MILITARY & VETERANS FREE TURKEY DINNER

"The Klondike is having a free turkey dinner for active Military and Veterans, on Veteran's Day, Wednesday, November 11, starting at 4:00.

TROY ANDERSEN TAKES THE BEAVERS THE DISTANCE IN QUARTERFINALS

The Dillon Beavers quarterback Troy Andersen took the Beavers the distance running for 183 yards and three touchdowns and passing for 186 and two touchdowns to get the 32-7 win Saturday afternoon in Dillon.

The playing conditions were less then pleasant with the field thawing out and the muddy mess making traction hard for players as well as officials.

The Beavers defense didn't allow Central any room in the second half with the Rams getting just 74 yards of offense.

The game started with the Beavers first possession getting the touchdown and taking a 6-0 lead. Billings Central came back with their own answer of a touchdown and made the extra point going ahead 7-6 in the beginning of the second quarter. The Rams had a fumbled snap, a fumble later on the Dillon 32 yard line and Payton Lafrentz pulled in an interception that led to a touchdown reception by him taking the lead to 26-7.

No. 13 'Dawgs roll past Lights on Senior Night

Western Bulldog football team scored early and often in route to a 52-6 blowout over winless Montana State – Northern on Military Appreciation and Senior Night at Vigilante Stadium.

The Bulldogs (7-2, 7-2) reached the end zone on their second possession of the night, an 11-yard JD Ferris to Matt Lickfold scoring toss that was setup by a Dillon Barnes punt that was blocked. Two plays after the blocked punt, Ferris found Lickfold in the corner of the end zone to start the onslaught.

On the very next drive, the Bulldogs stretched their lead to 14-0 on the back of Hunter Thomsen, .

The Lights showed some life as they mounted what would be their best drive of the night; an 11-play, 54-yard drive that elapsed 4:07, ended in a missed 43-yard field goal attempt by kicker Jaime Toscano. The field goal was way short and fielded by Jay Owens who returned it out to the 20-yard line to gain possession. Western was able to capitalize on yet another blocked punt, extending their lead to 21-0 early in the second quarter.

Just over two minutes later, Sam Rutherford out-ran the entire Lights defense into the end zone for his first score of the night to make the score 28-0 with 7:09 remaining in the half.

Seth Mason tacked on a 22-yard field goal with 2:21 seconds left in the half to put the score at 31-0 heading into intermission.

Northern's defense took matters into their own hands, as defensive back Logan Sprouse intercepted a Bradley Smith pass and returned it 46-yards untouched for the score. The extra point attempt was no good, making the score 31-6 in the third quarter.

Later Smith found Tyler Murray on a 51-yard catch-and-run that put the 'Dawgs up 38-6 with 4:10 to play in the third.

Northern had back-to-back three-and-outs, the latter of the two ended in a Dylan Kramer 13-yard touchdown run, pushing the lead to 45-6 with 12:31 remaining in the game.

The Lights return team was unable to handle a hard line-drive kickoff from Connor Greth, Langel's fumble recovery set up Smith's third touchdown pass for a 30-yard aerial assault – pushing the score to the final of 52-6.

Dillon Middle School News

Here's the Dillon Middle School news for the week of November 9th through 13th.

The lunch menu for the week is as follows: On Monday we will enjoy beefy noodles with a whole grain dinner roll. On Tuesday a sub sandwich will be served with trimmings and chips, and on Wednesday, we will have a local beef hamburger on a school made bun. Thursday , we will enjoy beef and bean burritos with refried beans. And on Friday we will have vegetable soup with school made bread, peanut butter, honey, applesauce and fresh veggies. First quarter grades went home with students last Friday. Please call the office if you did not receive these.

Last Tuesday, boys' basketball was successful against Anaconda. 8A won 39 to 27. 8B won 29 to 19. 7A won 34 to 20, and 7B narrowly lost 20 to 25.
Tomorrow, Tuesday, November 10th, the B teams travel to Deer Lodge. The bus leaves at 2:15. 7th plays at 4:00 followed by 8th at 5:00.

This past week, Mr. Williams' sixth grade PE classes have been having a BOLF tournament. BOLF is a mixture of golf and basketball. Stay tuned for results next week.
Mr. Valach's eighth grade technology classes just finished their architectural unit. They have designed some very beautiful and unique floor plans for camping vehicles.

There are several activities going on in Mrs. Waldorf's Enrichment and Gifted Ed. classes. The eighth graders are busy building a model of our entire school. They used a scale of one inch for every five feet of the actual building. They are discovering their model is going to be quite large! Sixth graders are building simple machines in pull out. These include levers, wheels and axles, inclined planes, and pulleys. The fifth graders will begin building their Mindstorm robots which they will be able to program to complete a variety of activities.

Finally, the fourth graders have just finished testing and are new to pull out. They will begin by learning about a variety of different kinds of bridges. They will then be asked to build the different kind of bridges. Weights will be put on the bridges to see just how much each one can hold. It is a lot of fun Last week, Mrs. Gibson's 7th grade students went to the radio station and had the opportunity to tape public service announcements. Thank you to KDBM / KBEV for giving our students wonderful opportunities to be on the radio.

These announcements are regarding the Veteran's Day assembly: We would like to invite all current and former service members to the Veteran's Day Assembly on Wednesday, November 11th at 10:45 am. WWII veteran Joe Carroll will be the featured speaker and the school band and choir will perform. A hamburger lunch will be provided after the assembly. This will all take place in the middle school gymnasium. Please RSVP Karen at 683-2368.

DILLON MIDDLE SCHOOL AND UMW HOLD COLLABORATIVE PROFESSIONAL DEVELOPMENT PROJECT

The first session of a new five part Dillon Middle School / University of Montana Western Collaborative Professional Development Project took place recently at the Dillon Middle School in Dillon, Mont.

Over sixty attendees included the Dillon Middle School and UMW faculty presenters, UMW Education Department faculty members, Dillon Middle School faculty, Parkview Elementary faculty and principals and superintendents from area schools.

Led by UMW education professor Laura Straus and Dillon Middle School educators Sarah Gibson and Channon Williams, the session was titled "Introduction to Responsive Teaching" and covered universal design for learning and content area literacy in several disciplines.

"This project is an exciting chance for Montana Western's teacher educators to work with some of our most valuable partners--the teachers of Dillon, Montana," Straus said. "We are thrilled to have this opportunity for shared professional development."

The goal of the collaboration is to provide an opportunity for shared learning and professional development for K-12 educators and teacher educators alike. Participants will learn about methods of responsive teaching that lead to increased student engagement.

Dillon Middle School Principal Randy Shipman and counselor Channon Williams were central to the collaboration coming together and invested hours in the planning, logistics and promotion of the project.

The upcoming sessions will take place on Jan.27, 2016, Feb. 24, March 30, and April 27 at the Dillon Middle School.

Barrett Hospital & HealthCare Earns Birth Registration Gold Star for Excellence

Montana statute requires that all births be certified within 10 days of delivery. The electronic birth certificate has 96 fields that must be completed. The Montana Department of Public Health & Human Services tracks timeliness and accuracy of birth certificate registration by hospital and birthing center.

In order to qualify for the Birth Registration Gold Star for Excellence, facilities must have registered 94% or more births within 10 days. In quarter 2 of 2015, Barrett Hospital & HealthCare certified 100% of births on time. Of the 18 hospitals honored for the Birth Registration Gold Star for Excellence, only 7 facilities, including Barrett Hospital & HealthCare, registered 100% of births on time. Barrett Hospital & HealthCare delivers between 70-80 babies per year.

According to Pat Sherry, Health Information Management Manager, "My team has worked very hard to ensure that all births are registered on time. With the help of the physicians and nursing staff, we have been able to ensure that every birth at Barrett Hospital & HealthCare is properly and accurately certified."

For more information about this award or for any other Health Information Management questions, please call (406) 683-3073.

BCHS VOLLEYBALL

The Beavers couldn't handle what the undefeated Columbia Falls Wildcats dished out Thursday on the volleyball court in Hamilton. The Beavers had a tough time blocking the kills from the Wildcat Morgan Stenger. The Beavers went down in 4 with the scores of 25-14, 25-9, 26-28 and 25-13 with the first round loss sending them to an early game on Friday.

The Beavers had 10 kills from Alex Rouse, 23 digs from Kodi Ferris along with 3 aces, 19 assists from Bailey Berriochoa, 3 blocks from Lexi Belice and 3 aces from Kyra Wood.

Friday against Polson the Beavers spikers season comes to an end. The Beavers were out again in four for the second day. 15-25, 25-15, 25-23, and 25-18.

The Beavers were led in kills by Lexie Belice with 9 along with her 1.5 block, Kylie Christiansen had 8 kills and 16 digs and 1.5 blocks, Alex Rouse had 5 aces, and five kills, Bailey Berrichoa had 23 assists, 15 digs and 4 aces, and Kodi Ferris had 18 digs.

ELK HUNTING AT DECKARD FLATS TO CLOSE FRIDAY

In response to recent heavy snows, state wildlife officials will close Deckard Flats near Gardiner to elk hunting at one-half hour after sunset on Friday, Nov. 6.

The closure is aimed at protecting elk migrating from Yellowstone National Park to winter range in Montana.

Deckard Flats is part of an important migratory corridor for this elk population. When elk move en masse through this area they are more vulnerable to harvest due to open terrain and easy access.

"The objective of this closure is to moderate the elk harvest by providing additional security to elk during their migration," said Howard Burt, Montana Fish, Wildlife & Parks wildlife manager in Bozeman.

By Fish & Wildlife Commission rule, Deckard Flats is subject to closure of all hunting with 24 hours notice. The closure comes on top of concerns of low numbers of mature bulls in this elk

population.

A winter storm moved through the upper Yellowstone area this week and resulted in up to two feet of new snow accumulation in YNP and adjacent areas, which triggered the northward migration.

Historically, there have been large migration events associated with similar heavy snowfall, and during these events FWP's wildlife managers have recorded large numbers of elk harvested in the Deckard Flats area.

To provide needed security for migrating elk, the closure would remain in effect for the rest of the hunting season, which is scheduled to end Nov. 29. Burt said, however, that if conditions turn mild and the migration stalls the closure could be lifted.

Hunters holding an elk permit for hunting district 313 may continue to hunt and harvest elk in hunting district 313 outside of the Deckard Flats closure area.
