NO POWER BALL WINNER

So all workers should be on the job today! Sorry!!

THANK YOU

A huge, HUGE THANK YOU goes out to the wonderful people of Dillon & Beaverhead County for the support of the Giving Tree this past Christmas. WOW! Because of your generosity, we were able to give 380 + gifts to 190 children. Tags were taken, gifts were bought, money was donated - all in the spirit of helping those in our community. Thank you to the Mason's who stepped in and gave us a place to house the tree, hung tags, and kept track of tags going out and gifts coming in.

Thank you to those at KCI who used your volunteer hours to help me label the gifts and sit at the table. Claris Yuhas, Sharon Rice, Judy Tash, Linda Lower, Ronnie Bolick and Carleen Chaffin - thank you for being the elves in the background that make sure the right gifts are in the right sacks and all the gifts get delivered.

Thank you to all who helped make the 2015 Giving Tree such a success. We are truly blessed to live in this caring community.

Gail Kuntz

A Peaceful note to Mr. Rich Wassall

Dear Mr. Wassall

I am glad that you were upset about my writing in regards to "war". We should all be upset about "war".

I am sorry that you were disrespectful with the use of my name. Maybe if we all had more respect on all levels we would not have "wars".

Best wishes for a peaceful national and a peaceful world.

Bulldogs overcome slow start to defeat Montana Tech

The Montana Western men's basketball team (10-6, 3-1 Frontier) overcame a slow start to win a crucial Frontier Conference road game against rival Montana Tech (5-12, 0-4) by a score of 79-72.

The Bulldogs were able to secure their 7th victory in 9 attempts after a slow start to the 2015-16 season. Just as they started their season, the Bulldogs started the game slow as they fell in a 7-0 hole early and trailed by as many as 13 (18-5) with 12 minutes to play in the first half before out scoring Tech 32-17 and taking a 37-35 lead into intermission.

Inside of the 32-17 spurt was an 18-4 run sparked by junior guard Shyke Smalls as he knocked down three 3-pointers to help Montana Western gain some momentum into the second half.

"We overcame a sluggish start tonight and pieced together a balanced scoring attack," stated Head Coach Steve Keller.

The Bulldogs only had six players find the scoring column, but five of them reached double-figures. They were led by Quinn Smith and Shyke Smalls who each scored 18 points, Dexter Williams, Jr. followed with 17 points as Connor Woodill and Demetrius Balark chipped in with 12 points apiece. Ryan Sullivan was the only other Bulldog to score as he scored one basket for two points.

Williams, Jr. and Smith neared double-doubles with eight and seven rebounds respectively. Woodill grabbed five rebounds as Sullivan brought down four as the Montana Western tried to keep pace with the Diggers on the glass.

Montana Tech out rebounded the Bulldogs in the game 42 to 32, including a 10 to 7 edge on the offensive glass.

Despite shooting only 41 percent from the field, the 'Dawgs were able to gain an advantage from the charity stripe where they finished 30-40 in the game.

While flashes of offense and a big first half run kept Montana Western in the game early, the Bulldogs were able to take control of the game by forcing Tech into 22 turnovers while only committing nine.

Williams, Jr., Smalls and Ryan McCarty each came away with three steals.

One of Smalls takeaways in the second half led to a monster fast-break slam that ignited the Bulldogs to stretch their lead to double-digits for the first time all night.

Lady 'Dawgs blow past rival Diggers

The University of Montana Western Lady Bulldogs took a 3-2 lead just 40 seconds into a Frontier Conference matchup with rival Montana Tech and never looked back as they raced past the Orediggers 72-54 to win their first conference game of the season.

The Bulldogs (11-5, 1-3 Frontier) dominated nearly every statistical category and outscored Tech (5-10, 1-3) 18-4 in the pivotal second quarter as they pushed a four-point lead after the first quarter into a 38-20 lead at intermission.

The Diggers were able to cut the lead to 10 points with 8:44 remaining in the game after a Martha Dembeck 3-pointer before Montana Western ended the game on a 15-7 run capping of the road win.

With the win, Montana Western earned their 11th of the season – exceeding their 10 wins from the 2014-15 season – and kept themselves from dropping their fourth consecutive conference game.

Senior Sierra Higheagle led the way with a game-high 17 points on 7 of 12 shooting from the floor, including 3 of 5 from downtown. Three Bulldogs joined Higheagle in double-figures – Aniese Palmore (14), Britt Cooper (14) and Kaye Bignell (10). Leading scorer Molly Klinker chipped in nine points.

Higheagle, Palmore, Bignell and Klinker all played in limited minutes as they finished with four fouls each.

Palmore and Cooper tied with a game-high eight rebounds in the game as Palmore also dished out a game-high six assists as she flirted with not only a double-double but also a triple-double.

Klinker also pitched in with six rebounds and McCall Hasquet finished with six.

For the game, Montana Western outshot Tech from the field 52 percent (27-52) to 30 percent (16-52), they dominated the glass as they nearly doubled the Diggers rebounding total 48 to 25 and controlled the paint as they outscored Montana Tech 46-26 in the key.

Tech was led by Hattie Thatcher who had team-highs in points (15), rebounds (6) and assists (6). Kourtney Coverdell and Dembeck each scored in double-figures with 13 and 11 respectively.

Montana Western will continue on their road trip as they travel to Lewiston, Idaho to play (RV) Lewis-Clark State College on Saturday, tip-off is set for 6:30 p.m. MDT.

week of January 11th through the 15th.**

The lunch menu for this week is as follows: Today, Monday, we will enjoy spaghetti with meat sauce and French bread. Tuesday, a sub sandwich will be served with trimmings, and on Wednesday we will have a BBQ pork patty on a school made bun with trimmings. Thursday, we will enjoy a soft shell taco with trimmings, and on Friday, we will have chilli served with a cinnamon roll, applesauce and fresh veggies.

The second quarter will be ending January 15th. Second quarter report cards will go home with students Friday, January 22nd. We will have no school next Monday, January 18th, in observance of Martin Luther King's birthday.

Each DMS student participated in the school wide geography bee during their social studies classes. As a result of the initial competition, representing the sixth grade is: Daniel Martin, Conner Vezina, Asher Voss, Carsten Lemelin, Kyle Hawley, and Anson Wright. Seventh graders competing will be: Grant Orme, Malcolm Peterson, Claire Ostler, and Sam Jones. And representing the 8th grade are: Hunter Bocking, Jade Morast, Cole Johnston, Erik Westman, and Brandon Elmer. These students will compete this Wednesday, January 13th for the school Geography Bee.

The student council hosted a gingerbread house contest right before the winter holiday. Congratulations to the winners.... In third place was Kendell Schipman. Second place was Lauryn Peterson, and winning the top prize was Jolee Gillis. Thank you, Mrs. Bartlome and Ms. Husted for judging. Great job students, and thank you student council for sponsoring this event.

For the past several years, the MBI team has been facilitating a student voice survey. After students take the survey, administered by Mr. Valach, Mr. Williams then facilitates an assembly which all students attend. At this assembly there is a panel of students chosen to represent each branch of our student body. This is a great opportunity for our student body to voice their opinions and to participate in making our school a better place. We'd like to share some of the results of this survey. 96% say that school is a welcoming and friendly place. 94% comment that they are encouraged to practice good citizenship at school. 86% of students say that they enjoy being at school. 97% believe that they can be successful, and 93% say they push themselves to do better

academically. 99% of students feel their parents care about their education. 85% of students feel accepted for who they are at school, and 90% feel they have a teacher who is a positive role model for them.

Students were then asked to participate in a discussion of several topics, such as "What does a good leader look like?" "Who do you see as a leader and why?" "Do you think there is a teacher in this school who knows you well?" "What can we do as students to show support of each other?" Thank you, Mr. Williams, Mr. Valach, and the MBI Team for this very valuable opportunity to work towards making our school a better place.
