John Hren Jr.

John Hren Jr. Passed away at his home on November 13, 2015. John was born on October 8, 1930 at the old Barrett Hospital in Dillon Montana.

He attended local schools and lived most of his life on the family farm south of Dillon. He served in the Marines and fought in the Korean War. John married Beverly Peterson in 1952. He

worked for the State Highway Department and on the family farm for many years. He began ranching full time after he retired from the Highway department. John enjoyed going in the mountains and checking his cows during the summer and helping feed and calve them in the winter. He was a life time member of the Elks and belonged to the American Legion.

He was preceded in death by his father John Hren Sr. and his mother Katie Hren. John is survived by his wife Beverly and his two daughters Cheryl Hren (Jeff Nelson) and Renee (Mike) Klakken. Cremation has taken place and at his request no services are planned.

Don Mitchell

My fishing partner has left me. My father, Don Mitchell passed away at home on Friday, November 13, 2015.

Don Mitchell was born May 22, 1931 in Malad Idaho. He joined the US Air Force in 1950 and served during the Korean War. He met Reba Jo Tryon in 1951 and they spent 63 years together. He had four children, Michael Mitchell (Sharon), Kali Ashford, Pamela Lindsey (deceased) and Janet Aker(Alan).

After leaving the military he worked for his parents here in Dillon doing ranch work. After his parents sold the ranch he worked for Cottoms. For a period of time he moved his family to Utah where he worked for Thikol Chemical. In 1960 he moved his family back to Dillon where he has lived ever since. He worked highway construction and when you drive from Dillon to Butte or Dillon to Idaho he would be happy to remind you that he helped make those roads available to you. He made many dear friends in Dillon over the years. He played guitar and was known to bust out in song over a

Bulldog men split at Lewis-Clark State tournament

The University of Montana Western men's basketball team was unable to get back on track this weekend as they split their two games at the Clearwater River Casino & Lodge Classic hosted by Lewis-Clark State College this weekend.

In the first game the Bulldogs took on Evergreen State College and came away with a 100-89 victory.

In the win, the Dawgs shot a blistering 56 percent from the field as they knocked down 38 of 67 shot attempts. Demetrius Balark led the team in points, assists and rebounds as he almost collected a triple-double for the second time this season. Balark totaled 22 points, nine rebounds and seven assists in the game. He also came away with a game-high three steals.

Shyke Smalls followed closely as he poured in 21 points on 7 for 11 shooting and a perfect 7 for 7 from the charity stripe. Smalls also pitched in five rebounds and four assists as the backcourt duo led the Bulldogs. Dexter Williams, Jr. and Ryan McCarty scored 16 and 14 points respectively to join Balark and Smalls in double figures. Williams also grabbed seven rebounds before fouling out in 26 minutes of action.

In their second game of the weekend, the Bulldogs were unable to hold onto a 50-41 halftime lead as the Warriors from Corban outscored Western 48-34 in the second half and defeat Western 89-84.

For the second night in a row and the sixth time in seven games this season, the Bulldogs opponents knocked down 10-plus three-pointers as the Warriors were 12 for 32 from long-range on the night.

It was another great offensive outing for the Dawgs who scored 84 points and shot better than 50 percent from the field (32-62 for 52 percent) and shot 43 percent from three-point territory (10-23). The difference in the game was giving up 11 offensive rebounds for 16 second chance points and turning the ball over 15 times that led to 16 points off of turnovers for Corban.

Shyke Smalls paced the Bulldogs offensively as he scored a career-high 29 points on 10 for 18 shooting, he also grabbed four rebounds and dished out four assists. Kurtis Parsons came off the bench to score 12 points on 4 for 6 from downtown and Dexter Williams tossed in 11 points to round out the double digit scorers for Montana Western. Big man Quinn Smith grabbed nine rebounds, scored five points and blocked a shot to hang tough in the paint. Junior Ryan Sullivan, who was making his second consecutive start, shipped in six points and seven rebounds. Balark was much quieter on the offensive end in the second game as he was limited to four points, but dished out seven assists.

With the loss, Montana Western dropped to 3-4 on the season, and is off until December 3.

Street Maintenance Calculation

By: MJ

The city has been assessing property owners per linear foot of street frontage for street maintenance costs. **Question:** *Would evaluating by the square foot be a fairer way?*

The mayor has been researching the fairness of how the city charges property owners within the city boundaries for street maintenance. It appears that both correct and incorrect calculations exist and also properties not paying any assessment. The mayor brought some examples to the street and alley committee meeting November 12, 2015.

There are many issues involved in a process of changing how the assessments are done and does take a great deal of time. The mayor brought a very small example to the committee asking for the committees input on whether they would like him to proceed exploring the possibility of a more equitable way.

Involved is small and larger parcels of Ag. Land that is in the city limits that may or may not pay an assessment, sub-divisions that have not been built out or developed... These are several of the issues that would be studied in further detail.

Streets in Dillon are a sore subject. Street maintenance is costly and not everyone using the streets are paying their share of upkeep. With more and more people building outside the city limits, yet using the streets computing to and from work, it does put a heavy burden on those within the city to have enough money to have pot hole free streets. The city does get a small portion of gas tax that goes into the street fund. **Question:** *What is keeping people from building within the city boundaries? Are there too many rules and regulations, not enough land....*

The mayor is willing to do the work required to gather more information if the committee and council decide they want to proceed. The more information the council has the better the decision will be for all involved in paying the assessment.

If you are interested don't be an apathetic citizen. Come to the table and speak up. This is an important issue for the future of Dillon. The streets are not going away and will require continued maintenance. The question is: *Who will pay?*

Ray Honey, Vietnam Vet with pride

GIVING TREE

The Giving Tree is going up! With the closing of the Dilmart, we weren't sure what we were going to do, until the Mason's stepped in with an offer to help. The Tree will be housed in the old Bert's CD's building and manned by volunteers. Target date is to have the three up and full of tags by November 24th. Slips from families needing gifts are scattered around town - at the Office of Public Assistance, Yellowstone Boys and Girls Ranch office, Migrant Council Office and Adult Probation and Parole.

If anyone has questions, feel free to call Gail @ 660-2528. A huge "THANK YOU" to the residents of Beaverhead County for the support you have given the Giving Tree for the past 27+ years.

Will We Ever Change??

LaVon D. Brillhart

Aren't we as humans funny creatures? We spend a short time on this beautiful old planet. We can send a picture through a wire any place in the world. We can talk to any person in the world. We can ask a question and have the answer in one second. The so called modern conveniences are astounding.

But it seems we hate, destroy, and kill everything in our path including each other.

We allow each other to die. We allow children to go to bed hungry. We allow old people to die with no care. But on the other hand we can spend one million dollars a minute for war materials.

We hate, show no respect for each other. We show no respect for the animals and plants

We live on this unique, beautiful planet and we know of no other planet like this in the universe. And if we did we cannot get there to destroy that place either.

Why do we spend so much time with anger and hate? The movies we see, the books we read, the news every day are all full of hate and destruction.

We teach our children not to trust anyone. We ourselves don't trust our neighbors, our fellow workers and of course we do not trust the government.

When will so called smart people become intelligent? When will so called intelligent people become smart?

LaVon D. Brillhart

today. He was a member of Dillon Elks Lodge for 60 years. He was my best friend. He spent 55 years trying to out-fish me. He probably didn't try all that hard. I will miss him.

There will be a funeral reception for Don on Monday, November 23rd at the Dillon Elks Lodge.

Dr. Glen Johnson, Superintendent
Dillon Elementary School District
22 Cotton Drive
Dillon, MT 59725
November 12, 2015

Re: Veterans' Day Program

Dear Dr. Johnson:

On behalf of the Legionnaires of the American Legion Post No. 20, at Dillon, I would like to thank the Dillon Elementary School District for its outstanding Veterans' Day Program on Wednesday, November 11, 2015. Every aspect of the program was on message and well done. As military veterans, it is encouraging for us to see the depth of patriotism being instilled in our young people.

Especially impressive was the polite and respectful behavior demonstrated by your students. You, your staff, and student body are to be congratulated for presenting an impressive patriotic program recognizing veterans for their service to our country.

Moreover, having combat veterans share some of their experiences added a meaningful perspective to the program. It was obvious by the number of standing ovations that the audience appreciated the presentations, and the service these veterans rendered to America.

Sincerely,

James L. Keef

Bulldog women continue hot start

The University of Montana Western women's basketball improved on their 6-0 start to the season after picking up two more non-conference victories this weekend over College of Idaho and Corban College. The Bulldogs played in the Twin Rivers Physical Therapy Classic hosted by Lewis-Clark State.

The 8-0 start to the season is the best since a 7-0 start in 2011-12, in 2006-07 the Bulldogs started 15-0 which is the last time Montana Western qualified for the NAIA National Tournament.

In their first game of the tournament, Montana Western jumped out to an early 46-23 halftime lead in rout to an 85-67 victory over College of Idaho.

The defense in the third and fourth quarter was not as stingy as they allowed 44 points and got caught hacking as College of Idaho put down 13 of 18 free throw attempts in the final two frames to outscore Western.

"In the second half, our transition defense was porous, but we scored enough to hold them off," Woolley said.

The offense was led by junior Molly Klinker who pumped in 30 points on 12 of 20 from the field, including two three pointers. She was joined in double figures by Aniese Palmore (19), Sierra Higheagle (15) and Kaye Bignell (13). Dani Baker and Darby Schye score six and two points respectively to round out the scoring for Montana Western.

Kaye Bignell collected a double-double as she led the team with 10 rebounds to go with her 13 points in the game.

Palmore, who has been a force to start the season, neared a triple-double in the game. She added nine rebounds and eight assists on top of her 19 points. Palmore was very efficient as she connect on 7 of 9 shots and 4 for 6 from three.

Just 24 hours later, the Bulldogs returned to the floor to face Corban College (Ore.). Despite a very different path, the outcome still remained the same for the undefeated Bulldogs, as they came away with a 67-63 victory.

Freshman Darby Schye was big off the bench with starter Molly Klinker on the bench due to foul trouble. In 20:34 of playing time, Schye chipped in six points, seven rebounds, one block and one steal. The Bulldogs were led by Higheagle's 14 points, followed by Klinker's 11. Kaye Bignell pitched in five points, five rebounds and a game-high four steals.

Montana Western will be off this weekend and will return to action on Nov. 27 and 28 as they will travel to College of Idaho.
