Zoning - Medical Marijuana Oct 6th

By: MJ

Oct 6th zoning meeting. Committee members present Russ Schwandt, Ed Mooney, Jim McIsaac and Raymond Graham.

Discussion: Identifying the different areas around Dillon like; downtown district, shopping areas, what type of signage would be allowed in each area specific… Chairman McIsaac suggested that the committee take a field trip around town and make notes then bring that information back to the committee before they made any decisions.

Food Courts: A member in the public brought up the Mexican bus and pizza trailer. These entries are locate on private property. The county sanitarian represents the Department of Health and Human Services and they are in charge of inspections, monitoring, licensing and any other state regulations the establishment must comply with.

Marijuana Businesses: It appeared that most of the public in attendance was there to discuss the marijuana business located in downtown Dillon. They referred to the users of medical marijuana as **"unsavory"** people and went onto say the business is putting the integrity of downtown in jeopardy. *"Unsavory" is defined in dictionary as insipid, tasteless.* ***Question****: Are all people including those that might be considered the upper echelon class, those addicted to prescription drugs, the person whom had a little too much to drink at the locally owned bars also classified as* ***unsavory****? When we generalize and identifying people with distasteful titles we might be talking about our neighbor, boss, relative…*

The public brought up a number of issues that were discussed such as; the smell being emitted, people with allergies, type of people that are purchasing the product, violation of EPA laws, people getting headaches, the business having no checks and balances, disruption of surrounding business caused by marijuana business, people selling the drugs on the street, the city putting a moratorium on dispensaries or factories being allowed downtown… One member of audience stated several times they were not against medical marijuana just did not want it grown and dispersed in downtown.

Owner and Grower spoke: He stated that he is listening to the people and wants to make the business become a part of the future while keeping the flavor of Dillon with the small downtown atmosphere. He stated that there are a large variety of people documented to have had health improvements with the use of marijuana. He invited people to come in and learn firsthand about his business. He stated it was true at the end of the flowering cycle it does get very aromatic however he is working to install a system that would help purify the air. People cannot just walk in off the street and buy medical marijuana. There is an in-depth procedure they must go through in order to make a purchase. It is against the law for people to sell the issued medical marijuana on the street just like it is illegal to sell liquor to minors. Does it happen? Sure, we are humans. The owner informed the committee he has a $10,000 a month payroll?

Public once again brought up the word "historic" to Dillon. They stated the marijuana is not in keeping with the historic values of downtown Dillon. *If there is a written document that defines the theme of what historical means for Dillon I would like to be*

given that information. (Webster's dictionary defines the word as, relating to, or having the character of history. In the past there were *several businesses I can think of that would qualify as historic and were located throughout downtown. It might be questionable if people would welcome them back today.*

Let' us remember medical marijuana has been legalized by the state. If the citizens in Dillon have problems with the business, then they need to step up to the plate, stop the name calling condemning technique, leave your opinions home, gather facts and come to the table to see how the problem can be fixed. If your business is being affected bring those figures to the table, if you are having allergy problems come to a meeting… Let's work together.

BEAVERS STAY UNDEFEATED

Behind quarterback Troy Andersen's three passes for touchdowns and one run in the Beavers stayed undefeated winning on the road as they crushed the Stevensville Yellowjackets 41-6 Friday night.

The defense did a great job holding the opponents to the fourth quarter before Stevensville could score.

The scoring drives came from Andersen hitting receivers Ty McKay, Kohltin Starkel and Tory Walker and Carson Hritsco run 59 yards for touchdowns. Coby King came in to quarterback and hit Caleb Jones for a 7 yard touchdown to cap off the night for the Beavers.

Upcoming Beaverhead Chapter of Joining Community Forces Meeting

The Beaverhead Chapter of Joining Community Forces (JCF), a national initiative for active duty service personnel, veterans and their families, will meet at noon, Tuesday, October 20. All those interested in helping develop this chapter, please join us in the upstairs conference room at the Bank of Commerce (former State Bank). Lunch is provided. Meetings are the third Tuesday each month, same time, same place.

JCF's mission is to maximize the impact of community resources (civilian and military) to veterans, military members and families to build resilience and to foster a community network that is sustainable and relevant both now and into the future. For more information, call Jodie Jolly at 925-3563.

Here's the Dillon Middle School news for the week of October 19-23, 2015

The lunch menu for the week is as follows: On Monday we will enjoy chicken alfredo with bread sticks. On Tuesday a weiner wrap with savory rice will be served, and on Wednesday, we will have a chicken patty on a school made bun. Thursday , we will enjoy ham and scalloped potatoes with a dinner roll. And on Friday we will have potato soup with tuna sandwiches, applesauce and fresh veggies.

This Tuesday and Wednesday, October 21st and 22nd, students will be released at 2:30. This is due to an alternate schedule at the high school for their parent teacher conferences. So parents, please be aware that your children will be arriving home an hour earlier those days.

Cross country ended their season by hosting the Dillon meet. Mr. Zitzer and Mrs. Casey felt that it was a good year for the cross country team. They had a strong group of 7th grade boys which they look forward to having again next year. The 6th grade is very strong, and the coaches believe they will be pushing the upper grade for top times.

In cross country there was also a very good group of 6th grade girls who the coaches believe will be very competitive next year if they are able to run during the off season. Mr. Zitzer will miss Katie Van Slyke and Lucy Wright as they move to high school. He believes they will both be a positive addition to the BCHS cross country program. Great job cross country runners.

Volleyball also concluded their season on Saturday, October 10th with a tournament in Deer Lodge. The 8th grade team lost their first game by one point, and tied their second game. They then went on to win the next 6 games. The 7th grade wasn't able to pull out a win but have improved immensely. Great job ladies on a great season.

Boys basketball begins today after school. 8th grade will practice in the new gym, while 7th grade practices in the DMS gym. Tomorrow, Tuesday, October 20th, will be the basketball parent meeting at 5:00 pm in the DMS gym. 6th grade boys' basketball will begin next Monday, October 26th after school in the Parkview gym.

An immunization clinic will be held Thursday, October 22nd at DMS. Flu shots will be available to students and staff at that time.

Bulldogs open season with big win

The University of Montana Western women's basketball team opened the 2015-16 season with a convincing 84-57 victory over the University of Lethbridge Pronghorns behind the strong play of junior forward Molly Klinker.

Klinker a transfer from the University of Montana, made her Bulldog debut and pumped in 21 points, grabbed 16 rebounds and blocked two shots. Klinker started the first half on a tear, scoring 18 points and grabbing 14 rebounds.

Despite trailing at the end of the first quarter, 19-18, the Bulldogs made a strong push in the second quarter, outscoring the Longhorns 22-8 in the stanza to take a 40-27 lead into the intermission.

The third quarter started the way the second ended, with Montana Western forcing turnovers and scoring in transition.

For the third consecutive quarter, Montana Western scored 22 points and extended their lead over their Canadian foes. Pushing their lead to 27 points in an 84-57 win.

As a team the Bulldogs shot 45% from the field, knocked down eight three-pointers and tallied 16 assists to 11 turnovers. The stingy Montana Western defense held Lethbridge to a 29% field goal percentage and forced them into 15 turnovers in the contest.

Bulldog basketball falls to Lethbridge

The University of Montana Western men's basketball team fell to the visiting University of Lethbridge Pronghorns in its season opener, 89-82.

In a back-and-forth first half battle that neither team was able to take control of, Lethbridge took a 46-45 lead into intermission behind their fast-paced play and unforced Bulldog turnovers and mistakes.

The Pronghorns were able to put a stranglehold on the contest as they started the second half on an 8-0 run. On multiple occasions Lethbridge was able to stretch their lead to 14-points, only to see Montana Western answer with some clutch long-range bombs from Kurtis Parsons and aggressive drives to the basket from Shyke Smalls and Dexter Williams, Jr.

The major difference in a game that had each team with very similar statistics was the numbers from the free-throw line. Montana Western shot 68% from the charity stripe on 35 attempts, compared to 82% for the Pronghorns on 29 attempts.

The Bulldogs were led offensively by All-American Dexter Williams, Jr. who pumped in 20 points on 7-13 shooting from the field, Williams, Jr. added 10 rebounds, although he finished the game with six turnovers.
