Lois Rae Nix-Smith Nov 2, 1939 to Sept 11, 2015

Lois Rae Nix was born Nov 2 1939 in Dillon to Muriel Leora Edwards and D.G. Nix. She was raised in Lima until her Junior year of high school when the family moved to Dillon. She graduated From Beaverhead County High School in 1958 and then married Van Thomas Smith in July 1958. Together they had three children Glen, Sheri, and Mark. They were divorced in Dec, 1960.

She was baptized in the First Presbyterian Church in Dillon in March of 1964. She remained a member of the church for the rest

of her life.

She had many fond memories of visiting the Centennial Valley when they would go spend the summer with grandparents, aunts and uncles. She loved the old cemeteries and decorating all the gravesites of her ancestors. She enjoyed seeing all the old homesteads and talking about all the people she remembered from her childhood. She continued to visit the valley every summer even as an adult.

She was employed at the Big Dipper Café and later at the Oasis Café. She then went to work at Parkview Acres Nursing Home where she remained employed for 30 years. She retired in 2004. She then worked part-time at the Beaverhead County Welfare Department and the City Library. She quit working completely in 2007.

She love cows and collected everything with a cow on it. Every room was decorated with cows. She had nick-nacks, jewelry, stuffed animals, pillows and tee-shirts, towels, and pictures on every wall of cows.

She enjoyed family gatherings. She loved her friends at the church and all her friends at the Bicentennial Apartments. She adored her grand-children and her great -grandchildren.

Zoning Permits Submitted

By: MJ

September 8, 2015 the following zoning compliance permits were submitted to the zoning committee.

#2276 submitted by Jim Wigen for the construction of a garage; tabled for address correction. The permit had the wrong address listed therefore it was tabled until corrected.

#2277 Permit: Submitted by Monarch LTD. for a single house unit at 700 E Glendale; approved with conditions.. Director of Operations advised the committee that a new storm drain would have to be put in. The committee approved the permit with the condition that the developer put the sidewalk in, according to the zoning ordinance and redo the storm drain.

#2275 Fairbridge Inn Sign approved: The Fairbridge Inn was formally the Guesthouse located at 580 Sinclair ST. and the sign change was approved by committee.

#2278 Permit: Fence at E 835 Morse Street, Mayor Klakken residence was approved. The original fence will be replaced with same style of fence with extension of 23'± x 22'± on side of house. An exhaustive discussion was held on this permit. A committee member was of the opinion that the side fence did not comply with the zoning document and was a front yard fence. **Question:** Is this another area in the zoning document that is not defined clearly?

City Attorney: Mr. Dolan discussed the advisory letter he wrote for the committee on the zoning change of Idaho Street.

Idaho Street Zone Change: Committee ruled that the "Findings and Facts" were not clearly identified to proceed with rezoning the area. It was determined that the people interested in residential historical area on Idaho Street would have to reapply and follow procedure for rezoning.

The committee then started the task of revising the zoning document by starting with "Parking" and "Multiple Unit Dwelling." After listening to the discussion between committee members it is my opinion the committee is dealing with a gargantuan interlaced document and making corrections a line at a time will cause problems.

Public Concerns: A representative from Beaver Pride sub-division was concerned how the permitting process for people getting ready to build in the sub-division. He was worried that the process would take a lot of time with the Director of Operations, Mr. Turner on administrative leave. Mayor Klakken informed him that business would go on as usual. **Note:** It appears when a permit is brought to the board there seems to be members that want more information than the paper work provides. **Question:** Does the zoning board need to revise the questionnaire that is being used today for permits. There should be a packet that when it is completed gives the board all the information they need.

Bulldogs run past College of Idaho

JD Ferris found an open Matt Lickfold with 18 seconds remaining to win the game and improve their record to 2-0 overall and in conference in their contest against the College of Idaho (1-2, 1-1) on Saturday afternoon. Box Score

The University of Montana Western Bulldog football team found themselves in a quick 10-0 deficit less than seven minutes into their home opener against the College of Idaho Yotes.

College of Idaho converted a 41-yard field goal by kicker Hartvig Bondo on their first possession and regained control of the football less than a minute later on Nate Moore's first interception of the contest. The Yotes struck again, this time on a spectacular 13-yard pass and catch from Teejay Gordon to tight end Marcus Lenhardt. Gordon, who broke College of Idaho's school record for yards in a game last year against Montana Western and had 342 passing yards and three touchdowns last week, was limited to 149 passing yards and one touchdown.

Facing a 10-0 hole early in the first quarter, the Bulldog offense mounted a 14-play, 69-yard drive that took more than five minutes but stalled in the red zone and settled for a 27-yard Connor Greth field goal. It was the defenses turn, as they forced the Yotes to punt it away on the following possession. The Bulldog offense was at it again, this time on a five minute, 13-play, 80-yard drive that ended in a 4-yard Dylan Kramer touchdown run, tying the score at 10-all with nine minutes remaining in the second quarter.

Following a three and out forced by the Montana Western defense, Ferris threw his second interception of the game, Nate Moore was there to collect his second takeaway of the contest. Mitch Pelroy, a sophomore cornerback for the Bulldogs, stepped up two plays later and forced a fumble recovered by the Bulldog defense.

True freshmen quarterback JD Ferris, making his second start, showed great poise after his second interception of the game. Ferris led the Bulldogs down the field and capped off the drive with a 14-yard touchdown scramble with just under six minutes remaining in the second quarter, putting the Bulldogs ahead 17-10.

Ferris accumulated over 300 yard of total offense, he rushed for 163 yards and one touchdown on 19 carries for the day to add to his 144 yards through the air, and found the end zone one time.

With time winding down in the second quarter, senior linebacker AJ Wilson picked up his third interception of the season stepping

in front of a Gordon pass intended for Wes Fitzpatrick. Wilson, last week's Frontier Conference Defensive Player of the Week, also recorded 11 tackles and two tackles for loss in the contest

The Bulldogs were unable to capitalize on good field position as Greth missed a 36-yard attempt at the end of the second quarter, leaving the score 17-10 at halftime.

Following the intermission, both teams traded punts before wildcat quarterback J.J. Hyde found the end zone on a 2-yard keeper to tie the score at 17-all with four minutes remaining in the third quarter. Hyde's run finished a 13-play, 93-yard drive that started after a fourth and inches stop of the Bulldogs on the Yotes 7-yard line.

After trading punts on back-to-back possessions, the Bulldogs again moved into scoring distance, only to come up empty handed on a 46-yard field goal attempt that missed left by Greth.

College of Idaho responded with Bondo's second field goal of the day to regain the lead at 20-17 with two minutes and 30 seconds remaining in the game.

JD Ferris responded by leading the Montana Western on a 16-play, 80-yard drive during which they converted on two third downs and a fourth down. No play was bigger than the third and 13 they faced with less than 30 seconds remaining. On the play, Ferris dropped back and found enough daylight to squeeze an aerial attack to Lickfold at the five yard line. Ferris again found Lickfold, this time on a 5-yard bootleg that proved to be the game winner. Lickfold finished the day with four receptions gaining 40 yards, 26 of those came on the last two plays of the game.

Senior running back Sam Rutherford finished the day with 97 yards on 22 attempts. Montana rushed for 299 yards as a team on the afternoon.

Reno Ward, a senior defensive lineman finished the day with six tackles, three tackles for loss, including two sacks for the Bulldog defense.

AJ Wilson now has half of the Bulldogs 10 takeaways this season.

Montana Western and College of Idaho have faced each other three times over the past two seasons, each time the contest has been decided by four points or less, including the game being decided in the final 30 seconds twice.

The Bulldogs will return to action on Sept. 19th in Havre, to take on the MSU- Northern Lights. Kick-off will be at 1 p.m.
