Water Rate Public Hearing

By: MJ

At the August 19, 2015 public hearing on water rates 15±- people were in attendance to share their reasoning for accepting or rejecting the Water/Sewer rate changes. There were those who expressed the pros and cons as they understood the rate changes to be. One citizen was concerned with rental property owners having to raise the rent do to rate changes. There were people that agreed with rate changes and with everyone being responsible for what they use.

Another questions asked was; is the city sewer system up to federal standards? Mayor Klakkan responded yes, as far as he knows the city is up to standards.

Councilman Manley directed a question to city treasurer Mr. Straus about the water rates in Dillon being the lowest in the state. Mr. Straus stated the city is operating the new sewer plant as efficiently as they can and with new telemetry system the city will know about problems early on.

Mayor Klakken explained the daily operating costs for the water sewer departments has been increasing each year. Mr. Scott asked an age old question that has been asked numerous times at council and committee meetings; "why was the money left over from the 9 million dollar bond that was taken out for the Waste Water Treatment Plant not used for other infrastructure within the city instead of paying off bonds."

Mayor explained that the 2011 bond money could have been used for earmarked projects within a three year period. There were two (2) earmarked projects (telemetry system and manhole projects) that are being done. There were no other earmarked projects within that time frame. Councilman McIsaac explained that as required by law the city collect 125% yearly for bond payments.

THANK YOU

It really was not just a Theory , but for George, Life did begin with a Big Bang. My birthday has brought out a number of people that make me so Thankful for being here. Friday Started off with so many people wishing me a great birthday. All I can say is, THANK YOU SO MUCH TO ALL.

Cabin Creek Fire Thank You

The Montana Department of Natural Resources and Conservation (DNRC) Dillon Unit would like to thank our partner agencies with the fighting of the Cabin Creek wildfire in the Sweetwater area east of Dillon. Without the support of the Beaverhead and Madison County volunteer departments, the help of federal resources from the Forest Service and BLM, and local contractors with heavy equipment, the results of the fire could have been much more serve than the 895 acres that burned. Although structures were threatened, no damage or injuries occurred, and loss of important grazing land, and sage grouse habitat, was kept to a minimum.

Due to the many fires that were burning throughout the northern Rockies at the time of the Cabin Creek fire, firefighting resources were very limited. Through interagency cooperation, effort, and hard work of the fire fighters, equipment operators, and support vendors for logistical needs, the blaze was put out in a timely and efficient manner.

The DNRC and wildland firefighters that were out on the ground fighting the blaze would like to thank the local communities of Dillon and Twin Bridges for their outpouring of support, kind words, prayers, and their generous donations of food and beverages. It was quite humbling to see the concern and generosity of people here in Southwest Montana for the ground pounders working in the heat and smoke.

On behalf of all the people who participated in the fighting of the Cabin Creek fire we give you our heartfelt thanks. We apologize for any inconvenience that we may have caused to the surrounding land owners during the fighting of the blaze.

A crew of heavy equipment operators is assigned to creating a fuel break along Road No. 4325.

Closures: Several Forest Roads and Trails in the vicinity of Scotchmans Gulch Fire are closed including: Miners Gulch Road, the Sandstone Trail #228, starting at Sandstone Ridge Trailhead and continuing northeast along Sandstone Ridge to the junction of the Hogback Trail #268 are closed. The Hogback Trail #268 is also closed in its entirety west to Rock Creek Road along with all National Forest System lands from Rock Creek road back to the Sandstone Ridge trailhead.

On Saturday, firefighters completed line along the northwestern, northeastern, and southwestern perimeter, increasing the containment up to 80%. With the use of heavy equipment, fire personnel made good progress on the fuel break along Road No. 4325. Firefighters will have an area to work from in the event of the fire moving towards the Upper Willow Creek valley. Air operation continued to shuttle supplies to the fireline and began backhauling trash and excess equipment.

Summer Reading Wrap-up

The formal programming part of Dillon Public Library's Summer Reading Program concluded with the Grand Finale which took place on July 30th. By all measures our program was successful. We had 200 children sign up for the program this summer, and that number represents close to one third of Dillon's grade school population. Through July 30th, we tallied 1,707 hours of reading time. (That number is calculated by counting the number of Courageous Cash dollars spent. Each dollar represents one half hour of reading time.) The final number of hours read by participants will not be tallied until the end of August, because earning Courageous Cash continues through August with six area businesses participating in a purchase program using Courageous Cash. Dillon Video, The Bookstore, The Milk Pail, Papa T's, 3-D and the Bull Pen are all honoring Courage Cash as coupons for money off purchases at those stores. The Library is grateful to these businesses for their support of our summer reading program.

Community volunteers offered time to help us with program preparation, content and presentation. The Dillon Volunteer Fire Department, Dillon Ambulance Service, Dillon Police, Search and Rescue, members of the Veterans of Foreign Wars Linda Lyons, Dan Birdsill, a Bannack Americorps volunteer, and Jan and Steve Mock all presented programs to the summer readers as we learned about the heroes in our community that help make our home a safe and interesting place to live. Lynn Giles and the Beaverhead County Museum let us use the Old Depot Theater free of charge. The Dillon Tribune, the Dillonite Daily, Beaverhead Chamber of Commerce, KDBM/KBEV Radio, Today in Dillon and the Montana Standard all helped us by printing our many program articles. Many area businesses displayed flyers for our programs and agreed to host collection cans for our Magic Yeti Library fund drive. The children collected over 50 pounds of food to donate to the Dillon Food Bank. We tallied over 170 hours of volunteer help with our program this year, and we could not have done without that help.

The Dillon Public Library staff wants the community to know how much we appreciate the help and support we received from the community for this summer's reading program. For the first time this year, we distributed surveys to parents, asking them to evaluate our program. Thus far, only 11 surveys have been returned. Survey forms were distributed to each participant in the Grand Finale. We are asking parents to please complete those surveys and return them to the Library by the end of August. If you have lost your survey, the Library has additional copies available.

Again, thanks to everyone who helped make our summer reading program – Every Hero Has a Story – a successful endeavor that contributed positively to the summer life of our youngest citizens! It was truly a community endeavor.

To the fire fighters, support crews, pilots, friends, those that took them food, and those that could only say prayers - THANK YOU.

We are grateful to be able to live right where we choose to be! Thank you Dillon and surrounding communities.
