingham & P. J. Mahoney met there and brought him to Dillon. Karen at the Sundowner Motel provided a room for 3 days for Sterling to complete his recuperation.

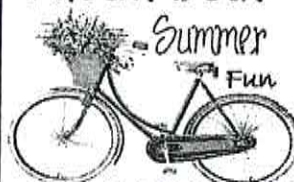

Sterling intended to resume his hike at Monida Pass. However, the forest fires altered his plans. 8-15 he headed for Butte, hopes to get back on the trail at Lolo Pass.

This is the second year Dillon VFW members assisted veterans hiking the Continental Divide Trail.

Cabin Creek Fire
August 15, 2015, 5:30 p.m.

Wildland Fire, detected: August 14, lightning caused. Current Size: Estimated 1400 Acres Containment: 20%

Location: Approximately 12 miles SE of Dillon, MT in the Blacktail Mountain Range.

Narrative: Firefighters were successful at getting dozer line established on the west side of the fire and are conducting mop up operations on that flank. With this line in place, no structures are currently threatened. The fire is being managed under Unified Command with the DNRC and Beaverhead County. The fire is currently making a run to the east and is moving toward the Little Elk Gulch drainage. A helicopter is making water drops on the east flank and single engine air tankers are currently enroute with retardant. Dillon Dispatch Center Manager, David Mosher, reports the center is currently managing 14 fires, of which 10 are staffed. With the amount of fire activity in the northwest, resources are stretched thin. The outpouring of support from the local communities is deeply appreciated by the firefighters.

Closures: There are no closures in the area at this time.

Scotchmans Gulch Fire - August 16, 2015
Approximately 14 miles west/northwest of Philipsburg Size: 186 acres Containment: 0%. Resources are limited across the Northern Rockies with several initial attack fires across Montana and Idaho. Closures: Several Forest Roads and Trails in the vicinity of Scotchmans Gulch Fire are closed.

Current Status: On Saturday firefighters scouted and assessed structures in the Upper Willow Creek area. Access to the fire is limited. Planned Actions: Firefighters will be cutting out a landing zone for placing personnel along Sandstone Ridge. Once fire personnel are on the ground they will work along Sandstone Ridge establishing a safe and secure area for firefighters to work directly on the fire's W. and NW edge. On the E edge of the fire, firefighters will be working within the road systems for terrain and geographical options to secure the fire with continuing to develop a cautionary structure protection plan.

PUBLIC INVITED TO COMMENT ON PROPOSED FISHING REGULATIONS; MEETINGS SLATED FOR BOZEMAN & BUTTE THIS WEEK

Montana Fish, Wildlife & Parks' Region 3 will host two public meetings next week to give the public the opportunity to discuss proposed fishing regulations changes for March 2016 through February 2017. The meetings take place at the times and dates below:

- Wed., Aug. 19, Butte – Butte Forest Service Office (1820 Meadowlark Lane), 6-8 p.m.
- Thurs., Aug. 20, Bozeman – Regional Headquarters (1400 S. 19th Ave.), 6-8 p.m.

While most current regulations would remain in effect, the proposed are largely aimed at making regulations easier to follow and increasing angling opportunities.

Specific to Region 3, the Fisheries Division has proposed the following changes among others:

- Allowing rivers and streams to remain open all year;
- Allowing one cutthroat trout in the combined trout limit for rivers and streams;
- Allowing one rainbow trout in the combined trout limit on the Jefferson River;
- Allowing harvest of five cutthroat trout daily from Hyalite Creek below Hyalite Reservoir;
- Simplifying Madison River regulations from Hebgen Dam to Ennis Reservoir

Statewide proposed changes are available for review and comment on the FWP website at fwp.mt.gov. Click "Fishing" and then "Regulations."

Comments may also be mailed to Joel Tohtz, Fisheries Management Bureau Chief, Montana Fish, Wildlife & Parks, P.O. Box 200701; Helena, MT 59601; or email to fwpfsh@mt.gov.

Comments must be received by Sept. 12. The Fish & Wildlife Commission will take final action on the regulations in October.

Cemetery Walk

The fifth annual Cemetery Walk will be Tuesday, 18 August, at 6:00 pm in the Mountain View Cemetery.

This year we will be visited by Elfreda Woodside, Joseph Shineberger, and William G. Barkley. You may wish to bring a lawn chair. Afterwards there will be time to visit and enjoy refreshments. In case of inclement weather, we will meet in the Depot Theater.

This event is hosted by the Beaver Head Hunters Genealogical Society, whose next regular meeting will be September 15.

Community Blood Drive

A Dillon community blood drive will be held on Tuesday, August 18, 2015 from 1:00 PM to 6:00 PM at the Elks Lodge (27 East Center Street). The drive is coordinated by United Blood Services and sponsored by the Presbyterian Church. Appointments can be made by calling 683-3696, or log on to www.bloodhero.com and use the sponsor code "Dillon". Walk-ins are welcome.

A critical number of voluntary donations are required every day to meet the need for blood. Blood can only be stored for 42 days, so it is essential that collection is ongoing. Donors are especially needed during the summer months when many regular donors are on vacation. Giving blood takes less than one hour, is virtually painless and safe. Most of all, it saves lives!

To donate blood, volunteers must be at least 17 years old (16 with signed parental approval), weigh at least 110 pounds and be in good health. A donor must not have donated within the last eight weeks. Please bring your United Blood Services Donor card or a photo ID.

Join us this summer and be a hero!

TAI CHI CLASS - LOCATION

The Tai Chi will be held at the *Bicentennial Park* at 9:30 on Tuesdays and Fridays.

Montana Western men's basketball coach Steve Keller is excited to announce to signing of Derrek Durocher to an NAIA Letter of Intent. Durocher, who is getting ready to start his senior year of high school, will join the Bulldog basketball program in the fall of 2016.

Durocher, a 5-foot-11 guard from Choteau, Mont., helped lead Choteau High School to a 2014-15 state basketball championship, where he was named the tournament's MVP. During his junior campaign he averaging 17 points, 5 rebounds and 5 assists per game. On top of his ability to pack the stat sheet every night, Durocher also shot nearly 50 percent from the field, 40 percent from behind the three point line and 85 percent from the charity stripe.

"Derrek is one of the best three point shooters coming out of Montana this next year and we believe he will be a very good player in our league down the road" said Coach Keller.

For Durocher, signing an NAIA Letter of Intent before the start of his senior year was an easy choice. "There is no doubt that signing before the start of my senior year will help me play more relaxed in the coming season," said an ecstatic Durocher, "the feeling of knowing you have to play well to try and find a home at a college can be stressful."

Other than the weight that has been lifted off of Durocher's shoulders in the coming season, his decision to sign with Montana Western required more than one factor.

"There were a few key factors to making my decision to sign with Western," started Durocher, "I am very interested in Sports Medicine and I know that the biology and health and human performance programs are very good, on my tour I loved the campus and the school," he continued, "and of course, the success of the basketball program is important to me."

In Choteau, Durocher plays for former Montana Western star, Matt Luedtke. His connections to Montana Western run much deeper than his high school basketball coach though.

Derrek's father, Jody Durocher and Uncle Bill Durocher, played football at Montana Western, and his cousin Danielle Baeth played basketball for the Bulldogs.

Durocher is the son of Jody & Joeleen Durocher & carries a 3.85 GPA.

"I am very excited to join the Western family in the fall of 2016; to play basketball and meet new people and have a great school experience," finished a happy Derrek Durocher.

RESTAURANT OWNER INVOLVED IN ILLEGAL PURCHASE OF GAME ANIMALS & FISH

More than a year after an investigation began into a West Yellowstone restaurant owner's illegal purchase of game fish and game animal parts, a Gallatin County justice of the peace moved Wednesday to resolve this portion of the case.

Montana Fish, Wildlife & Parks Enforcement executed a search warrant on June 8, 2015 at the Red Lotus Chinese Restaurant in West Yellowstone, MT. The team discovered some game animal parts and several game fish from unlawful purchases.

The investigation ultimately revealed that on three separate occasions, the restaurant's owner, Herman Chan, had unlawfully purchased two black bears as well as four game birds and nearly a dozen trout.

Chan was ultimately charged with three misdemeanor counts of unlawful sale of game fish, game birds, and game animal parts. Chan said he was unaware it was illegal to purchase these items and said he gave items to the tour guides that brought overseas groups to his restaurants as well as offering them to his restaurant employees to eat.

Chan decided not to contest charges and paid fines in the amount of \$500 per count (\$1,500) in addition to court fees. He also lost his hunting, fishing, and trapping privileges for two years for each count running consecutively (six years total).

Chan's business partner, Biu Tsang, was also charged in the case with one count of unlawfully purchasing game animal parts and game fish.

Tsang chose not to contest the charges, paid his \$500 fine, and lost his hunting, fishing, trapping privileges for two years.

"Montana Fish, Wildlife & Parks takes the unlawful commercialization of our fish and wildlife very seriously. We will continue to investigate any leads into cases of this nature," said Regional Investigator Chad Murphy.

FWP has also referred a case involving a Bozeman restaurant to the Gallatin County Attorney's Office, requesting prosecution for the alleged unlawful possession and sale of game fish.

Anyone with information about unlawful commercialization of wildlife is encouraged to call 800-TIP-MONT. Callers can remain anonymous and may be eligible for a reward.
