A CELEBRATION OF ART AND THE ENVIRONMENT

The Wild & Scenic Film Festival comes to Dillon

Join The Southwest Montana Arts Council and Beaverhead Trails Coalition when they host the Wild and Scenic Film Festival On Tour at the STC Great Room on the UMW campus on Friday and Saturday, February 12 and 13. Each evening will feature a different set of films about wild & scenic places around the world.

The Wild & Scenic Film Festival is a collection of films from the annual festival held the third week of January in Nevada City, Calif., which is now in its 14th year. Wild & Scenic focuses on films that speak to the environmental concerns and celebrations of our planet. "Films featured at Wild & Scenic give people a sense of place," says Tour Associate Director, Amelia Workman.

Featured at the tour event in Dillon are several films that combine art and the environment. The Southwest Montana Arts Council believes in sharing a wide variety of arts with its community and is excited to present its first foray into the medium of film. Along with co-sponsor Beaverhead Trails Coalition, the Wild & Scenic Film Festival will feature family friendly films for the first half of Friday night. There will also be two films each night that feature Montana communities. Free child care will be provided for both evenings by the UMW Education Club. Several local outdoor organizations will have information tables and there will be many raffle items and door prizes, including items from sponsors Patagonia, Klean Kanteen, Clif Bar and Barefoot Wine & Bubbly.

Beaverhead County Animal Shelter

If you visit the Beaverhead County Animal Shelter Facebook page, you will notice that there is a new "winter" masthead at the top. In the far left corner of the picture, you will see the roofline of the new addition to the surgery room. We are looking for base units and cabinets that can be used in this area. We are NOT fussy and they all do not have to match. We need (1) one 7 ft section of base and (2) one 4 ft section of base, 36" high and 24" deep. For the upper cabinets, we need (1) one 3 ft cabinet, (2) one 4 ft cabinet, and (3) one cabinet 12 inches. These can be either 12" or 18" deep. We will also need countertops to go over the base units. If you have something close to these dimensions, our talented handyman, Ed, should be able to do any modifications. Please call the Shelter office at 406-683-8119 if you have any pieces you are willing to donate. Thanks !

Life's Too Serious

by: Joe Barnhart

"I was there when ..." We old people say that a lot. I was there when Sweet Tarts hit the candy aisle. I was there when the Beatles appeared on the Ed Sullivan Show. I was there when us guys yanked Larry Bowman's VW bug from the high school parking lot and planted it between two aspen trees by the front entrance. So, obviously, I've been around.

I was also there in 1971 for the first multi-bladed razor; the Gillette Trac II. I was shaving roughly 120 hairs at the time. The cool thing about this razor was that it used a mysterious scientific principle known as hysteresis. Simply put, the first blade, having been dulled by skilled workers on the front factory steps, tugged the hair out and then the second blade, finely honed by imported Norwegians, sliced the hair clean off. Gillette even showed animated footage of this happening which, in-and-of itself, proved it was a shaving miracle.

Why stop there?! If two blades were good, then more would be fantastic. And this ultimately has caused a real dilemma. Take your new fangled six blade razor; here's what happens. The first blade (dull, of course) pulls out the hair similar to a hairy-chested weight lifter playing tug-a-war with the Federal Deficit. We're talking tons of force straining one innocent hair. The second blade, now honed to sharpness in China, cuts the dang thing off. The third blade, realizing the hair is gone, feels like a guy whose prom date left with his best friend. The fourth blade, prematurely gray from stress, has filed for unemployment. Blades five, six, and so on serve no worldly purpose. Much like, in the continental U.S., celery in your sack lunch.

Oh, you could dull all blades until the very last one but then the process would be akin to shaving with needle nose pliers. And, quite frankly, regardless of marketing gimmicks, only masochistic cheerleaders would buy the torturous things.

Actually, the razor companies found out long ago that the more blades, the bigger the profit margin. Go figure! I'm sticking with my single blade, safety razor. My blades are made in Russia and dull from the start. But who cares? I have only 160 gray hairs to shave because most have migrated to my ears.

"Y" NEWS AND UPDATES

Programs

Stop by the "Y" TODAY and get your family signed up for our fall group exercise programs and aquatic activities. Crank It Up (T,TH,F - 6:00am), Biker Blast (M,W, - 6:00am), Gentle Yoga (T,TH - 7:30am), Enhanced Fitness (M,T,TH, - 9:00am), Body Blaze (M,W, - 5:30pm), For More Biker Blast and Yoga, (call for details).

After School Series Adventures

The After School Series provides participants with in-depth programming while allowing parents more flexibility. Children will engage in healthy activities, crafts, sports, music, and much more. Children ride bus #9 to the "Y", have a snack, and then take part in the activities offered for that week. You may sign up for a week or a month, it's up to you. Camp ends at 5:30 each day and is offered the entire school year. Register for an entire month and save. Call the "Y" for more details!

Next in the After School Series, (Feb. 1st-5th), "No Sew Projects". Children will engage in fun and creative projects that resemble sewing projects, but without the needles and thread.

Swim Lessons

Session #2 starts February 1st at 5:15pm, get your children signed up now for this and other future swim lessons.

School's Out Day

School will not be in session on the 18th of January, so the "Y" will be offering an all day camp for kids in grades K-5. Children will play games, swim, do projects and have a great time.

Enhanced Fitness

The YMCA is now offering a proven community-based program. The program is nationally recognized by the Centers for Disease Control and Prevention and US Department of Health and Human Services. Class is geared toward older adults, and those with a chronic condition, such as arthritis. Join us today and get moving!

Strong Family Campaign

The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Our 2015 campaign goal is \$113,000. Thanks for your continued support of the YMCA!

The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible in-kind donation.
