Edward Andrew Kenison

Edward Andrew Kenison of Dillon passed away on January 6, 2016 at Barrett Hospital in Dillon. He was born on April 4, 1940 in Dillon, MT to Edward Frank Kenison and Bertha Marie Salmons-Kenison. Ed grew up in Dillon and graduated from Beaverhead County High School in 1958. Ed served in the Montana Army National Guard from 1963 to 1969 as an Artillery Surveyor, Scout for a tank platoon and later a Sergeant. He was an engineering surveyor for the Montana Highway Department and later the US Forest Service. He was an avid fisherman and hunter and enjoyed spending time in the mountains with family. He was a skilled woodworker who built toys for kids, dollhouses, yard ornaments and bluebird houses. He brought back thousands of mountain bluebirds to the Beaverhead County area. He built, installed and managed over 250 bluebird houses for their habitat and all to enjoy. As a behind the scenes community service worker, he was active in the Dillon Garden Club and the yellow ribbon campaign for Dillon Supporting Soldiers. Together with community donations, he cut out, painted and helped hang over 300 yellow ribbons for soldiers and their families. He was later honored by the White Hat Coalition for his community service.

Ed was preceded in death by his father Edward, mother Bertha, and his wife Dolores Stenson-Kenison, close cousins Fred "Buster" Brown, and Bill and Larry Jo Salmons and his great friend Garvin "Fergi" Ferguson. He is survived by his sister Minnie Kenison-Stevens, nieces Anne (Pat) Wagenfehr, Lisa (Scott Rakich), nephews Mike (Michelle) Stevens and Robert Stevens. Step children David (Doritta) Stenson and family, Janet Stenson and Ronald Stenson, numerous great nieces and nephews.

The family will hold a remembrance memorial service at Brundage Funeral Home on January 11th, at 10:00 AM followed by a graveside service. Memorial contributions may be made to the Dillon Garden Club, Dillon Junior Fiddlers or Barrett Home Health and Hospice.

Next time you take your family to the mountains and spot a blue bird, please think of Ed. A guestbook is available online at www.brundagefuneralhome.com.

MONTANA WESTERN PROFESSOR TEACHES AT NEPAL'S KHUMBU CLIMBING CENTER.

Chemistry professor Steve Mock has begun his seventh trip to Phortse, Nepal where he will spend a month at the Khumbu Climbing Center (KCC), just 15 miles from the base of Mt. Everest.

Mock is the co-director of the KCC, a non-profit organization working with Nepalese climbers and high-altitude workers. Their goal is to increase responsible climbing practices within Nepal's economically vital tourism and guiding industry. Classes are offered in the winter when the tourism season is at a low and last either eight or ten days.

Mock will spend his time in Phortse with other instructors to teach Sherpas about the many aspects of guiding in the high-altitude environment of Mt. Everest. Mock teaches climbing basics as well as more advanced climbing skills.

The education provided at the KCC can provide Sherpas financial stability as guides on Mt. Everest, one of the most sought after high-altitude climbs in the world.

Founded in 2003, the KCC mission "is to increase the safety margin of Nepali climbers and high altitude workers by encouraging responsible climbing practices in a supportive and community-based program."

We are rearranging displays at the Museum for the month of January and are planning a display on the history of the banks in Dillon. We have some interesting artifacts for display, but would greatly appreciate loans of banks memorabilia for the display. The items do not have to be donated to the Museum permanently, but could be loaned for a short period of time. We have little banks that have been gifts from the various banks through the years, but memorable calendars, year books, or any other little items given away by the banks through the years are welcome additions to the display.

Any items loaned will be carefully marked with names and addresses and returned to the family when the display is changed again.

Please drop in, even though the sign says "closed" because we are inside working hard in order for the new displays to be ready by February 1 when we reopen to the public.

Book Talk by Jeanette Prodggers

Jeanette Prodggers, editor of *The Champion Buffalo Hunter*; the Frontier Memoirs of "Yellowstone Vic" Smith, will give an overview of Vic's fascinating exploits Tuesday, January 19, at 7 p.m. at the Dillon Public Library in the basement programming room.

"Yellowstone Vic" regales adventures with such famed historical figures as Theodore Roosevelt, Sitting Bull, the Marquis de Mores, Liver-Eating Johnson and Yellowstone Kelly, to name a few. In the 1870s and early 1880s, he roamed the Montana and Dakota badlands and prairies scouting for the U. S. Army, hunting buffalo, guiding wealthy Easterners, collecting fossilized specimens for a museum in Medora and performing as a trick shooter. He then spent the next 20 years in Idaho and southwestern Montana.

What we today would consider phenomenal risks were commonplace in those days – take one fork in the road, you live; take the other, you die. Many of Smith's acquaintances died with their boots on, to borrow his vernacular. Despite many, many close calls with death, Smith lived to the age of 75.

Editor Jeanette Prodggers spent more than three decades collecting information on Victor Grant Smith and located his unedited manuscript in 1990. *The Champion Buffalo Hunter* is a captivating, action-packed, first-hand chronicle of a true frontiersman and his acquaintances. His memoirs span the 20-year period between 1870-1890, which witnessed the end of the free-roaming buffalo and the Indian wars in western North Dakota and eastern Montana.

Books will be available for purchase and signing. Jeanette lives in Dillon with her husband Rich and her black lab June. She has a bachelor degree in journalism and is a practicing licensed clinical social worker. Other works by Prodggers include *Butte-Anaconda Almanac* and *The Only Good Bear: Historic Bear Stories of the Western Frontier*.

Each year, the Association of Professional Dog Trainers, the largest professional association for dog trainers in the world, proclaims January "National Train Your Dog Month." This campaign's goal is to promote the importance of training and socialization to all dog owners.

According to the Humane Society of the United States, between six and eight million dogs and cats are turned in to animal shelters each year, and about four million are euthanized for lack of good homes. Studies by the National Council on Pet Population Study and Policy have found that most dogs (and cats) are turned in to shelters for common behavior and training issues that could easily be solved with the assistance of a professional. In fact, research has found that training and socializing dogs when they're young can reduce or even eliminate behavior problems in the future.

Since January is the time for New Year's resolutions, it is the perfect time for the dog owners of Dillon, MT, and those who may be considering getting a dog, to learn about the importance of training for their pet. The APDT web site has a wealth of helpful information for pet owners at www.apdt.com/petowners.

APDT and its over 6,000 member trainers are dedicated to helping keep dogs in homes, in showing dog owners how to fully enjoy and have fun with their dogs, and to experience the joys of having a well-trained dog.

Sincerely,

Linda Lyon, Ph.D., CPDT-KA

Deb O'Neil

Deb O'Neil is a beloved Parkview Elementary Teacher+ member of Our Savior's Lutheran Church. She has been a positive mentor to so many young people in this community. On Wednesday, November 25 she had surgery in Seattle to remove a benign tumor from her brain. She is currently still in Seattle Kindred Hospital where she is on the long road to recovery.

Update:

Because of the location of the tumor and the damage that was done to the brain during the surgery she is dealing with many side effects. She was unable to breath on her own and was on a ventilator for a little over two weeks - at which time they did have to do a trach. She still continue to breath with the teach but each day is better - yesterday she was able to off oxygen!!! Most of the effects on her body have been the right side and she does multiply therapy with multiply therapist to gain strength. She now able to move both legs and arms and hold her head up.

Please continue to support Deb and her family anyway you are able. We do meet every Wednesday at 4:30 at Our Saviors Lutheran church for about 30 mins to pray for Deb and her family!! All are welcome!!!
