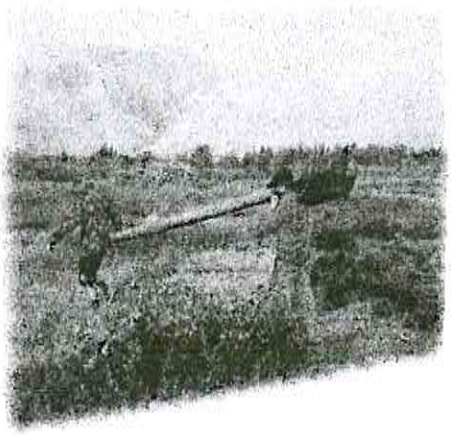
Going Batty in Dillon

When wildlife biologist Kelly Bockting was approached by a BSA Life Scout that wanted to put up bat boxes on BLM for his Eagle Scout project, the perfect location came to mind, the Henneberry Homestead Cabin Rental site. The Cabin is situated directly adjacent to the Beaverhead River as well as a slough and waterfowl production ponds that create great mosquito breeding habitat. Therefore cabin renters should surely appreciate the biological control of mosquitos. Insectivorous bats are primary predators of night-flying insects and a single bat can consume over 1,200 mosquitos an hour.

The Dillon Field Office purchased the materials for construction and local Scout Dylan Johnson built the bat houses with his father Nate. Dylan enlisted the help of fellow Scouter Bradley Rakich to install them. Six bat houses were built and installed at the Cabin rental site in August 2015. Since they were erected in late summer it is not anticipated that they will be used for roosting until next summer. They will then be monitored for use, and additional houses can be constructed and installed if needed. Bats investigate new roosting opportunities while foraging at night, and they are expert at detecting crevices, cracks, nooks and crannies that offer shelter from the elements and predators. There are multiple designs for bat houses, and requirements when installing them, that increase the likelihood of use. Two great websites for more information and tips on living with bats are Bat Conservation International's http://www.batcon.org and http://batweek.org/.



There are 15 known species of bats in Montana, 45 in North America and 1293 known species World- wide, in fact

Here's the Dillon Middle School news for the week of December 14th through 18th.

The lunch menu for the week is as follows: On Monday we will enjoy beefy noodles with a dinner roll. On Tuesday a corn dog will be served with mac and cheese, and on Wednesday, we will have a chicken patty on a school made bun. Thursday, we will enjoy ham and scalloped potatoes, and on Friday potato soup will be served with tuna sandwiches.

The boys' basketball A hosted Deer Lodge last week. 7A won 53-15. 8A won 53 to 15. Then, they traveled to Butte East where the 7B team lost 18 to 34, and the 7A team won 35 to 20. In eighth grade, the B team won 40 to 37, while the A team narrowly lost 47 to 48 in a hard fought battle.

Congratulations to Jonathan Corona, Jace Fitzgerald, and Cole Truman for winning the three on three basketball tournament. These three students then got to play Mr. Williams, Mr. Edwards, and Mr. Zier. The students played well, but the teachers triumphed over the students 9 to 7. Thanks, Mr. Williams for running such fun lunch time tournaments.

The winter band concert will be tonight, Tuesday, December 15th , at 7:00 pm in the new gym. This concert will include 6th through 8th grade choirs and bands. The concert is free and open to the public. So come and enjoy an evening of holiday music.

We've had a great response by the students so far for our food drive. Students, keep those canned goods coming. This week, if you bring 2 cans of food to Mr. Valach by 8:15, you can participate in dodge ball on today. Then on Wednesday, bring canned goods in order to wear your hat and / or shades. Then on Thursday, bringing canned goods will get you a popcorn treat. Friday, December 18th, which is the last day of the food drive, there will be dodge ball eighth period. What a great opportunity to enjoy some special treats while you help those who need a helping hand.

Last Friday, students enjoyed their snowball dance. Mr. Williams and his son, Trae, were the amazing DJ's. Over 170 students attended, and a great time was had by all. Students brought over 100 pounds of food to the dance to help the local food pantry. Also, money was raised for MBI. Great job, students.

bats make-up 20% of all known mammal species in the world. Major conservation issues that have led to the decline of bats include loss or disturbance of day and night roosts (trees/caves/rock outcrops and abandoned mines), loss of prey species due to pesticides, White-nose Syndrome and collisions with wind turbines. Providing bat houses is a great way to reduce conflicts with home owners that want to provide habitat for bats that may be roosting in attics or out buildings as well as conserving wildlife.

Dillonite Daily Editor:

I was listening to a CD where Placido Domingo sang, 'An Old-Fashioned Christmas', it brings back those memories around that old oak dining table at grandmothers' house where the entire family gathered during so many holidays during the years.

I was also thinking of the youth of today, those under the age of 40. There is no memory of the major events of this Nation that have formed so many memories of us who are more than 60.

My thoughts also travel to the time when the forefathers of this Nation formed what we should enjoy. However, the talking heads in Washington and the news media are infidels to what was designed and blessed by God, Yahweh. Those men back two hundred years ago were inspired by Him and gave us a Declaration of Independence and Constitution. Today those same talking heads have bastardized. It must be true that God has taken His hand off this Nation and letting it go its own way to destruction.

President Abraham Lincoln said it back in 1863, "We have been the recipients of the choicest bounties of heaven. We have been preserved, this many years, in peace and prosperity. We have grown in numbers, wealth and power, as no other nation has ever grown. But we have forgotten God. We have forgotten the gracious hand which preserved us in peace, and multiplied and enriched and strengthened us; and we have vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own. Intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us! It behooves us, then to humble ourselves before the offended Power, to confess our national sins, and to pray for clemency and forgiveness."

Thomas Jefferson said, "Indeed, I tremble for my country when I reflect that God is just, and that His justice cannot sleep forever."

This man trembles also. Ed Flanders, Dillon, MT
