Zoning Committee Meeting

By MJ:

Sept 22, 2015 zoning committee meeting was held. Present; Committee members Councilman McIsaac, Mooney, Mr. Schwandt. Mayor Klakken and City Attorney Dolan were present. Chairman McIsaac called meeting to order. Following are the recommendations that were forwarded to the council for a decisions.

Zoning compliance certificates approved: Garage @ 578 Kentucky, Julie Goins home based business, Bryers-Holschbach yard fence and Royce Deck on home.

Zoning compliance certificates opposed:

1. Beaverhead Pride townhouses was denied because the setbacks and several other zoning document requirements were not complied with.
2. Rezoning of Barnett, Kentucky and Thomsen was rejected. 75% of land owners signatures are required on the petition and this quota was not met.

The committee stayed true to the law governing the city when making their recommendations to the council. They referred to the document many times during the meeting, had in-depth discussions on each of the compliance certificates and when in doubt ask city attorney for direction to help them make the correct decision according to the zoning ordinance.

Ms. Sandra Berry read a synopsis for the two blocks on Idaho St. she would like to have rezoned as "historical district."

Following the law is not easy and often causes controversy. Once again at this meeting fingers were pointed and accusations were made.

Question: *Why is it humans are quick to point fingers outward toward others yet they will not take responsibility for their own actions and point the finger toward themselves? When disputes arise there is always more than one party involved – "Takes Two to Tango."* When all is said and done following the law gives equality to all.

Beaverhead Chamber Of Commerce Announces 2016 "All Hands On Deck"

In planning for the 2016 fiscal year, the Beaverhead Chamber of Commerce and Agriculture Board of Directors has opted to move to an all-volunteer structure without paid staff. In anticipation for the increased volunteer hours required, the Board is preparing a vision for on-going operations with the intent to simplify and strengthen the Chamber.

"It's all hands on deck for the Chamber in 2016!," said Mitch Staley, Board President. "The future is in our hands. 2015 has been a difficult year financially for the Chamber, so we're going to become a purely volunteer run organization, which means we're all— board members and business members, responsible for results!"

The decision to cut paid staff comes in response to lower membership numbers in 2015. The Board of Directors is crafting a plan to continue the Chamber that will encourage more member participation in the direction and execution of Chamber services with an emphasis of member involvement on the Board Events Committee and Membership Services Committee.

"Our Board feels strongly that the Chamber plays a vital role in our community," said Staley. "We're working on a 2016 plan that will provide the essential services that have proven successful in recent years. We're also working to craft a better, more representative membership structure for our coming 2016 Membership Drive."

The Chamber plans to offer basic and premium website listings, and will continue its Chamber Buck program, which will now be called "Dillon Dollars," to all members. To cover printing costs, there will be a 3% charge added when buying Dillon Dollars to allow businesses that accept Dillon Dollars to receive 100% reimbursement for purchases made with Dillon Dollars. a 5% loss to a business accepting Dillon Dollars. The Chamber plans to offer all traditional events (Halloween Party, Women's Expo (in 2016), Parade of Lights, Business After Hours and other networking events) in 2016.

The Chamber will also be administering the $28,000 Convention and Visitors' Bureau (CVB) FY 2016 Marketing Plan for the Dillon area, which includes the development of a mobile visitors' guide and funding for a Visitor and Information Center (VIC) staff position beginning again in June of 2016. The Chamber filled the VIC staff position for Summer 2015 and saw tremendous results from having the position. The 2016 VIC budget allows for an increase in the position's hours, which will better serve visitors.

The first Chamber Business After Hours of the Fall season will be hosted by African Oasis on Thursday, October 1st at 36 N. Idaho from 5-7:00 p.m. with a ribbon cutting ceremony at 5:30 p.m. The Board invites new applications for Board members as it's "All Hands on Deck" for 2016!

The Chamber is also seeking volunteers to help staff the Chamber Visitor Center. Any interested can call 406-683-5511 for more information.

Thank you!

The Family of Mike Skradski would like to thank all the people who supported our family during this difficult time.

Special thank you's go out to Lori Butiri, Dr. Mc Intyre, Dr. Murry, the ER, all of the Barret Hospital Department & Caregivers. For sure Marie Holt with Home Health & Hospice & her caring & compassionate "country nurses" who always put a smile on my dad's face it meant the world to him & our family. Also Ron Decker & Jenny Given who officiated the service. If you missed the obituary it is on the Brundage Funeral Home website. Thanks to Julie Briggs who also deserves a thank you!

Sincerely the Whole Skradski Family

Dreading Life

By: MJ

Do you dread getting up in the morning, dread going to work, doing dishes, driving in traffic, paying bills and more? All of above are part of being a living human being in today's world.

How we approach a situation makes a difference as to whether we will enjoy it or not. When we start the day with dread, we will have a negative complaining attitude. Dread or negativism does us no good because we must drive to work, pay bills and confront other issues in our life. Why do we dread things we must and will do? Dreading the day steals the JOY of life from us.

Negativism drains our body -- **Positivism** energizes us.

We go to doctors hoping they will give us medication that will return our energy and give us happiness. If we approached life, no matter what it brings, with a pleasant, thankful & thoughtful attitude, displaying a smile, we would find a much different life. Could we save that doctor visits & expensive prescription if we eliminated fear, and dread from our lives?

Smile your way through the day and lighten the load on your shoulders. It will give you a different perspective and you will get out of the dread rut you might be in.

Animal Shelter Food/Supplies Drive

Just a few more days left in September and the animals at the Shelter are enjoying the nice fall weather. The swimming pools have been put away and before you know it, there will be fresh straw in all the outdoor kennels. As we wind down our month long collecting of food and supplies for the cats and dogs, we want to thank everyone who has provided items for them. On Wednesday, September 30, there will be specially marked vehicles in the parking area at both IGA and Safeway where you can leave items. Donations can also be brought to the Shelter on Hwy 41 north of Dillon at Lagoon, or you can leave items at the Shelter Thrift Shop on Center across the street from the Elks. The Thrift Shop is open Wed & Thur, 10-4 and Fri & Sat 10-2. They are in the processing of putting out the Fall and Halloween items, so be sure to check those out. If you decide to come by the Shelter, they are open Mon, Tues, Thur, & Fri, 10-4 and Sat 10-3. While you are there you might want to visit with the little "chaweenies"; they are as cute as their names imply.

Barrett Hospital & HealthCare Wishes to Thank

Birth Dose Honor Roll

For the second year in a row, Barrett Hospital & HealthCare has been recognized on the Immunization Action Coalition (IAC) Hepatitis B Birth Dose Honor Roll. The Honor Roll recognizes hospitals and birthing centers that have attained high coverage rates for administering Hepatitis B vaccine at birth. To be included in the IAC's Hepatitis B Birth Dose Honor Roll, a birthing institution must have achieved, over a 12-month period, a coverage rate of 90% or greater for administering Hepatitis B vaccine to all newborns before hospital discharge. This coverage rate includes those whose parents refuse vaccination.

2015 Quality Achievement Award

Barrett Hospital & HealthCare was recently awarded the Montana Rural Healthcare Performance Improvement Network's (PIN) Quality Improvement Award for improving patient safety through medication reconciliation.

The Montana Rural Healthcare PIN is a voluntary membership of 48 critical access hospitals throughout the state. Through this Network, member hospitals are able to benchmark their performance with their peers on a variety of financial, utilization and direct patient care measures that encourage safe, effective, patient-centered care delivery in even the most remote communities of the state. PIN quality of care measures are based on national benchmarks, but are tailored to reflect the realities of the state's rural population.

Patti Mitchell Honored as Montana Hospital Association Trustee of the Year

The Trustee of the Year award us bestowed upon someone who is active in facility governance of a Montana Hospital Association member hospital, and have demonstrated noteworthy contributions to the work of said hospital. Patti, serving as a trustee of Barrett Hospital for 21 years, has been involved in many noteworthy projects for the hospital. Most notably, she oversaw the construction of our new 83,000 sq. ft. hospital, which was completed in 2012, on time and under budget. Patti also served on the Barrett Hospital Foundation board from 1996-2014. She helped complete a very successful capital campaign that raised over 3 million dollars. Under Patti's leadership, Barrett Hospital has received numerous awards for patient quality and safety, and was named a Top 20 U.S. Critical Access Hospital by the National Rural Health Association. Congratulations, Patti!

Yellowstone Insurance Exchange's Jeff Martin Award for Excellence for 2014

Barrett Hospital and Healthcare has won Yellowstone Insurance Exchange, RRG's Jeff Martin Award for Excellence for 2014. The award was established to recognize the efforts of members who put an extra emphasis on improving patient safety and quality care in the communities they serve.

BARRETT HOSPITAL & HEALTHCARE

Top 100 Hospital in 2015

For the fourth time in 5 years, Barrett Hospital was named a Top 100 Hospital. The Hospital Strength Index classifies all hospitals in the nation according to a combined score of quality, outcomes, patient satisfaction, affordability, and efficiency. The top 100 critical access hospitals represent approximately the top 7% of small rural hospitals in the nation.

Top 20 U.S. Critical Access Hospital

The National Rural Health Association (NRHA) recently named Barrett Hospital & HealthCare in Dillon, MT a Top 20 Critical Access Hospital (CAH) in the U.S., as determined by iVantage Health Analytics. The elite group of Top 20 CAHs was selected from iVantage's Top 100 CAH list, which was released earlier this month. The iVantage Hospital Strength INDEX™ is the industry's most comprehensive rating of US acute care hospitals, and the only one to include the country's 1,300 Critical Access Hospitals.

The determining factors for the Top 20 CAHs were based on 10 indices of strength, including quality, outcomes, patient perspectives, charge, cost, financial stability, market size and growth, competitive strength, competitive intensity, and population risk.

Becker's 50 Critical Access Hospitals to Know—2015

This list features critical access hospitals that have demonstrated excellence in caring for their communities. Providing quality healthcare in a rural setting presents its own set of specific challenges, but these organizations are rising above to meet the needs of their patients. The Becker's Hospital Review editorial team selected hospitals for inclusion based on awards and recognitions they have received. Specifically, the team looked at iVantage Health Analytics' list of Top 100 Critical Access Hospitals, the National Rural Health Association's list of Top 20 Critical Access Hospitals, patient satisfaction scores from CMS' Hospital Compare and various Healthgrades awards.

Becker's Hospital Review Names Ken Westman to 50 Critical Access Hospital CEOs to Know List

The administrators, presidents, CEOs and other executives on this list lead the hospitals on Becker's "50 Critical Access Hospitals to Know" list. Under their leadership and guidance, their hospitals have achieved success and earned recognitions from multiple reputable organizations.

Mountain-Pacific Quality Achievement Award

Barrett Hospital & HealthCare has qualified for Mountain-Pacific's Quality Achievement Award—the highest award given by Mountain-Pacific, in recognition for hospitals' dedication to ensuring patients receive the highest quality care possible.
