Light Reading

By: MJ

There have been studies done on the following information and it has been proven to be true.

1) The first thing people see are your shoes and they use that information to form an opinion of you. 2) There are six people in the world that look like you and there is a 9% chance you will meet one of them in your lifetime. 3) A person's height is determined by their father and their weight by their mother. 4) If a part of your body falls asleep you can almost always wake it up by shaking your head. 5) There are three things the human brain cannot resist noticing; food, attractive people and danger. 6) According to Einstein if honey bees were to disappear from earth humans would be dead in four years. 7) You can survive without eating for weeks but you can only live 11 days without sleep. 8) People who laugh a lot live longer than those who don't – take a walk every day and smile while you walk. 9) Eat breakfast like a king, lunch like a prince and dinner like a college student with a maxed out charge card.

Lighten up your life and do not taking yourself too seriously -- because no one else does. ***Remember****: No one else is in charge of your happiness except you and no matter how bad a situation is it will change.*

A Poem for Veterans Day

"A Tribute To Ernie Pyle"

Sicily ___ Anzio ___ Normandy!
All battlegrounds of hell.
Okinawa, ghastliest of all
For this is where you fell.

T'is many years and still no peace
Since you joined the "ranks on high"
And still the awful "ack-ack-ack"
And still our "Brave Men" die,

It was you, who called them "Brave Men".
It was you, who gave them praise.
Your humble heart reached many.
And now you share their grave.

It is twenty years this April
That the world lost a friend
But you, too, were a "Brave Man"
When you reached your journey's end.

Privates ___ Generals ___ Correspondents!
They shared this awful hell.
Their rank forgot, together they fought,
All comrades when they fell.

The war ___ it is not over.
The "ack-ack-ack" won't cease,
Our "Brave Men" still go forward,
And still there is no peace.

Dear Ernie --
I like to think of you resting
Away from a war torn trail,
In your beloved "Albuquerque"
Where peace and quiet prevail.

To be again with Jerry
"That girl", most loved of all,
I like to think that Cheetah
Will come to your beckoned call.

Jerry and faithful Cheetah,
Forever by your side ___
They at last are with their "Master",
The gallant one that died.

I wrote poem April, 1965
Ernie Pyle was killed April 18, 1945

DOG OWNER BEWARE

A beautiful grayish-brown Great Dane and small black and white Sheltie have been seen running through the hospital parking lot several times lately. They seem to know where they are going but the problem is that I'm afraid the Great Dane may be shot because it may be mistaken for a deer. Please, who ever owns them, keep them home.

Happy 240th Anniversary Marines

On Nov. 10, 1775, the Second Continental Congress resolved to create two battalions of Continental Marines for the War of Independence from Britain. In 1798, President John Adams signed the Act establishing the United States Marine Corps. The 13th Commandant of the Marine Corps, General John A. Lejeune, issued Marine Corps Order No. 47, Series 1921, directing that on Nov. 10 every year, in honor of the Corps' birthday, the Order's summary of the history, mission and tradition of the Corps be read to every command.
