Happy Birthday, Roz...

Two Billion Plus Seconds and Counting...By Chuck Dishno
Wow, 2,838,240,000 seconds. That breaks down to 90 years and today is my wonderful wife, Roz's 90th birthday. Please join me in wishing Roz a Happy Birthday as she starts her 91st year.

Many of you know Roz but for you who don't, here is a little about this remarkable lady...

Roz was born Rosalind Chong on January 25, 1926 in Fresno, California and is an American born Chinese. She is a 100 per center. Roz's Chinese name is Yuk Moi which means Jade Rose. Her father came from China and her Chinese mother was born in the U.S. Her father was a Chinese Herb Doctor and also owned several Chinese restaurants in Fresno. He believed that the greatest legacy you can leave your children is an education and this is proven by the fact that all of his eight children reached professional status in a wide variety of professions.

Roz attended Fresno State University then transferred to Drake University in Des Moines, Iowa where she received a B.S. degree in pharmacy.

After pharmacy school Roz married David Wilson and stayed home raising two children, David and Roberta, before taking a job as a med-tech that she held for 30 years. Roz loves Dillon and she and I moved here 27 years ago.

Roberta, (Dillon's newest resident) and I encourage you to call Roz or write something in the next Dillonite.

God Bless you Rosalind and thank you for entering my life almost 50 years ago - Chuck

Dillon Tree Board Receives Seventh Program Development Grant

The City of Dillon and the Dillon Tree Board recently received \$5,000 in grant funding from a federal award of the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. The City matches the grant funding at 100% to accomplish project work.

The 2016 grant will fund several urban forestry projects in Dillon. These projects include pruning/removing trees on city boulevards, hiring of a seasonal to water and maintain young trees on city properties, and assisting homeowners in planting trees on boulevards through a cost-share program.

The first project involves the pruning of over 40 trees and the removal of five trees located on city-owned boulevards on South Dakota, East Orr, East Morse, and East Dillon Streets. The City is responsible for the maintenance of these trees. The results of a tree inventory completed in

2010 identified trees in need of pruning and those that have a high likelihood of failure under storm conditions. A certified arborist will complete the work; all woody material will be removed from the sites, and the City will grind the stumps after removal. Property owners adjacent to the project locations will be contacted before the work begins.

The second project involves hiring a seasonal worker to maintain and water the young trees that have been planted on city properties throughout Dillon. This position will be responsible for watering young trees twice a week, removing grass competition, and maintaining mulch around the trees during the hot summer months.

Lastly, the grant will assist private homeowners in planting trees in city boulevards. Through a cost-share system, the program will defray some of the costs of planting new trees along the boulevards. Homeowners can purchase a tree for \$75, with the Tree Board covering the remaining portion of the purchase price. This cost-share program provides the incentive for private homeowners to participate in enhancing the City's beauty by adding to the boulevard plantings and providing a tree canopy for future generations.

Since 2008, the Dillon Tree Board has secured over \$75,000 in funding to enhance Dillon's urban forest. The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

For additional information, contact City Hall at 406-683-4245 or call the DNRC office at 406-683-6305. Information can also be found on the Dillon Tree Board website at www.dillontrees.org. Like us on Facebook at <https://www.facebook.com/profile.php?id=100009384711419>

Last week girls' basketball B teams traveled to Butte Central for the first games of the season. Both 7th and 8th grade teams lost, but they played very hard. Great job ladies.

Girls' basketball travels to Anaconda today, Monday January 25th. The bus leaves at 2:15. The 7th grade teams will play at the Lincoln gym starting at 4:00 pm. The 8th grade teams will play at the Fred Moodry gym also starting at 4:00 pm. Then on Tuesday, January 26th, the teams will travel to Butte East. Wrestling begins Monday, February 1st. Wrestlers, you need to sign up with Mr. Moreni, and make sure you have your permission slips, physicals, and concussion packets turned in in order to participate.

Congratulations to the school winners of the geography bee. First place went to Hunter Bockting. Daniel Martin achieved 2nd place. Third place was split by Jade Morast and Anson Wright. Congratulations students. Hunter Bockting will be taking a written test in order to move on to the state geography bee. Eighth grade students listen up. February 10th at the BCHS auditorium at 7:00 pm, you will be registering for high school. Please mark this very important date on your calendar. You don't want to miss it. Please call the BCHS or DMS offices if you have questions.

Congratulations to the following team for winning the volleyball tournament over lunch: the "Queen of the Court" team consisting of Kylee Pittman, Tylia DeJohn, Josey Jones, Paeden Hammer, Hannah Afoa, and Ashlyn Sandall, was victorious over the team of Preston Hales, Cole Johnston, Pete Gibson, Jace Fitzgerald, and Matthew Knight. Great job students, and thank you, Mr. Williams, for such a fun lunchtime tournament.

It's that time of year for spellers to unite and battle it out at the DMS schoolwide spelling bee. After the first round, which was open to all

Attorney General Fox Signs on as Supporter of Proposed CDC Opioid Prescribing Guidelines

Attorney General Tim Fox has announced his support for proposed national guidelines that aim to help medical providers in their treatment of patients presenting with chronic pain, while reducing prescription drug addiction. The Centers for Disease Control and Prevention's 2016 Draft Guideline for Prescribing Opioids for Chronic Pain is a document that outlines 12 recommended things medical providers do or consider in three different areas of potential opioid use. These areas are:

1. Determining when to initiate or continue opioids for chronic pain;
2. Opioid selection, dosage, duration, follow-up, and discontinuation; and
3. Assessing risk and addressing harms of opioid use.

Attorney General Fox and 35 other state Attorneys General urged the CDC to adopt the proposed prescribing guidelines in a letter of support for the guidelines sent from the National Association of Attorneys General (NAAG) January 13.

"The recommendations set forth in the CDC Guideline offer evidence-based, practical actions medical providers should take while interacting with their chronic pain patients in order to provide a standard of care that focuses on patient safety, improvement of quality of life, and prevention of opioid use disorder, or addiction, first and foremost," Attorney General Tim Fox said. "Other themes that run throughout the recommendations include doctor and patient co-responsibility, an understanding of achievable results, and the utilization of nonpharmacologic and nonopioid pharmacologic therapies as appropriate."

The guidelines also address the need for an individualized approach to treatment for each patient, while utilizing a standard of best practices to minimize the patient's risk of developing prescription drug addiction. That is why the letter from NAAG emphasizes the importance of viewing the 12 recommendations as guidelines, and not absolutes to be followed exactly in every treatment situation. The letter can be found here: <https://dojmt.gov/wp-content/uploads/CDC-Guidelines-for-Prescribing-Opiates-Letter-Final.pdf>.

The NAAG letter was submitted to the CDC as part of the public comment about the proposed guidelines. The public comment period is now closed; the CDC will review all comments before deciding whether or not to finalize the proposed Guidelines. No timeline has been announced on the finalization process.
