Press Release - Shooting Incident

On 11/10/2015, at 06:50 p.m., the Beaverhead County 911 Center received a citizen report of drunk driver heading south on Interstate 15 near Barrett Park six miles south of Dillon. A Deputy Sheriff was dispatched to the area.

A short time later, the Deputy Sheriff located the suspect vehicle on a frontage road about ten miles south of Dillon. The Deputy made a traffic stop at the intersection of the interstate entrance ramp. The driver of the vehicle and only occupant brandished a rifle. The Deputy Sheriff responded with an appropriate level of force and shot the driver. The driver was then given medical treatment and transported from the scene by EMS.

The Montana Department of Criminal Investigation was requested by this agency to conduct an independent investigation. This is normal procedure when there is a law enforcement officer involved in a shooting.

The names of the driver and the Deputy Sheriff are being withheld at this time.

Pile Burning Begins Near Butte

Fire officials from the Butte-Jefferson Ranger District have begun prescribed fire activity which may result in visible smoke.

Firefighters will be burning piles in the Hells Canyon area west of Silver Star. Additional pile burning will occur near Lowlands Campground, Northy Gulch, Kit Carson and along the Red Rocks road north of Butte. South of Butte slash piles will be burned in the Limekiln Road, Moffit Mountain and Highland Junction areas. Other areas with slash piles to be burned are located in German Gulch near Fairmont, and Mill Creek in the Tobacco Root Mountains.

Fire crews will burn under prescribed conditions and monitor these burns after ignition to ensure they stay within prescribed boundaries.

Travelers and residents in these areas may see smoke from these burns; however, little impact from the smoke is expected. For more information regarding these prescribed burns, contact the Butte-Jefferson Ranger District at (406) 494-2147.

**Bulldog cross country qualifies two runners
for NAIA Cross Country Championships**

In the inaugural cross country season for the University of Montana Western Bulldogs, they had two freshmen qualify for the NAIA Cross Country Championships that will be held in Charlotte, North Carolina on November 21, 2015.

After running strong races all season, Mindy Kaufman - a freshman from Alta, Wyo. - helped lead the Bulldog women to a fourth place team finish after running her race in 19:43 to finish No. 8 overall in a field of 47 runners. Kaufman was only runner not from conference champion Carroll College or runners-up Lewis-Clark State College to place in the top-10. She was also the second fastest freshmen in the Frontier, finishing just 30 seconds behind the top overall freshmen.

Also for the women's team, freshman Beth Jansma just missed out on qualifying for the Cross Country Championships by finishing No. 16 in a time of 20:22, just three seconds short of placing in the top-15. Jansma ran solid all season and will look to be a force next season.

Other competitors were Gabi Gomez-Wint (No. 20), Caleigh Buckmaster (No. 27) and Amanda Stobie (No. 29). Despite being in their first season of competition, the women's team finished ahead of Rocky Mountain College and Montana State - Northern in the team totals.

Paul Bielawski, a freshman from Shelby, Mont., continued his strong first season for the Bulldogs by finishing No. 10 out of a total 55 runners at the Conference meet. Bielawski completed the race in

After being competitive all season, the men will look to build off of this year's momentum to move up the ranks next season.

**MONTANA WESTERN JUNIOR
RECOGNIZED FOR VOLUNTEER SERVICE**

Montana Western junior Shayla Wood was recently named the "Volunteer of the Game" during a Western home football game.

The award was presented by UMW Chancellor Beth Weatherby and Commissioner Karin Olsen Billings of the Montana Commission on Community Service.

Montana Campus Compact and the Governor's Office of Community Service are recognizing student volunteers at one home game for each of Montana's five Frontier Conference NAIA institutions this football season.

Wood was recognized for her commitment toward helping others in the Dillon community. She has spent many hours volunteering for events with the local women's resource center, the local Youth Connections organization and working with churches on community events.

"We're very proud of Shayla and her dedication to serving the community of Dillon," said Chancellor Weatherby. "Shayla's ability to balance her volunteerism with her academic and cheerleading commitments is impressive and the type of student we're pleased to have at Montana Western."

Montana Campus Compact is Montana's largest higher education network and works to improve community life by educating students for civic and social responsibility.

The Governor's Office of Community Service expands and promotes national service and volunteerism in Montana and engages citizens in service and emergency preparedness.

Beaver Head Hunters

The Beaver Head Hunters Genealogical Society will meet on Tuesday, 17 November, at 7:00 pm, in the Museum Research room. Do you have an ancestor who participated in the Civil War? Do you know what it was like for the soldiers? After the short business meeting, Pat Darling will be talking about the Civil War, especially from the perspective of the soldier. The soldiers often thought there was "nothing to eat except hardtack and not enough time to make coffee".

Come get acquainted with the life of a soldier. As always, the public is invited.

REMEMBER THE FOOD PANTRY

The Food Pantry Needs Meat! Please remember the local Food Pantry when you make room for your fall butchering. Meat must be professionally processed and not older than one year. The Food Pantry is open Wed. 12-30 - 3:30 or you can call Janey 865-0225.

DOG OWNER BEWARE

A beautiful grayish-brown Great Dane and small black and white Sheltie have been seen running through the hospital parking lot several times lately. They seem to know where they are going but the problem is that I'm afraid the Great Dane may be shot because it may be mistaken for a deer. Please, who ever owns them, keep them home.
