Robby Joseph Worrell

Robby Joseph Worrell, of Dillon, Montana passed away on August 16th, 2015. He was born August 8, 1966 in St. Anthony, Idaho to Norman and Jaylene Worrell. He was the 2nd child in a family of 7 children. He grew up loving to work on the farm and working with his dad and brothers. He loved the animals especially his dogs and always wanted a horse so when he was old enough he bought one. He graduated from South Fremont High School in St. Anthony, Id.

He was always a good hard worker and after he graduated high school he held many jobs in the Chester, Idaho area, and later moved to Dillon and worked at the Matadore Ranch. He later worked at the Cross Ranch and then for Mooney's and the Bar double T and ended his life working for John Erb. He was a real sports lover and enjoyed playing football, baseball, and basketball with his brothers in their younger years. Whenever there was a holiday when everyone got together you could be sure there would be a football game in the yard and nothing could stop Robby from hitting a tree or car and a lot of times ended up in the emergency room. He gave it all he had. He always had a lot of friends but he was big tease to his sisters. After graduating from high school he spent many years staying with his Grandpa Worrell and they became very close. One of his favorite times was attending the family reunion on Fall River in Chester, Id. It involved camping, fishing, talking around the campfire until all hours of the morning, horse shoes, and volleyball, which was played under lights until they were too tired to hit the ball. When he felt rest time was over he would holler "game one" and that was the signal for everyone to join him at the volleyball net. Rob loved many things, he had a great love for his friends, Budlight, Nascar, and the Dallas Cowboys. Robby married Kelly Mae Hulbert on the 18th of June 1994 and joined 3 children. Kris, Kayla, and Chase. They were later divorced but he always loved his children. He married JimiKaye Lanning January 3, 2015 where he also gained 2 daughters Asha and Kierra and a son James Allyn. This last week-end he spent in Great Falls where his daughter Kayla was married and he had a great time.

He was preceded in death by his Grandpa and Grandma Worrell, Grandpa and Grandma Clifford, and Grandma and Grandpa Salverson, his grand-daughter Keira, his Aunt Julie Daley.

He is survived by his wife, JimiKaye, children, Asha (Kris Cox), Kierra, James Allyn, Kris (Kimberly), Kayla (Shawn), and Chase (Alyssa), step daughter Keira, grandchildren, Kelsi, Kadyne, Kylar, and Henly, and Aiden. Parents, Norman and Jaylene Worrell, brother Randy Worrell (Shannon) Sister Ronda Stewart (Rob), brother Neil (Norie), brother Kevin, Sister Norlene Garton (Sam), Sister Kimberly Yelm (Jayson), and several nieces and nephews, aunts and uncles, cousins and the best friends a man could have.

There is a visitation scheduled for Thursday, August 20th at Brundage Funeral Home from 6 - 8 PM with funeral services on Friday, August 21st at 10 AM at the funeral home. Burial will be at Mountain View Cemetery. A guestbook is available online at www.brundagefuneralhome.com.

TOM SATTERLEY TO APPEAR AT BANNACK

Bannack State Park will host the Humanities Montana program: "Hard Rock Mining in SW Montana" by Tom Satterley on Saturday, August 22 at 2pm in the old church. When gold was discovered on Grasshopper Creek in 1862 the gold rush to Montana was on. That fall the famous Dakota Lode was discovered and began producing rich gold ore. Tom will explore the importance and lure of hard rock mining in southwest Montana. Stories of fabulous wealth, underhanded dealings, and tragedy will be shared by Tom.

The most important hard rock mining area in SW Montana is Butte. Tom's tales of the ethnic melting pot of Butte will take you back in time: Shift change in Butte. When the shuffling rumble of thousands of miners descended the Hill, they were headed for boarding houses in Finntown, the uptown joints, Italian supper clubs in Meaderville, the Columbia Gardens, and the family kitchens where everything from stir-fry to povitica was cooking. Butte was home to people from Wales, Finland, Austria, Ireland, Croatia, Italy, China, Syria, Cornwall, every state in the U. S. and just about everywhere else.

Born and raised in Butte, Tom Satterley has worked in the Leonard and Kelly mines. A descendant of generations of Butte miners, Tom has a passion for Butte and other mining history. He is a very talented story-teller with his own unique, entertaining and informative style. He currently works with the Environmental Sciences Department at Western Montana College of the University of Montana at Dillon.

All Saturday programs are free, out of state vehicles pay a \$6.00 park admission fee. This Humanities Montana Speakers Bureau program is provided by a legislative grant from Montana's Cultural Trust and the National Endowment for the Humanities. For more information please call 406-834-3413.

Attention

By: MJ

Attention is the act or state of applying the mind to something, consideration with a view of action like; act of kindness, helpfulness and thoughtfulness.

When we pay attention to our gardens, lawns, flowers they grow. When we pay attention to our relationships it grows, or your job/work grows with attention.

Men are famous for saying, "I don't understand it. Provide everything my family needs. I give my wife everything she needs. I give my kids everything they need. What more do they want?" They work hard to provide for their family.

It seems like today our lives are on the fast track. Giving attention is cheaper then buying material things.

Biologic Medications Aranesp® and Enbrel®

Attorney General Tim Fox and 48 other state attorneys general have reached a \$71 million settlement with Amgen Inc. to resolve allegations that Amgen unlawfully promoted biologic medications Aranesp and Enbrel.

Aranesp is used to treat certain types of anemia by stimulating bone marrow to produce red blood cells. Enbrel is used to treat a number of conditions, including plaque psoriasis. The Complaint and Consent Judgment filed alleges that Amgen violated state consumer protection laws by: (1) promoting Aranesp for dosing frequencies longer than the FDA approved label without competent and reliable scientific evidence to substantiate the extended dosing frequencies; (2) promoting Aranesp for anemia caused by cancer without having FDA approval or competent and reliable scientific evidence to support it; (3) promoting Enbrel for mild plaque psoriasis even though Enbrel is only approved by the FDA to treat chronic moderate to severe plaque psoriasis.

Attorney General Fox said, "This settlement ensures that Amgen will not engage in unfair or deceptive promotion of its products to Montana patients. Attorney General Fox praised the work Assistant Attorney General Andres Haladay did on Montana's behalf, and added that Montana's share of the settlement, nearly \$756,919, will be used by the Office of Consumer Protection for further consumer protection activities.

The Consent Judgment also requires Amgen to reform its marketing and promotional practices.

The other states participating in the settlement are Alabama, Alaska, AZ, Arkansas, California, Colorado, Connecticut, Delaware, District of Columbia, Florida, Georgia, Hawaii, ID, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, MI, Minnesota, Missouri, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, NY, North Carolina, ND, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, SD, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, and Wyoming.

Art Mobile of Montana is coming to Dillon

The Southwest Montana Arts Council is excited to announce that the Art Mobile of Montana is coming to Dillon on Saturday, August 29. The only program of its kind in Montana, the Art Mobile of Montana is an educational, art outreach program providing access to a high quality, original, and contemporary art exhibit with instruction by a professional artist.

The Art Mobile will be providing two art workshops focused on turning old books into works of art. The first will be open to Kindergartners through 5th graders and will be from 10:00-11:00 a.m. The second is open to 6th through 12th graders and will be from 11:30 - 12:30 a.m. There will also be a reception to display the art and a presentation from the Art Mobile that includes a traveling art exhibit, which will be open to the public from 4-6 p.m. All events will be at the Mason Building at the corner of Bannack and Idaho streets.

Each workshop is open to 25 students, so please call 683-6208 to reserve a spot. All events are free and open to the public thanks to generous sponsorship from United Way of Beaverhead County and Eric Hammer and Sandra McIntyre.

The Southwest Montana Arts Council (swmarts.org) is a non-profit organization dedicated to advocating for, celebrating and nurturing the arts and humanities in Southwest Montana.
