Twinkling Trees

Every Christmas people all over the world decorate trees to celebrate the holiday. Come join us at the Dillon Public Library and take a look at trees from near and far! We'll spend the evening enjoying refreshments and Christmas tree themed activities, including a tree hunt around the library. Sip some hot coco and listen to a story about a special Christmas tree. Then make an ornament for your own trees at home!

Bring the whole family Friday, December 18th from 6:30 to 7:30 pm. If you are planning to attend, please call the Dillon Public Library at 683-4544 or let us know the next time you stop in. Walk-ins are welcome. All library programs are free of charge. See you soon!

Communication

By: MJ

Communication is about understanding the emotion and intentions behind the information. Communication is about others feeling heard and understood. Engaged listening allows you to hear different pitches in someone's voice, telling you how that person is feeling and allows you to make the other person feel heard and understood. All too often when we say one thing the other person hears something else, allowing misunderstandings, frustrations, and conflicts to succeed.

When writing some of my articles I have found myself falling into the depths of despair while trying to communicate what I am hearing at some of the city meetings. The zoning document has been very confusing for me as I watch citizens come to the committee after they have filled out an application sheet only to be turned away for more information by the committee. Time and time again this is happening. Would it be possible for the zoning committee to develop an application that reflects everything the zoning document requires, allowing city personnel do their jobs better, zoning committee getting all information they need to make a decision and the people to move forward without much delay? Example: If one has an accident and ends up in a wheel chair would the immediate need of the person take persistence over the building of a ramp according to set-backs, location...?

Effective communication is the glue that strengthens connections and improves teamwork, decision making, and problem solving. It helps a person to communicate even negative and difficult message without creating conflict or destroying trust.

I get the impression that there is a breakdown between the information relayed and the way that information is heard. Communication is the key for better teamwork.

Wilson named AFCA NAIA All-American

The American Football Coaches Association has released the 2015 AFCA NAIA Coaches' All-American Team.

The First-Team honorees include senior linebacker AJ Wilson, 6-foot-1, 240 lbs. who was named to the Frontier Conference First-Team and Frontier Conference Defensive Player of the Year.

Following the best season in over a decade for the University of Montana Western Bulldog football team – a 7-3 record and a third place conference finish – Wilson helped propel the 'Dawgs all the way a No. 10 national ranking as the captain of the Bulldogs stalwart defensive unit.

The stingy Bulldog defense led the Frontier Conference in rush defense per game (104.6 yards) and were second in defensive scoring per game (17.2 points) and total defense per game (340 yards). They were not only at the top of the conference, but the NAIA as well – No. 7 in rush defense per game, No. 9 in scoring defense per game and No. 14 in sacks per game (2.8).

The AFCA's NAIA All-American Selection Committee is made up of three head coaches from each of the AFCA's seven districts. The coaches are responsible for ranking the top players in their respective districts.

During the season, Wilson racked up a team-high 73 total tackles – 45 solo and 28 assisted – 9 tackles for loss, 3.5 sacks, 4 interceptions, 4 forced fumbles, 1 fumble recovery and most impressive, 3 defensive touchdowns.

All three touchdowns came in the Bulldogs first game of the season, a 49-6 rout of Rocky Mountain College. He returned two fumbles and one interception for a touchdown, he also intercepted an additional pass to earn Frontier Conference Player of the Week honors.

Wilson also earned Frontier Conference Player of the Week

honors in their second game of the season, a 24-20 victory over College of Idaho.

On top of the early mentioned awards, the All-American selection was a first for Wilson as he was a second team all-conference performer a season ago and was named an American Football Network preseason NAIA All-American heading into the 2015 campaign.

In 39 career games as a Bulldog, Wilson totaled 233 tackles, 30.5 tackles for loss, 11.5 sacks and five interceptions. Wilson finished just 1.5 tackles for loss away from a Montana Western school record.

"Compliments to AJ and all his hard-work and dedication," stated head coach BJ Robertson, "we constantly talk about what a student of the game he is and we're excited to have our second consecutive All-American selection."

Safety Jesse McCloud was named a Second-Team AFCA All-American last season for the Bulldogs who collected their second consecutive defensive All-American.

"AJ came to Montana Western with a plan to leave the program better than he found it," Robertson continued, "which is something he did through his leadership on and off the field."

The Bulldogs were just 2-9 before Wilson stepped on campus, the next two seasons the Bulldogs finished with identical 4-6 records before helping lead his team to a 7-3 record in his final season on the field.

Wilson will graduate in the Spring of 2016 with a Bachelor's degree in K-12 Health and Physical Education.

HOLIDAY BLOOD DRIVE

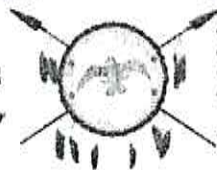

A Dillon community blood drive will be held on Tuesday, December 22, 2015 from 1:00 to 6:00 PM at the Elks Lodge (27 East Center Street). The drive is facilitated by United Blood Services and sponsored by the Presbyterian Church. Appointments can be made by calling 683-3696, or log on to www.bloodhero.com and use the sponsor code "Dillon". Walk-ins are welcome, but those making appointments will receive priority.

This blood drive will help replenish Montana's blood supplies for the upcoming holiday season. Blood can only be stored for 42 days, so the blood that is collected now will save the lives of hospital patients or those receiving medical treatments during the holidays.

To donate blood, volunteers must be at least 17 years old, weigh at least 110 pounds and be in good health. A donor must not have donated within the last eight weeks. Your blood donation very important, so if you can donate, won't you call or go online?

In this Tuesday's Dillonite Daily I rejoiced in the letter by Ed Flanders sharing the spiritual wisdom of Abraham Lincoln and Thomas Jefferson in regard to our nation that is forgetting God. He valued the memories of better days experienced by those "more than 60" years old. I suggest memories of those "more than 80 or 90" might be even more fitting.

Somewhat of this matter of "forgetting God" can be attributed to the labors of those who formed the Humanist Manifesto of 1933 when some national leaders beget a movement to displace deity-based religious systems. Our educational systems were the main targets. It strongly affected me and my best friend Dick in our college days together after World War II. I went home and mocked my parents' faith in the Bible. But later, when investigating the evidence of life and history more seriously, I became a committed Christian.

At our high school class reunion in the '80's, I met my friend Dick, now school superintendent of a large city in Kansas. When he learned I was now a Christian, he exclaimed, "I CAN'T BELIEVE IT! I CAN'T BELIEVE IT!"

Yes, when you and I survey the critical crises of lost moral and spiritual values surrounding us today, we must concede Abraham Lincoln's analysis, "we have forgotten God." Like Thomas Jefferson and Ed Flanders, I, too, "tremble for my country" recognizing that God's "justice cannot sleep forever." Thank you, Ed! H. Eugene Eslinger, Bicentennial Apartments.

BULLDOG HEAD FOOTBALL COACH ACCEPTS POSITION WITH MSU

University of Montana Western head football coach BJ Robertson has accepted an assistant coaching position with the Montana State University Bobcats football program.

"I am excited to accept the opportunity from coach Jeff Choate to join his staff," Robertson said. "It is truly honor to be a part of building the Bobcat football legacy."

"I am forever indebted to Montana Western. I can't thank the players, coaches, administration and staff enough for all their support."

In three seasons as head football coach at Montana Western, Robertson's Bulldogs went 4-6, 6-4 and 7-3 including a third place conference finish this past season.

Robertson is the third Montana Western alum to be hired by the Bobcats. New head coach Choate is a '93 graduate of UMW and earlier this month Rocky Mountain head coach Brian Armstrong, a '98 UMW grad, was named to the staff.

"We wish all the best to BJ as he moves on to the Bobcats," UMW athletic director Ryan Nourse said. "We're grateful for the excellent program he has put together and we'll begin immediately to find the right head coach to build on our successes."

Robertson who earned a Bachelor of Science in business education from Montana Western in 1998 was a running back on the 1994 Frontier Conference Champion team. He is also a member of the UMW Athletic Hall of Fame.
