Ray passed away October 8, 2015. The third child of Albert & Lyla he was born Raymond Edward Trafelet, March 28, 1963. Born and raised in Dillon, Ray attended local schools where he wrestled and enjoyed socializing and making friends.

After high school Ray seismographed, rode motorcycles, and enjoyed the great outdoors. Ray is well known for his work ethic and heart of gold; which was evident when you saw Ray with his best friend constant companion Cujo. He was a hide and seek artist and loved exploring and finding hidden treasures.

Ray is survived by his daughters Kisha (Cody) Miner, Raeanna Kading & Karissa (Eric) Stoneman, 8 grandchildren, his dad Albert, siblings Fred, Rich and Reba.

Ray was preceded in death by his mother Lyla.

Fox Applauds Court Ruling Halting 'Waters of the U.S.' Rule Nationwide

Montana Attorney General Tim Fox released the following statement after the Sixth U.S. Circuit Court of Appeals ordered the new "Waters of the U.S." regulation stayed nationwide:

"In halting implementation of the Waters of the U.S. regulation nationwide, the Sixth Circuit made the right decision today. Montana and several other states have already been successful in stopping implementation of this new regulation in our own states, and today's ruling makes it clear the courts recognize the states' arguments against the regulation have strong legal merit. The Waters of the U.S. regulation is flagrant overreach by the EPA and Corps of Engineers, and Montana will do everything possible to stop it permanently."

Montana was one of the first states to file suit against the Waters of the U.S. regulation. A total of thirty-one states have filed suit against it in various court jurisdictions throughout the country. With the regulation now halted nationwide, the states' legal case against it will proceed.

The Sixth Circuit's ruling is available online.

RETIRED EDUCATORS' MEET

The Southwest Retired Educators met on Monday, October 5, 2015 at the 4-Bs Restaurant for a noon no host luncheon. Guest speaker, Trent Gibson, Deputy Director of the Montana Youth Challenge Academy, presented an interesting and informative overview of the Academy noting the effectiveness of the program in helping youth between ages 16-18 complete their schooling and prepare for their future. Retired educators expressed their appreciation for the good work the Academy is doing with the cadets.

In other business, Fran Schisler reported an excellent turn-out from our group with 12 members present at the State-wide Retired Educators Convention co-sponsored by the Dillon and Butte Units at Fairmont Hot Springs September 20th-22nd.

Fran was elected as the State Vice-President, also she was selected as winner of the "2015 Montana State Volunteer of the Year." In addition, the Dillon Unit was selected for the 2015 National Retired Teachers' Association "With Our Youth" Local Excellence Award. The application was organized and written by Fran and Otis Anderson.

Dillon was well represented in the talent area with a demonstration of pottery making by Val Prophet. Followed with an auction by Val of some of his pottery. Also, the Little Fiddlers entertained the convention crowd with their dazzling musical talents. The Dillon delegation felt "Dillon Proud" at their great performance.

The Southwest Retired Educators meet 3-4 times per year. The unit's next meeting will be held at the Legacy Senior Living Center at 12:00 noon Thursday, March 10, 2016.

All former employees who worked in the field of education are cordially invited to attend the unit's meetings. If interested in learning more about our group, please contact Jim Keef (683-0062) or Alan Zetler (683-4751). Come and enjoy the camaraderie and help do good things for our youth and community.

Decision for Butte Highland Mine Haul Road Project

The Butte-Jefferson Ranger District of the Beaverhead-Deerlodge National Forest has released an Environmental Assessment (EA) and final Decision Notice/Finding of No Significant Impact (DN/FONSI) for the use of Highland Road (FSR84) to haul ore from the Butte Highland Mine.

"After evaluating all the public comments, listening to concerns from the public and elected officials and reviewing the analysis in the EA, I have decided to still select both Alternative 2-Proposed Action (Highland Road (west) and Alternative 3 (Highland Road (north)/Roosevelt Drive as my final decision," said Dave Sabo, Butte-Jefferson District Ranger.

This decision would allow Butte Highland Joint Venture (BHJV) to haul unprocessed ore over Forest Service roads and provide a route for mine support vehicles for the Butte Highland Joint Venture Mine.

The EA demonstrates that both haul routes with required FS mitigation, project design criteria and operating requirements are equally acceptable. The EA and DN/FONSI are available on the internet at http://www.fs.usda.gov/goto/bdnf/projects (Under Analysis-Butte Highland Mine Haul Road). For additional information or to provide comments contact Dave Sabo, Butte District Ranger at (406) 494-2147.

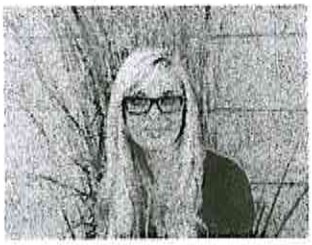
Team Member Position Available

Hi I'm Katelyn, the team leader at Precision EyeCare & Optical. I recently returned from a leadership workshop training in Phoenix. It was a great experience but made one thing very clear; we need to expand our team. We recently added a new doctor to our practice and now we need to add more team members.

So if you love working with people and making a difference in their lives, look forward to a challenging and rewarding role in your job, come in and see us.

Please deliver your resume and cover letter expressing your interest and how you would be a great addition to our team. And please ask for me when you drop that off, I would really like to meet you.



I look forward
to meeting you,

Katelyn
