JEFF WELBORN

Letter to the Dillonite Daily

I'm officially filing today for Montana Senate District 36, which includes Beaverhead, Madison and parts of Silver Bow and Jefferson Counties. I have served last of four terms in the House of Representatives, and now look forward to the campaign for the Senate seat that serves the vast majority of land and approximately 10,000 residents of SW Montana.

I'm a good listener with common sense and a strong voice. Please let my experience and respected leadership continue to make a difference for you.

My campaign is about my track record, one focused on Jobs, the economy, building infrastructure and educating our kids.

I'm proud of my voting record on policy important for family businesses, natural resources, property rights, and the creation of good paying jobs. I'm also a strong advocate for common sense education policy, our public employees, health reform and rural hospitals.

I strive to be thoughtful in my deliberations, and my goal is simple, to do the right thing for Montana. It also takes the ability to listen to folks, get good information, be willing to make a decision and stand behind it.

I'm proud of the work we've been able to accomplish in my four prior sessions. Meaningful reform to Worker's Compensation. Wolf management reform that gives us real tools to manage the species, and it has buy in from all stake holder groups, ranchers, hunters and conservationist alike. I've also been a tireless advocate for the long term viability of UMWestern, The Virginia and Nevada City complex, and access to our public lands. Please know that I vote 100% of the time with the good of my District in mind, and that is the most important statistic of all.

Trusted leadership and earned respect among my colleagues and constituents is something that didn't happen over night. I continue to remain very accessible to you, and I approach this campaign no differently. Please reach out to me with questions and concerns, as I would rather have a personal conversation, whatever it may be, than missing an opportunity to hear what's on your mind.

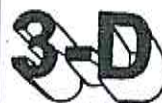

Senator Debby Barrett who is prohibited from running again due to Montana's term limit law, currently holds this seat. I want to thank Senator Barrett for her public service over the past 16 years.

Wood Bank News

There is a saying that firewood warms you twice - once when you cut it, once when you burn it. At the wood bank it warms you one more time, when you give it away. A gift of firewood from the wood bank, which typically is 1.5 cords of wood cut to fireplace length and split, can be a significant help for some of our neighbors in need. About 100 households in this area received this gift in the past year.

Neeley retired, leaving room for speculation and anxiety about the fate of the wood bank. The good news is that the wood bank is still here, and reorganizing to continue to accept contributions of firewood, and to gather, process, and deliver firewood to households in need, to the extent that the wood and our volunteer resources permit. The Episcopal churches in Sheridan and Virginia City will continue to serve the needs of the Ruby Valley and Madison County area, while Saint James Episcopal Church in Dillon will maintain the Beaverhead area wood bank operation.

Saint James Episcopal Church is working with a new organization called the Beaverhead Community Wood Bank Ministry Inc. (BCWBM), with the goal of having the BCWBM eventually operate the wood bank as an independent charitable organization, similar to the Community Food Pantry. A board of directors has been formed, and the BCWBM has applied for Federal tax-exempt status, but until this is completed, the church will retain responsibility.

A core group of volunteer wood chucks and wood chicks is carrying on with the wood bank's mission, to provide firewood for households of low income, elderly, and disabled people in our area. A variety of skills are needed, from administrative work to the power tools like chainsaws and hydraulic wood splitters. Safety training and equipment are required. WOOD you like to be a part of this? To find out more, contact the Beaverhead Community

Wood Bank Ministry president, Rick Hartz, or The Reverend Sue Eades at Saint James Episcopal Church (see contact info below).

Without Harry Neeley, the wood bank can no longer be a full-time, call-when-needed operation. For now, wood deliveries may be made on Tuesdays and Thursdays, weather and road conditions permitting. If they are able, clients are encouraged to arrange an appointment to pick up wood at the wood bank yard with help from a wood bank volunteer.

Applicants may qualify to receive wood by completing an application similar to the Beaverhead Community Food Pantry and submitting it the wood bank, c/o Saint James Episcopal Church (address below). The wood bank cell phone number is still 406-596-3690. The telephone may be answered by a wood bank volunteer, or it will be set to receive messages, which may be forwarded through the Women's Resource Center. For more information, contact Saint James Episcopal Church, The Reverend Sue Eades, Rector, 203 East Glendale Street, P.O. Box 1273, Dillon, MT 59725, tel. 406-683-2735, email: stjamesdillon@live.com, or the Beaverhead Community Wood Bank Ministry Inc., Rick Hartz, president, at 406-683-3768.

Beaver Head Hunters

The Annual meeting of the Beaver Head Hunters Genealogical Society will be Tuesday, January 19, at 7:00 pm in the Museum Research room. Because this is our Annual meeting, we will be voting for officers for the year. At this time, dues will also be collected for 2016. Dues are \$11.00 for an Individual membership, or \$16.00 for a Family membership of two members. We will have year-end committee reports. After all the business, we will open our 2015 genealogy resolutions and see how well we did and then write new resolutions for this year. As always, the public is invited to attend.

Dillon Beaver license plates

The Beaver Booster Club would like to remind everyone that the new Dillon Beaver license plates are now available at the County Treasurer's office. This plate benefits the Beaver Booster Club. The goal of the booster club is to help support all Beaverhead County High School organizations, clubs and athletics.

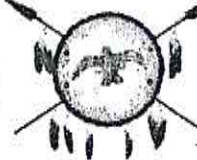

A portion of all license plates sold and renewed will come back to the Beaver Booster Club. Get your Blue and Gold on and support the Beavs!

January 11, 2016

Over the course of the last several weeks there has been a lot of questions and comments in regards to parking trailers/recreational vehicles on the City streets in Dillon. We, The City of Dillon, have decided to reach out to the owners of these vehicle and request that if possible they remove the trailers/recreational vehicles from the City streets.

We would also like to ask that if the trailers/recreational vehicles need to be parked on the City streets that you keep them in front of your property and be mindful of your neighbors. Large trailers/recreational vehicles can block their view making it extremely difficult to enter the street from their driveway.

Those of you that live on corner lots also need to be mindful that there are State Statutes that provide for a proper amount of distance from the crosswalk or traffic control device to provide for an adequate sight distance of on-coming traffic. Any questions or comments, just contact either of us and we will try to help. Thanks.

Michael L. Klakken, Mayor

Letter to the Editor

I am writing this letter to show my support for the Beaverhead Chamber of Commerce and Agriculture. Over the past year, I've had the opportunity to serve at the Chamber's President, and I'm happy to report that Jamie Paeth has succeeded me as our 2016 Chamber President.

In a world where civic organizations and service clubs are dwindling, the Beaverhead Chamber couldn't be more import to the vitality of our community. I can testify that there is a tremendous load of work that the Chamber performs on behalf of all of us that is totally behind the scenes. If it weren't for the Chamber in our community, where would visitors find information or who would step up to manage the Dillon Convention and Visitors' Bureau? With so many of us strapped for time and already serving on four of five Boards, the answer really leaves me guessing. The end conclusion is that the Beaverhead Chamber is a vital component to the robust future that is ours to build in Beaverhead County.

I wanted to write this letter to show my unwavering support for the Beaverhead Chamber Board of Directors and its new leadership. As the Chamber gets up and running and executing its 2016 plan of work, it's bound to look and feel a little different. That's the beauty of term limits, new energy and ideas. I can't wait to see what this Board has in store for our area.

I hope you'll consider joining the Chamber for 2016, if you haven't already. And if you have the time, energy and ideas, consider applying to join the Chamber's Board of Directors. You will find a team of high energy and collaborative people just waiting to welcome you on board.

Thanks for making Beaverhead County one of the best places to live and work. I can't wait to start seeing our future come to life. It's going to be great.

Mitch Staley

Past President, Beaverhead Chamber of Commerce
