Judiciary Committee Meeting
Jan. 10, 2016

By: MJ

WOW what a meeting. *On the horizon are new fees in the form of a business license and penalties for noncompliance and much more.* Present were Dan Nye, Chair, members Tom Straugh and Bill Shafer.

City Attorney Dolan and Chief Craft researched and presented to the committee an outline with concerns that the council expressed about "special events and business license fees". Issues discussed were; creating a registry of businesses in Dillon, permitting fees for special events, new business license fees/noncompliance penalties/where the accrued monies collected would be spent, open container regulations, how candy and other items will be passed out during a parade... The handout was not given to the committee nor the mayor prior to the meeting. The handout was an in-depth detailed report that made changes to ordinances and addressed a new business license with penalties. **Question**: Would it make for better decisions by the committee if the information was given to those involved prior to the meeting? *The decisions being made does effect several thousand people.*

Most of the meeting involved taking the existing documents and adding, deleting or changing language that may or may not take away freedoms from the people. There was very few if any real facts presented at the meeting on why some of the changes are being made and no discussion on existing laws that might be already in place covering the issues being debated. *I heard no discussion on if the changes would be a negative or positive impact on the community as a whole. There is always (2) two sides to every coin and in order to make the best decision for all involved both sides should be considered.* It appears the side of the coin that involves the betterment of the local economy is rarely discuss at the local government level. **Question**: Could the insurance companies telling local governments what they will or will not cover? Again there were connotations/ overtones of personal and emotional suggestions.

The committee spoke of the costs of business licenses being large enough to cover the costs that city would incur to create and keep the registry. There was no discussion on how this registry would benefit the city other than the collection of money. Why are the businesses being singled out? If you rent that space above your garage you will be required to have a license.

This is only the beginning of a process. The committee presents their decisions to the City Council for the final decision.

In Defense of Gianforte

Gubernatorial candidate Greg Gianforte's campaign stops in Dillon and Butte were advertised as "Town Hall Meetings," a simple invitation to meet the candidate in a face-to-face dialogue.

As one who attended the meeting in Dillon, I can honestly report, Mr. Gianforte was open-minded and respectful of my political comments, even though they were diametrically contrary to his economic, environmental, and religious beliefs.

As reported in the Montana Standard (2/16), the Butte open meeting was met by protesters in the streets. This is truly a head scratcher. Why are you outside the Hall when you've been invited inside? Why miss an opportunity to voice your opinions in an open forum? This was not a typical Republican, esoteric, political get together. It was "Butte America" democracy on full display – an open Town Hall meeting.

There will be plenty of opportunities to protest in the street with handheld placards. I know, because I've been doing it for the past 20 years.

You blew it, Butte. You had the chance for mano a mano or hembra a mano.

Letter to the Editor

To The Residents of Beaverhead County:

My name is Heidi Gleason and I am a candidate for the Barrett Hospital Board of Trustees. I have dedicated my career to serving patients as a licensed Occupational Therapist and am committed to providing great patient care, so this is an opportunity to use my unique skills and experience in a new way. Beaverhead County and the people of our community mean so much to me and my family. I welcome the opportunity to give of my time and energy and to represent you on the Board of Trustees.

For three-years I worked at Barrett Hospital and had the honor of treating patients and helping them in their recovery following surgery, injury or illness. I have developed relationships with my fellow healthcare providers and physicians. In 2014 I decided to stay home with our children and no longer work at the hospital.

Most of my career was at St. Vincent's in Billings, where I managed a team of 19 Physical Therapists, Occupational Therapists, Speech Therapists, Recreational Therapists and support staff. I treated patients who had experienced spinal cord injuries, traumatic head injuries and strokes. This was a challenging and rewarding experience that allowed me to work every day and practice the "put patients first" model.

My other volunteer endeavors include establishing Dillon as a site for Bountiful Baskets in 2012. I am also a board member of the Montana Occupational Therapist's Association.

Our community has always been very supportive of Barrett Hospital, and we are blessed with a team of exceptional doctors and caring staff. I am proud to be among the many people in our community who supported the Hospital Foundation's Capital Campaign. Barrett Hospital has a rich history and so many people have done so much. It truly is a "community hospital."

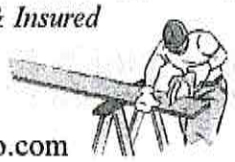

My experience treating patients, managing a department at a hospital and work at Barrett Hospital will provide a new and unique perspective to the Board of Trustees. I welcome the opportunity to serve our community and would appreciate your vote when you receive your ballot on April 15th.

Heidi Gleason

THANK YOU

Thanks to all of you who have supported the Animal Shelter Thrift Shop since it opened last spring. We have volunteers who keep the Shop open for several hours each day, Tuesday through Saturday. We are now able to offer you another service. Yvonne Lenegar has volunteered to be a "designated driver" ... she will come to your house and pick up items to be donated. You can reach her at 406-925-2488. Now would be a good time to remind you that the Shop accepts new and slightly used household items, but no clothing. Some furniture items will be considered, but space in the Shop is limited. Make note of Yvonne's telephone number and give her a call when you have finished your spring house cleaning.

Let us do the work!
