Frederick L Eaton, 81

Fred was born August 22, 1934 in Everett Washington to Arleigh and Jeannie Pedersen Eaton. He passed away unexpectedly on August 25, 2015 at St. James Community Hospital in Butte MT.

As a young man, he enlisted in the Navy during the Korean War. After serving his country, he returned to Everett. During the years he lived there, he worked at the sawmill, boat factory, Boeing and owned his own business. He married and had two children. When work dried up in the area, he moved to Alaska and found work there.

In 1987, while living in Mount Vernon, WA and working for the Port of Skagit County, he met Kitty Wilson. On October 22, 1988 they married. This October they would have shared 27 wonderful years together.

Fred was a kind and loving man. He had a soft spot in his heart for his cat Hargas and three Boston Bulldogs.

He was preceded in death by his sister May, brother Lawrence and brother-in-law Don Doner.

He is survived by: his wife Kitty, brother Arnold, daughters Lori and Janet, sister-in-law Mary Doner, nephews Dan Doner, Matt Doner, Steven Doner, Brian Doner (Talea) and Brett Doner. He is also survived by great-nieces and nephews who adored him and will miss him.

Graveside services will be held Saturday, August 29th, 11:00 a.m., at Mountain View Cemetery with a reception to follow at First Presbyterian Church. Condolences can be left at www.brundagefuneralhome.com

MOUNTAIN BLUEGRASS GOSPEL TO PERFORM AT BANNACK

The Mountain Bluegrass Gospel band will entertain you with their old fashioned music Saturday August 29 at 7pm in the Old Church at Bannack State Park. Back again by popular demand, this powerful bluegrass gospel group is always a crowd pleaser.

The members of the band were raised in different parts of the country and are banded together in one united purpose, to share the good news of the gospel. The Gilbert family lives in Sheridan, Montana. Dad Ernie plays a hot rhythm guitar. Wife Alice sings the "high lonesome" parts and son Ernie Gene, a member of the Dillon Junior Fiddlers, is the 15 year old fiddling and mandolin sensation.

Retired schoolteacher Sharon Severance plays the upright bass and sings high tenor. Her husband Lynn is the bands promoter and carries the bass! They live in Spring Valley, Arizona and spend their summers in Sheridan, Montana.

Federal District Court Blocks EPA Rule From Taking Effect Friday

Attorney General Tim Fox is gratified that U.S. District Court Judge Ralph Erickson, of the District of North Dakota, has granted the request of the State of Montana and 12 other states, to enjoin the Environmental Protection Agency and Army Corps of Engineers' "Waters of the United States" Rule. The states had asked that the Rule's August 28, 2015 effective date be delayed due to the irreparable harm it would cause the states.

In today's order, Judge Erickson agreed that the rule should be delayed during the on-going litigation, stating "the states are likely to succeed on their claim because (1) it appears likely that the EPA has violated its Congressional grant of authority in its promulgation of the Rule at issue and (2) it appears likely the EPA failed to comply with APA requirements when promulgating the Rule."

The states' challenge to the rule itself still needs to be briefed, argued, and decided by the courts, but this injunction will maintain the status quo until the case is fully decided.

"As Montanans, we are proud of the steps we have taken under our State's constitution and laws, to manage and protect our state's precious natural resources, including water," said Attorney General Fox. "Yesterday's ruling is an important and substantive step in protecting our rights under the Tenth Amendment to manage and protect our state's lands and resources in the manner we believe to be most fitting and effective for us."
