Gunder "Curly" Anderson

Choteau —Gunder "Curly" Anderson, 82, of Choteau, passed away at home on Wednesday, January 13, 2016 after a brief battle with cancer

Curly was born on July 25th 1933, in Great Falls Montana to Grant and Allie Anderson. He grew up on the family farm outside of Cascade where he attended all 12 years of school. After graduation he spent a short time at Bozeman attending college and in 1952 joined the Navy. He served a tour of duty in Korea and then came back and finished his time in the Navy in San Diego.

In the fall of 1952, he married Patricia Dunning and after he was discharged in March of 1956 they returned to Cascade to farm and ranch and raise their four daughters. Pat and Curly were divorced in 1969 and he then married Carol Coryell. They had one daughter together and Carol's children from a previous marriage also came to live at the ranch. Carol and Curly sold the ranch and moved to Augusta, Montana where they owned a grocery store and Curly did carpenter work. During the early 80's they moved to Dillon Montana and shortly after their move they separated and were later divorced. Curly moved back to Augusta and in 1988 married his third wife, Lynn. They returned to Dillon and then relocated to Billings for Lynn's work.

During those years they owned a store and rental houses in Dillon and Curly got a job working at the Big Hole Battlefield giving tours of the battlefield and campfire talks. He moved to Choteau after his marriage to Lynn ended in 2006.

Curly loved working in his shop, golfing, studying history, playing his saxophone and being in the hills. He guided for many years in the Bob Marshall when he was younger and later enjoyed hiking in Glacier and camping in the sheep herder wagon he built. He was an avid fan of the Choteau High School volleyball and basketball teams.

He is survived by sister Joy Davis; his children Robin (John) Tooke, Melody (Ernie) Berg, Dawn (Richard) Farist, Crystal (Scott) Grady, Shonie Anderson; and Carol's daughter Nanette (Rick) Cummings.

Curly was preceded in death by his parents.

Curly requested that he did not have a funeral so instead there will be a gathering for friends and family to celebrate his life at 2p.m. on Sunday, January 24, 2016 at the Buckhorn Bar in Augusta. Memorials are suggested to the History Museum in Augusta and the Choteau High School Volley Ball team.

Condolences for the family may be left at www.SchniderFuneralHome.com.

UMW FAFSA Night

If you're attending college this fall, it's time to complete your Free Application for Federal Student Aid. Student loans, grants and work study all depend on a completed FAFSA. Parents, listen up - you can file for free and you donâ€™t have to complete your income tax return before you fill out the FAFSA. Monday, Feb. 1st from 6 to 8 pm, Beaverhead County High School is holding a FAFSA night in the library lab where you can get personalized help completing the Free Application. Montana Western is hosting a FAFSA night for students and the entire community February 10th from 5:30 to 7:30 in the computer labs in the Swysgood Technology Center. All are welcome.

"ON THE ROCKS" SERIES PRESENTS RAFTING IN THE GRAND CANYON

Local historian and University of Montana Western alumni Steve Morehouse will present a program recounting his experiences rafting through the Grand Canyon.

The presentation, the first in the 2016 "On the Rocks" series, is scheduled Monday, Jan. 25 at 3:45 p.m. in Montana Western's Block Hall, room 311.

Morehouse will present "Rafting in the Grand Canyon," a lecture based on his experiences from 30 years of whitewater rowing and 10 trips down the Colorado River through the Grand Canyon.

Retiring from the U. S. Bureau of Reclamation in 2007, Morehouse spent 36 years as a park ranger. He started his career with the National Park Service at Lassen Volcanic National Park in northern California as a ski ranger and backcountry ranger. He transferred to Dillon in 1980 to be on the Lewis and Clark Trail.

He holds a Bachelor of Science in natural heritage and Bachelor of Arts in health science from Montana Western.

Morehouse will also explain how to apply for and obtain a river permit, as well as how to plan a trip and knowing what to expect while rafting the 226 miles of river through the Grand Canyon.

"On the Rocks" is a lecture series presented by the environmental sciences department and the Montana Western Foundation.

MONTANA WESTERN STUDENTS REFLECT ON GREECE TRIP

Montana Western students recently spoke of their experiences and presented a slideshow about their trip to Greece.

"The value of participating in an international trip like this is that students encounter a society and culture that views life differently than Americans, which exposes them to new ideas and experiences," education professor John Xanthopoulos said.

Xanthopoulos, originally from Greece, organized and led the trip.

Montana Western students traveled throughout Greece from Sept. 22 to Oct. 4, making stops in Athens, Olympia, Sparta, Corinth and the Island of Rhodes.

During the trip students ate authentic Greek cuisine at every meal, danced to traditional Greek music and took in 4,000 years of art, architecture and history.

"Traveling to Greece was a great opportunity for me and was only possible because of the flexibility of Montana Western's Experience One Program (X1)," elementary education major Brandon Piazzola said. "Meeting people with very little by American standards, but who are enjoying life to the fullest, altered my outlook about happiness and gratitude."

Montana Department of Justice Announces National Missing Children's Day Poster Contest January 13 Marks National AMBER Alert Awareness Day

The Montana Department of Justice and the Office of Public Instruction are working together to give Montana students the opportunity to participate in state and national poster contests which focus on the theme: "Bring Our Missing Children Home."

"It's only fitting that we're calling attention to missing children today, which is nationally recognized as AMBER Alert Awareness Day," said Attorney General Tim Fox. "Since 2003, the Montana Department of Justice has issued 27 AMBER alerts. All 41 children involved were located; tragically, three of them were deceased. By involving students in this contest, we hope to make Montana children and their families more aware of the need for communication about the importance of personal safety."

Jennifer Viets, Montana's Missing Persons Clearinghouse Manager, said, "Every year, we're delighted to see the creativity and compassion that participating Montana fifth-graders show through the posters they submit. It's always difficult to choose the winning entry to represent our state at the national contest level." The national poster contest winner, along with his/her parents and teacher, will be awarded a trip to Washington, D.C. to participate in the National Missing Children's Day ceremony in May 2016.

Posters must be original, handcrafted artwork; 8 ½ x 14 inches in size, with the words "Bring Our Missing Children Home" appearing on the poster. Posters with digitally produced images, collages, cut-outs and stamping will not be accepted. Poster artwork will be judged on originality, creativity, use of color and materials, and reflection of contest theme.

A written poster contest student application form must be submitted along with each poster and the application will be judged on the level of understanding of the subject, clarity, and grammar appropriate for the fifth grade. The poster contest student application form is available on the Montana Department of Justice Missing Persons website at http://doj.mt.gov/missing-persons.

The student winning the state contest will attend an award ceremony this spring with Attorney General Tim Fox in Helena and receive a $100 cash prize. The winning Montana poster will

then be submitted to the national contest.

Montana has been participating in the annual national "Bring Our Missing Children Home" poster contest since 2009. The 2015 state contest winner was Aila Austin from Jefferson Elementary School in Helena. To view her winning poster, go to the Montana Department of Justice Missing Persons website at http://doj.mt.gov/missing-persons. This website also allows the public to view a list of the persons currently missing in Montana and to get more information on Montana's AMBER Alert and Missing Persons programs. The Montana Missing Persons Clearinghouse and the Montana AMBER Alert Program are programs operated by the Division of Criminal Investigation at the Montana Department of Justice.

To compete in the state contest, the poster and student application form must be received by March 16, 2016. Posters are to be sent to:

Montana Department of Justice
Missing Persons Clearinghouse
2225 11th Avenue
PO Box 201406
Helena, MT 59620

A copy of the application form can be found at: http://doj.mt.gov/missing-persons.

The United States Department of Justice has designated January 13 of each year as AMBER Alert Awareness Day. The AMBER Alert program is a child abduction recovery plan that began in the Dallas/Fort Worth area in 1996 after nine-year-old Amber Haggerman was abducted and murdered. In July 2002, a special session of Montana's Legislature directed the Department of Justice to implement a similar program here. Through a voluntary partnership between the Montana Broadcasters Association, the Montana Department of Justice, the Montana Department of Transportation, the Montana Lottery, the Montana National Weather Service, and local law enforcement, Montana's statewide AMBER Alert program was developed and stands ready to activate.

Fox Asks Bureau of Land Management to Drop Proposed Land Withdrawal

Montana Attorney General Tim Fox is asking the federal Bureau of Land Management (BLM) to cancel its proposal to withdraw nearly one million acres of public land from potential mineral exploration and mining. Most of the land BLM proposes to withdraw is located in Phillips and Valley counties.

"From a legal perspective, the proposal is problematic for a number of reasons," Fox said. "Ongoing litigation suggests BLM lacks the authority to make this withdrawal. But beyond the question of authority, the proposal is pointless since, by BLM's own admission, only 4% of the land to be withdrawn has strong potential for mineral development. It flies in the face of reason to take such a broad action that's scientifically unsupported and that needlessly adds to the voluminous federal regulations burdening Montanans."

In his letter, Fox also points out that current federal and state regulations surrounding mineral development are sufficient to protect sage grouse habitat and address other environmental concerns.

PURSES WITH A PURPOSE AND HORS D'OEUVRE CONTEST

Soroptimist of Dillon and the Dillon Elks will be holding Purses with a Purpose and Wine Tasting on January 23 from 7:00 - 9:00 pm at the Dillon Elks Lodge.

It is a semiformal night on the town and the tickets are $15 per person or $25 a couple.

The Hors d'oeuvre Contest has a $10 entry fee and prizes will be awarded to the winners. The Wine Tasting is by Thompson Distributing and Summit Beverage.

Tickets available at Womack's Printing, the Dillon Elks or by calling Letha 660-0294.
