Michael Joseph Skradski

Mike Skradski passed away the evening of September 7th after suffering from years of Parkinson's disease and his short bout with cancer. He fought a hard fight until the end, he was a fighter, and quitting was never an option for him in this, or any other aspect of his life. He taught us to always give a 110%, stand up for what we believe in, appreciate others, and to never give up. He was an inspiration to everyone who knew and loved him.

Mike was born in Pueblo Colorado to Joseph and Nellie Skradski February 17, 1945, they later had his brother Bill who meant a great deal to him. His mother Nellie passed away September 6th, 1966 and left a big void in her family's life. Mike went to high school in Ely, Minnesota, and graduated college from UMD in Duluth Minnesota. In high school Mike played basketball and baseball and met our mom Kay, while working at the local movie theater. They celebrated their 48th wedding anniversary in Ely, this July, surrounded by friends and family.

Mike spent many years in Silver Bay Minnesota, working for Reserve Mining Company. He later moved to Dillon, Montana to work at Barrett Minerals until his retirement. Mike was most proud of coaching his kids and their friends in various sports: baseball, softball, and basketball. He also taught us to play pool and played on a team with his family in Dillon for many years. He taught us, just like his dad taught him, to shoot like a winner. He said you can play a good game but "You gotta be a closer" and finish the game, more often than not as a winner, or at least a good sport. There were many times us kids heard "don't choke." Pretty much meaning, don't let the pressure get to you, you can do it, don't doubt yourself, you are a winner. He was always our greatest fan no matter what it was. When he found out he was dying he said, "looks like I'm sliding into home," I guess he was safe and won the game. We were trying to think of a song that we could play that fit our dad, the best we would come up with was "Put me in Coach" by John Fogerty.

Mike loved to bowl, play golf, watch sports "Go Vikings", fish, coach, Wheel of Fortune, Family Feud, Jeopardy (none of us ever knew the answer but, if we did we were a "genius!") and most of all family. He loved all of his Grandkids and was the best Grampa to all of them: Justin, Jaymee, Nariah,

Quinton, Nathan, Maya, Damon, and last of all Jaxton, the baby of the whole family. He cheered them all on throughout life, from the smallest to their biggest accomplishments. He was their greatest fan and loved them all.

Mike leaves his loving wife Kay, and children: Jodi Skradski Decker (Robert Decker), Shana Skradski, and James Skradski (Wendy Allen). In lieu of flowers, the family requests donations be made to Dillon Home Hospice or Parkinson's Research. Thank you to all who helped take care of our dad, you will be forever appreciated. Burial will be Saturday September 12th at 11:00 in Dillon, with a potluck reception BBQ at Barrett Park at 1:00 for anyone who would like to attend. Senator Daines' Montana High Tech Jobs Summit

Dillon native Travis Cottom, Vice President of Business Development and Solutions at Helix Business Solutions, was selected to be a panelist at Senator Steve Daines' first ever Montana High Tech Jobs Summit. Cottom was pegged for the panel position to discuss his experience creating high tech jobs with Helix Business Solutions in Dillon and Bozeman over the past year and a half. The panel is entitled "Big Sky Innovation: How Technology Removes Geography as a Constraint."

"I'm honored to be selected to share some insight on the tremendous success we've had at building Helix in Montana," said Cottom. "We've grown our company's number of employees by 40 percent in the past year and nearly all of that growth has occurred in our Dillon and Bozeman offices."

Helix Business Solutions opened its first Montana office in Dillon in 2014 and its Bozeman office this summer. Helix is based in Memphis, Tennessee and is an Oracle Service Cloud Partner specializing in helping large companies create excellent experiences for their customers.

The Montana High Tech Jobs Summit is open to the public and registration can be found at www.montanatechsummit.com. Cottom's panel, moderated by RightNow Technologies founder Greg Gianforte, will begin at 9:00 a.m. on Monday, September the 14th. The Summit will be held on the Montana State University campus.

SHERIFF'S OFFICE

Press Release

The Beaverhead County Sheriff's Office in partnership with the Drug Enforcement Administration will be hosting a Drug Take-Back event. Local residents can bring their unwanted or unneeded prescription drugs to the Sheriff's Office Lobby on Saturday September 26th, 2015 for safe disposal. The Beaverhead County Sheriff's Office has a monitored collection box available at this location yearlong, but is glad to participate in this campaign sponsored by the DEA.

Following is the press released provided by the DEA.

JUL 28 (WASHINGTON) - DEA Acting Administrator Chuck Rosenberg today announced that the 10th National Prescription Drug Take-Back will take place September 26th from 10 am-2 pm local time in every state but Pennsylvania and Delaware, where the event will take place on September 12. As with the previous nine Take-Back events, sites will be set up throughout communities nationwide so local residents can return their unwanted, unneeded, or expired prescription drugs for safe disposal.

Collection sites in every local community can be found by going to www.dea.gov. This site will be continuously updated with new take-back locations.

The National Prescription Drug Take-Back addresses a vital public safety and public health issue. Many Americans are not aware that medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are at alarming rates, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that many abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, many Americans do not know how to properly dispose of their unused medicine, often flushing them down the toilet or throwing them away - both potential safety and health hazards.

"Prescription drug abuse is a huge problem and this is a great opportunity for folks around the country to help reduce the threat," Rosenberg said. "Please clean out your medicine cabinet and make your home safe from drug theft and abuse."

In the previous nine Take-Back events nationwide from 2010-2014, 4,823,251 pounds, or 2,411 tons of drugs were collected.

I Can Deal With That

Submitted by: MJ

In my next life I would like to come back as a bear and not a woman.

When you're a bear, you get to hibernate. You do nothing but sleep for six months. I can deal with that.

Before you hibernate you're supposed to eat yourself stupid. I could deal with that.

When you're a girl bear, you birth your children, (who are size of a walnut) while you're sleeping and wake in partially grown, cute cuddly cubs. I could definitely deal with that.

If you're a mama bear, everyone knows you mean business. You swat anyone who bothers you cubs. If your cubs get out of line, you swat them to. I could deal with that.

If you're a bear, your mate EXPECTS you to wake up growling. He EXPECTS that you will have hairy legs and excess body fat. YUP! Gonna be a bear. *Author Unknown*

QUOTE

Submitted by Chuck Dishno

"The true theory of our Constitution is surely the wisest and best, that the states are independent as to everything within themselves, and united as to everything respecting foreign nations. Let the general government be reduced to foreign concerns only, and let our affairs be disentangled from those of all other nations, except as to commerce, which the merchants will manage the better the more they are left free to manage for themselves, and our general government may be reduced to a very simple organization, and a very inexpensive one — a few plain duties to be performed by a few servants." —Thomas Jefferson, letter to Gideon Granger, 1800

Bear Lake Fire

Current Status: Due to the moisture the past few days, fire activity has been minimal, but the fire is still burning and has several areas of heat. Objectives for the fire will remain as before and crews will take suppression action and continue to mop up operations when and where appropriate. Planned Events: Initiate trail rehabilitation work as secured fire perimeter areas are placed into foot patrol status. Crews will continue to mop up the narrow portion of the fire on the east side. A saw module will patrol and mitigate snags in advance of the firefighters as they dig line to bring "cold black to cold black".

"WARRIORS ON QUIET WATER"

The Warriors on quiet water quilt drawing was held Sunday, Sept. 7 at the Grace United Methodist Church. Shirley Davis drew the lucky winner, Laura Royles of Deer Park, Washington. Pastor Melanie Martin-Dent observed the drawing.

Grace United Methodist Church wishes to thank the town of Dillon for supporting our Mission Projects by purchasing our baked goods. We were able to send \$500 to "No More Malaria" in Africa and \$500 for building wells in Sudan.

Our local project was to help returning injured soldiers enjoy our rivers and streams at no cost. "Warriors on Quiet Water" is totally volunteer and Grace United Methodist Church sent over \$1000 to help this worthy cause.

Our thanks go out to the entire community....
