Borrowman featured at Christmas Stroll

Dillon author and UM-Western Western English professorShaneBorrowman will be signing copies of his newest book "Mistakes Were Made: Reflections on Being a Mediocre Father" at The Bookstore.

This book is written in rich clear prose where the author presents us with the real world, not advice on parenting nor life. He models challenge facing rather than problem solving. This is a laugh out loud read. His twins, John and Samantha are just now realizing how much he has written about them. Shane feels they will turn out OK since his wife, Beth is there as the family's voice of reason and at times the safety net for them all.

Borrowman is a professor of writing and literature at Montana Western where he serves as chair of the English department. He is the editor/co-editor of six collections of original scholarship including "Trauma and the Teaching of Writing," "Rhetoric in the Rest of the West," and "On the Blunt Edge: Technology in Composition's Pedagogy and History."He has also edited/co-edited three writing textbooks including "The Promise of America" and "The Cost of Business." As a writer, his work has appeared in publications as diverse as "Renaissance Magazine," "Brevity" and "Rhetoric Review." he covers such topics as boxing in medieval England to Renaissance navigation to medieval Arabic scholars and Jeannette Rankin's overlooked importance in the history of the American peace movement.

He will be signing copies of his book during the Christmas Stroll at The Bookstore, Friday night from 5:30-7:30. Call Debbie if you would like to reserve your copy of this book (you will want more than one)

"ON THE ROCKS" SERIES PRESENTS: THE HISTORY OF CADASTRAL MAPPING

Former Montana Department of Revenue administrator Dolores Cooney will present in the latest installment of the "On the Rocks" series on Dec. 7, 2015.

"On the Rocks" is a lecture series sponsored by the environmental sciences department and University of Montana Western Foundation.

Cooney's presentation will discuss the history of cadastral mapping and the origins of Montana's statewide cadastral map.

Cooney was instrumental in developing the Montana taxation maps into one of the first statewide cadastral mapping systems.

She has served as a member of the Montana Geographic Information System Task Force and as an International Association of Assessing Officers executive board member.

The lecture begins at 3:45 p.m. in Block Hall 311 on the University of Montana Western campus. The "On the Rocks" series is free and open to the public.

Annual Library Book Sale Scheduled – Donations and Volunteer Help Needed!

Calling all book lovers! The Dillon Public Library has scheduled its annual Book Sale for Friday, December 4th through Friday, December 11th. The sale will be held at 13 South Idaho Street beginning on the night of the Christmas Stroll and continuing through the following Friday, December 11th. This sale will have something to interest almost everyone and will include a large selection of vintage books, popular fiction, nonfiction, videos, and DVDs that may be purchased far below their retail value. We will also be selling a large collection of vintage sheet music.

The Library is in need of volunteers on Thursday, December 3rd and Friday morning, December 4th to help move tables and books and set up the sale. Volunteers with pick-ups are especially welcome! We can also use volunteers during the sale and to help with clean-up at the end of the sale. A sign-up sheet for volunteers is available at the Circulation desk of the Library. Please help us out with this vital project! Many hands make light work, and without volunteers, the Library cannot hold these book sales.

If you have books to donate, please feel free to drop them by the Library in anticipation of this sale. A good pre-Christmas cleaning of your old, stale book shelves will benefit both you and the Library. It's also a good time to stock up on fresh, new reading material for the coming winter! Prices for the books gradually decline throughout the week, The last day of the sale – Friday, December 11rh – is "Buck a Bag" day, when for one mere, thin dollar a whole BAG of books may be purchased.

The money from this book sale will go for additional Library programming in the coming year. Please consider joining in this fun, community event to benefit the Dillon Public Library – as a customer, as a helper, as a lover of books and libraries! Hope to see you there!

Beaverhead County High School Band

The Beaverhead County High School Band will present its Fall/ Winter Concert on Wednesday, December 9 in the BW Lodge Gymnasium. The program will feature the BCHS Symphonic Band and Jazz Bands. The program will begin at 7:30 p.m. and the public is invited to attend this free evening of music.

The concert will begin with the Symphonic Band. First will be the march Marche des Parachutistes Belges by Pierre Leemans and edited by Charles Wiley. Leemans, who in the Belgian Army during World War I, was inspired to compose this march after a dinner with a group of Belgian paratroopers in 1945. Next will be Reverberations by Brian Balmages. The work is based on a two-note motif that echoes throughout the ensemble. To end the first set will be Hugh M. Stuart's Three Ayres from Gloucester. The three movement work is written in the English Folk Song style.

The middle portion of the program will feature the Jazz Band. They will open with an arrangement of Backatown, which was made famous by the New Orleans jazz artist Trombone Shorty. After will be a couple jazz arrangements of standard holiday music. To end the jazz set, the band will perform Paul Murtha's arrangement of the classic War hit Low Rider.

The Symphonic Band will finish the concert with traditional holiday music. First will be the arrangement Christmas Music for Winds. It is a medley of several traditional holiday songs include Adeste Fidelis, Silent Night, Jolly Old St. Nicholas, and others. The final selection will be Two Hebrew Folk Songs, arranged by Norman Ward.

The instrumental music program at BCHS is under the direction of Mr. Christopher Kloker.

Dillon Public Library needs help

Dillon Public Library needs help with a Christmas display. We have two locking display cases in the public library one upstairs and one downstairs. We would like to fill both cases with crèches for the Christmas season. The display cases will best accommodate smaller crèches, which are under 12" in height and which occupy an area not larger than 8 ½" X 11". If you have a small or unusual crèche you would like to contribute to our display, please let us know. We are asking people to loan these crèches to the Library for the month of December. We would like to see a wide variety of small crèches and hope that you might have one you would be willing to share with the community by loaning it to Dillon Public Library to display for the month of December. Please call or stop by the Library if you would like to help us with this display. 121 South Idaho St., (406)683-4544
