Benefit for Deb O'Neil this Sunday

Long-time Dillon resident Deb O'Neil, a beloved 3rd Grade Teacher had surgery in November 2015 to remove a benign tumor from her brainstem. Unforeseen complications have not stopped her persistence to recover.

Deb remained in the ICU at the Swedish Medical Center in Seattle, WA for several weeks before being transferred to Kindred Hospital, and then to a facility in Kalispell, MT where she is currently receiving extensive therapy to begin using her arms and legs again.

Hundreds of local volunteers are working to raise funds for Deb's recovery expenses. Nearly 700 "The Greatest of These is Love" t-shirts were sold this month.

A Benefit Dinner + Auction will take place Sunday, February 14 at the National Guard Armory. Everyone is encouraged to wear their Deb t-shirts or anything red.

Pass your Stash!!!!
The No ! Ladies Quilt Shop is going to hold another Pass your Stash fabric sale this year!! Last years was a huge success. What is Pass your Stash??? Well it is a fund raiser for the Beaverhead County Animal Shelter. We are asking for fabric donations that you might have at home. Fabric that is just sitting in the corner not being used or that you might not want. We also are accepting crafting and sewing supplies (yarn, thread, batting, buttons, etc.) Please only stuff that you would be willing to spend money on or think that someone else would want to spend money on. We will collect donations at the quilt shop and then will hold the fabric sale on April 23, Saturday. All proceeds will go to the Beaverhead County Animal Shelter. If you have any questions at all just call the quilt store. 406-683-5884.

Celebrate the Beauty of Winter

Looking for a fun family activity to enjoy in our local winter wonderland? Join the Beaverhead-Deerlodge National Forest on Saturday, February 20 to celebrate "Winter Trails Day." At Elkhorn Hot springs north of Polaris.

Forest Service employees and volunteers will lead ski and snowshoe tours in the Elkhorn area departing from the Elkhorn cabin at 10 a.m., 1 p.m. and 3 p.m. While waiting for your tour to begin or afterwards you can enjoy a cup of cocoa and warm up at the Elkhorn cabin. While in the area you can also enjoy a soak at the Elkhorn Hot Springs.

Interested? Bring your cross country skis or snowshoes (there are limited number of children's snowshoes available for borrowing), warm winter clothes and boots and your enthusiasm for enjoying the winter wonderland.

For more information contact Matt Walter at (406) 683-3958, mwalter@fs.fed.us, or Jesse Salix at (406) 683-3947, jsalix@fs.fed.us.

The article in Mondays Montana Standard regarding the economic woes of the Forest Service caused me to reflect on what I have been hearing from friends, past and present employees of the Beaverhead/Deerlodge National Forest, regarding Forest Service economic decisions. Decisions which have seriously affected management "on the ground".

Most concerning was the renegotiation of the lease contract for the Supervisors Office in Dillon. This contract was renegotiated from an annual cost of approximately \$300,000 to the annual cost of close to a million dollars. This contract was signed for a twenty year period. This is in addition to maintaining a second Supervisors Office in Butte which is in the midst of a contract renegotiation. These costs of maintaining Supervisors Offices have factored in for closures and consolidations of Ranger District Offices in Whitehall, Sheridan, Deerlodge and Wise River. The Office in Wise River is "owned" by the Forest Service and is proposed to be sold. What sense does this make, to take property owned by the forest service and sell it to offset exorbitant lease costs.

The resource and the public deserve better. The Forest Service was created to manage the resource. This should be the priority.

CITY COUNCIL CHAMBERS

Thursday, February 11, 2016 at 4:00 pm

U.S. Supreme Court Halts Implementation of EPA's Carbon Regulations

Montana Attorney General Tim Fox released the following statement after the U.S. Supreme Court issued a stay that halts implementation of the EPA's new carbon regulations pending outcome of the litigation:

"The U.S. Supreme Court's decision to halt implementation of the EPA's carbon regulations is a clear victory for Montana and the 27 other states that are challenging those regulations in court. Today's ruling will prevent Montana families, energy workers, businesses, and public agencies from bearing the burden of regulations that we believe will be overturned ultimately."
