Tom Welch Announces HD 72 Candidacy

Tom Welch, local businessman announced this week his intention to file as a Republican for the Montana House of Representatives District 72 seat. This will be an open seat in the 2016 election cycle as current Representative Jeff Welborn term limits out in the Montana House of Representatives. House District 72 encompasses all of Beaverhead County and a small portion of Butte-Silver Bow County. Although the actual filing date for Legislative candidates is not until mid January, by announcing his intentions at this time, Welch is able, after filing the required documentation with the Montana Commissioner of Political Practices, to begin to move ahead with his campaign including receiving contributions and putting together a campaign plan of action.

In addition to successfully serving as longtime President/CEO of Pioneer Federal Savings and Loan Association, Welch is well known for his involvement with many area non-profits and organizations. He has served multiple terms on both the District 10 School Board and the Barrett Hospital Board as well as been actively involved with organizations such as the Dillon Jaycees, the Beaverhead Foundation, the Beaverhead Allied Senior Services (BASS), the Pioneer Federal Community Foundation, Inc. and the UM-Western University Council. He and his wife, Phyllis, have two daughters Jill (John) Klocke and Tracy (Mike) Blando and 3 grandchildren.

In commenting on his decision, Welch stated, "I am a proven business and community leader, a difference maker, who will bring a common sense approach to those Montana Legislative decisions impacting our way of life. I look forward to visiting with area residents about our local economies including agribusiness and discussing how we can work together to make the positive decisions needed to move forward."

The 2016 Primary election will be held on June 7th with the General Election held on Tuesday, November 8th.

Congratulations to the Beavers and Western football teams for a great season. Coaches and players are a class act.

MONTANA WESTERN STUDENT RECEIVES NATIONAL AWARD

The University of Montana Western student Brandon Piazzola recently received a national award for his efforts toward raising awareness for student health.

Piazzola traveled to Washington D.C. with Peers Advocating Towards Health (PATH) to attend the Boosting Alcohol Consciousness Concerning the Health of University Students (BACCHUS) general assembly. On the last day of the conference Piazzola was presented with the 2015 BACCHUS Initiatives Outstanding Student award by BACCHUS president Kevin Kruger.

"It was a surprise and an honor to be nominated for the award," said Piazzola. "The opportunities provided by Montana Western have allowed me to participate in a variety of self-improvement activities like PATH. I couldn't imagine attending another university."

Piazzola was nominated by Montana Western's health and wellness director and PATH advisor Lexi Benson after he participated in Celebration on the Hill, an event held in Helena, Mont., aimed at educating the legislature on health issues. Piazzola was introduced to State Senator Debby Barrett and Governor Steve Bullock to discuss the importance of funding for tobacco prevention in Montana.

"Brandon is very involved with health and wellness activities around campus and consistently brings great ideas to our peer education organization," Benson said. "I was pleased to nominate him for his efforts around advocating for students making healthy decisions."

Piazzola is currently a junior at Montana Western pursuing an elementary education degree in physical education.

Holiday Shopping

By: MJ

The big chain stores located out of the Dillon area, are ramping up their well-planned marketing schemes to get you to Buy, Buy, Buy. Once again I am hearing; "I can't find anything in Dillon so I go out of town or shop on line." On line shopping is convenient and may or may not be quick. Out of town shopping can be expensive when you consider you must add traveling cost to your purchases. Travel costs plus the cost of the meal you probably will eat while out of town can eliminate the savings you thought you were getting with the coupon. The standard mileage rate is .575± cents a mile. Round trip to Butte, 120± miles X .575 = \$69.00±. *Spending money in Dillon might be the inexpensive way of shopping and far more rewarding.*

Would you be willing to set aside one day to shop in Dillon, supporting businesses that support your town, your schools, little league teams, local employment, donate to local fund-raisers...? Many businesses in the Dillon area are offering unique gifts. *Ramp up your gift giving by finding a special gift that shows love with appreciation and not just any ole gift that says "one gift down only 2 to go."* NOTE: A small gift that has a meaningful wrapping is another side of gift giving. Show your child another way of gift giving besides that plastic toy they see on TV.

BEAVERHEAD CHAMBER NOVEMBER BOARD MEETING, THURSDAY, DECEMBER 3 AT NOON IN DILLON CITY COUNCIL CHAMBER

The Beaverhead Chamber of Commerce will meet on Thursday, December 3rd at 12:00 p.m., Noon at the Dillon City Council Chamber. The agenda will include final planning for Friday's Christmas Stroll and Parade of Lights as well as nominations for 2016 Board Officers.

Members and the public are welcome and encouraged to attend and participate.

Home Made Mince Meat and Fruit Cake

Eastern Star Ladies have once again made their famous MinceMeat and FruitCake that you have all come to enjoy. It can be picked up on Dec. 4 during the Christmas Stroll in front of the Masonic Lodge Hall (11 S. Idaho), or call Diana at 865-0372.

November was Diabetes Awareness Month

Are You at Risk for Diabetes?

BARRETT
HOSPITAL & HEALTHCARE

- ◆ 29.1 million people or 9.3% of the population in the United States have diabetes. In other words, about 1 out of 9 people have diabetes. And another 1 in 4 (or 27.8%) do not know they have diabetes.
- ◆ 86 million people have Prediabetes (9 out of 10 people!!)
- ◆ 15-30% of people with Prediabetes will develop Type 2 diabetes within 5 years.
- ◆ \$245 billion is spent for medical care, lost work and wages for people diagnosed with diabetes.
- ◆ Risk of death for adults with diabetes is 50% higher than for adults without diabetes.
- ◆ Medical costs for people with diabetes is twice as high as for people without diabetes.
- ◆ People who have diabetes are at a higher risk of health complications that include blindness, kidney failure, heart disease, stroke and loss of toes, feet or legs.
- ◆ There are 3 main types of diabetes: Type 1 when the body does not make enough insulin; Type 2 when the body is resistant to insulin; and Gestational diabetes occurs during pregnancy.

Take this test to determine your risk for diabetes and see your doctor or health care provider to find out for sure.

Risk for diabetes	Yes	No

I have a sister, brother, parent, grandparent, aunt or uncle with diabetes		
I have high or low blood sugar		
I am overweight (20% or more over ideal weight) and carry more weight in the abdominal area		
I usually have no daily exercise		
I am 45 years or older		
I previously had diabetes during pregnancy or had a baby weighing more than 9 lbs. at birth		
I have high blood pressure (greater than 140/90)		
I have high cholesterol

Extreme thirst, hunger		
Frequent trips to the bathroom (urination)		
Unexplained weight gain or loss
