Local Political Politics

By: MJ

The Mayor and other personnel in the city government, have been working to provide a "fair and equitable" government. The mayor has read countless resolutions, ordinances and other papers that give him direction of how the water and sewer charges was managed in the past. Through the research process the city books exposed the overcharging for water and sewer, contracts made with certain entities, some people paying less for water/sewer used and some people paying more.

Example: Is Beaverhead County paying for the water they receive via the city system at the fairgrounds? If the county is getting the water free then who is paying? Would it be the residents of city? **Question:** Would it be possible for the people of Dillon to receive free passes to fair and rodeo events for payment of water consumed at the fairgrounds?

Remember The council is the final decision maker on what policy will be for the city to follow. Procedure starts with: 1) a council committee researching a given subject then sending their recommendations to the full council. 2) The council then takes a vote, and if vote is positive a resolution is created then brought back to the council for a final vote. 3) If resolution is given a positive vote then a document in the form of an Ordinance (authoritative decree or law of the local government) is generated. *This is the area where elected officials may or may not follow protocol. They ignore the lawful procedure and just make decisions themselves.* **Note:** If protocol is not followed the people are kept in the dark and it's conceivable the law is not being followed.

Dillon can be proud that they have a Mayor following the laws and not making unfair deals with people behind closed doors. Has this way of doing business upset some people? Yes, there have been several.

It is perfectly legal in Montana to ride your horse home if you are "drunk."

REMINDER: CANYON FERRY POND 4 DRAW DOWN UNDERWAY

With the Youth Waterfowl Hunt set for the upcoming weekend (Sept. 26-27), Montana Fish, Wildlife & Parks wants to remind waterfowl hunters that Pond 4 on the west side of the Canyon Ferry Wildlife Management Area is in the midst of scheduled water draw down. Water levels in the pond are currently low and will continue to decline throughout the fall. The pond's boat ramp is currently not usable due to the low water levels in the pond.

The drawing down of Pond 4 – which began last month – is part of an effort to kill off invasive carp, restore native vegetation, and improve waterfowl habitat.

The pond will likely start filling again with water flowing or seeping in from Canyon Ferry Reservoir sometime in the late spring or summer of 2016.

Speed Limit Changes New Signs Ready to Instal

This May, a bill was signed into law that allows a speed limit change on Montana Interstates from 75 miles per hour (mph) to 80 mph. This change is consistent with surrounding states such as Wyoming, Idaho, and South Dakota, and will become effective October 1, 2015.

An important note is that not all sections of the interstate will increase to 80 mph. Interstates going through cities with a population greater than 50,000 will remain at 65 mph. Also, the new law allows for some areas of the interstate that are not suitable for the increased speed limit to be set at a lower limit, such as mountain passes and canyons. Until MDT conducts engineering studies in these areas to set the speed limit and changes are approved by the Transportation Commission, those sections will remain at the current speed limit.

On October 1, MDT maintenance personnel will install over 350 new signs. Although the speed limit has increased, MDT asks drivers to use caution when driving, stay alert, be aware of changing road conditions due to weather, and drive at an appropriate speed for conditions.

**The Bobby Joe Turney
Memorial Scholarship Fund**

The winner of the The Bobby Joe Turney Memorial Scholarship Fund for 2015 in the amount of \$500.00 is Parker Love of Dillon. The fund was established in Bobby's name by his family to memorialize Bobby in an honorable manner. Bobby was a positive influence and mentor in the community. He dedicated his entire life to his family and friends. He believed in working hard to achieve the success of owning and operating his businesses. He also had a passion for fun. We want to ensure Bob's name lives on and everyone remembers his bighearted love for life. The scholarship fund is a way to let his legacy live on.

These young people were graded by submitting a personal essay describing past or present community involvement, future goals, family values and ways The Bobby Joe Turney Memorial Scholarship Fund will assist in attaining these goals. In addition applicants must submit two letters of recommendations that addresses the candidates's personal and academic accomplishments.

We wish Parker the best luck in the future, and hope he enjoys his journey in Bozeman towards becoming a Civil Engineer.

Past winners are Reba Kluesnar, Emily Paffhausen and Austin Fitch.

REMEMBER THE FOOD PANTRY

ROTARY SPEAKER

Roxie Mancoronal, Owner/Manager of Roxi's Greenhouse & Nursery will be the featured speaker at the noon Rotary meeting scheduled for Wednesday, September 23, 2015. Mancoronal will share her horticultural passion including a few tips for preparing our gardens and yards for fall. Visitors are welcome.

Anyone interested in learning more about Rotary should come at noon to be a guest for lunch. The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email Craig Rehm at crehm@dadco.com or Roxanne Engellant at engellant@gmail.com.

**DILLON BACKPACK PROGRAM "BRAKING"
FOR CHILD HUNGER AWARENESS**

The Dillon Backpack Program is having its fifth annual "Brake for Breakfast" event on Friday, September 25th in the Shopko parking lot from 7:30 to 10:30 am. Free coffee, juice, and muffins will be handed out to cars as they "brake" to show their support for the Dillon program.

The Dillon Backpack Program started in the fall of 2010. The program works with the Montana Food Bank Network to meet the needs of chronically hungry children when other resources are not available. Kids are given non-perishable food weekly during the school year so they have meals for weekends and extended holidays. Currently, 1 in 5 Montana kids doesn't have enough to eat.

If you'd like more information about the Dillon Backpack Program, please contact Misti Maisch at 925.0833 or Greg Lemelin at Parkview Elementary -683.2373. Donation checks may be written out to the YMCA/Dillon Backpack.

"Celebration of the Beaverslide"

The Beaverhead County Museum is hosting a "Celebration of the Beaverslide" on October 4th at 5 p.m. at the Old Depot Theater. The Sunday evening event will feature a Haystack Dinner on the museum grounds or in the depot if the weather is bad. Dinner will be followed by Bunkhouse Entertainment, a collection of videos, songs and poetry related to haying on a ranch in Montana. The museum's model of a beaverslide made by Jay Nelson will be displayed and demonstrate how the beaverslide works. This is an opportunity to learn about early day haying operations, especially since this invention was the work of two Big Hole Valley ranchers, Herbert S. Armitage and David J. Stephens. The museum staff are hopeful that ranching families will come and share their experiences and personal stories in an informal discussion after the entertainment.

The Beaverhead County Board of Trustees are striving to maintain the Beaverhead County Museum's operations at a level that provides access to the public all but one month in the winter when new exhibits are mounted. Volunteers staff the front desk and provide a myriad of help from fixing a broken window to cataloguing the museum's collection of Beaverhead County artifacts and documents. The museum has limited storage facilities and the museum's non-profit entity, the Beaverhead County Museum Association, has been busy with a capital campaign to build a new storage facility in the vacant lot across from the museum on Montana Street. This has left the trustees, who are appointed by the County Commissioners, charged with picking up operation shortfalls. "We are excited about presenting this evening," says Lynn Giles, the museum director. We hope our community supporters will enjoy this opportunity to learn more about the agricultural history of our area, have some good food and share stories. This will also help us keep the museum heated this winter."

Reservations may be made in advance at the museum by coming in or calling 406-683-5027. The cost is \$15 per person to attend and while we will sell tickets at the event, a reservation may be a good idea as space is limited.

Montana Law Enforcement Academy Announces Partnership with Missoula College-University of Montana

Graduating Officers to Earn 18 Missoula College Credits

The Montana Law Enforcement Academy (MLEA) and Missoula College-University of Montana announced a joint partnership that will allow officers graduating from basic training to earn 18 college credits that directly transfer to Missoula.

"We're excited about this unique partnership between our Academy's Law Enforcement Officer Basic course and the Missoula College-University of Montana's Associate of Arts Degree with a focus in Fundamentals of Police Science," Attorney General Tim Fox said. "This agreement creates a bridge by providing graduating basic course students with the opportunity to receive 18 of the 60 credits needed to receive an associate's degree, and it's my hope all eligible new officers will take advantage of this opportunity to obtain a college degree."

The normal cost of the 18 Missoula College-UM college credits is \$1192.80; under this new partnership, MLEA basic course graduates who do not already have a college degree transfer directly into the Missoula College at no cost to them. Missoula College Dean Shannon O'Brien said, "These types of partnerships ensure that our communities are safe with well-educated officers while offering boundless opportunities for these officers by setting them on a path for continued success."

Glen Stinar, MLEA Administrator said, "This is great for our new class of officers that started on Monday, as well as future classes here at the Academy. Continuing education should be a part of a law enforcement officer's career. We intend to encourage graduates of our twelve-week basic law enforcement program to consider post-secondary educational opportunities as part of their career management strategy. This partnership gives them a head start down that path."

Operated by the Montana Department of Justice, the Montana Law Enforcement Academy is the premier law enforcement and public safety educational and training institution for state, county, city and tribal officers throughout the state. The academy offers entry-level (basic) programs and advanced training through an array of professional development programs. For more information, visit: <https://dojmt.gov/mlea/>

Missoula College - University of Montana is the two-year college of the University of Montana, located in Missoula. The college became part of the University of Montana in 1994, and offers 35 programs including career, transfer, and technical programs. Learn more at: <http://mc.umt.edu/>

CONGREGATE MEALS

Calling all Senior Citizens!! Every Wednesday at the Senior Center, 126 South Montana St. from 11:30 am (starts) until 12:45 pm Congregate Meals are offered. If you need a ride to the Senior Center please call the Dillon City Bus for your transportation needs. You may reach our city bus driver @ 660-4247.

This week's meal is going to be smothered chicken breast, rice, vegetables, jello salad and brownies. See you there. If you have any questions please call the Resource Center @ 683-6106. Together, we are "People Helping People".

SHELTER FOOD/SUPPLIES DRIVE

It is week four of the food/supplies drive. We appreciate all of you who have already helped stock our shelves. According to the 2014 Annual Report, for the calendar year November 2013 to November 2014, there were 233 cats released to the Shelter. Only 55 were already spayed or neutered and 70 were feral. The feral were spayed/neutered and vaccinated, then released onto ranch homes. On any given day there are probably 50 cats in the two indoor cat areas and probably another 15 to 20 kittens in cages not yet big enough to interact with the adult cats. Take that number and translate it into cat food and litter ... ouch! A good chunk of the Shelter's budget goes for food/supplies for the cats and dogs. When you donate these items, they can then use that money in other places that some times are too far down on the "to do" list to "get done". The Shelter's motto is "one by one until there are none". Please remember to spay/neuter your pets. There will be a clinic here in Dillon some time in October. It is not free, but affordable. As soon as the date it set, the Shelter will put announcements in all the local media.

Southwestern Montana Mammography Program Hike for the Cure

Hike to Baldy Mountain to support
Breast Cancer Awareness!

When: Saturday, October 3, 2015

Two departure times this year!

Walkers who want an earlier start: 8:30 AM

Faster walkers who want to start a bit later: 9:00 AM

Hike to Baldy Mountain to set some pink balloons free in honor of our mothers, daughters, sisters and friends who have been touched by breast cancer. This is a fun way to spend the day and see some beautiful country as well as celebrate the lives of the many women touched by breast cancer. The hike is not a race—it is go at your own pace and enjoy the great outdoors we are so fortunate to live in.

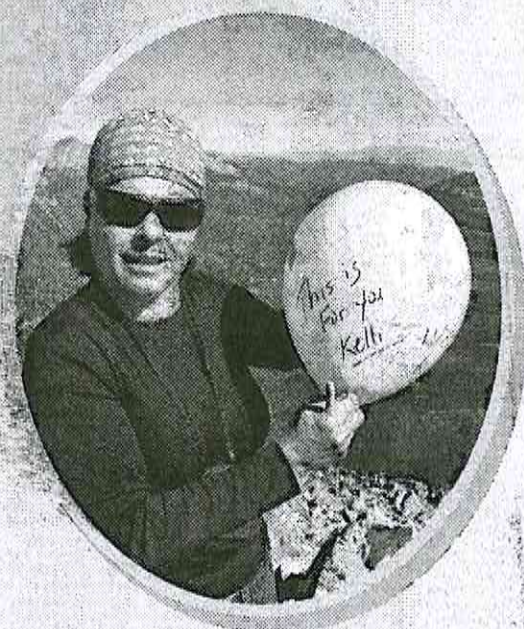

All are welcome!

Where: Please meet at Barrett Hospital's Medical Office Building parking lot for the hike and plan to carpool!

Bring plenty of water to drink and something to eat for lunch. Dress in layers as it is usually windy at the top.

Don't forget to wear some pink clothing to show your support!

**For more information, call Lesli Cottom
at 683-3232 or 660-2020.**
