Bill Murphy

Heavens forests will be safer as they gained another fire crew member, when Bill Murphy took his final jump surrounded by family and friends on February 23rd. 2016 in Dillon MT.

Bill was born November 5th 1935 in Missoula, Montana to James and Dorothy Murphy, He graduated from Hellgate High School and the University of Montana.

He met Stephanie(Stevie) Flink in 1961 at Big Mountain and they married in 1963 and he began his career with the USFS. Their goal was to return to Montana but circled it with stops in Oregon, Washington where they welcomed daughter Maria in 1967. Next was South Dakota while Bill was house hunting Pat decided that Butte, MT was a great place to make his arrival in 1969. Last two stops were Utah then Idaho, where they both retired. Achieving their goal they moved to Dillon, MT in 2007 to be near the grandkids, but more importantly closer to the Griz games, until Stevie lost her life in 2011.

Later Bill started a new chapter as he met Karen Steinbach and a wonderful partnership began. They enjoyed traveling, supporting the grandchildren, and cheering the grizzlies on to victory.

Bill is preceded by his parents, wife Stevie and is survived by his partner Karen Steinbach, brother

On Tuesday, February 16, 2016 the City of Dillon Street crew removed several stop signs on four intersections which surround the MaryInnes school (i.e. Washington/Pacific/Sebree/Reeder streets). This was completed after a informal traffic study indicating that traffic flow recommends the removal of the stop signs on Reeder and Sebree between Atlantic Street and Idaho Street. Please everyone remember that when you stop on either Washington or Pacific streets at these intersections to continue with caution before proceeding. Also, if you are traveling on either Reeder Street or Sebree Street at these intersections, please proceed with caution remembering that the person at the stop sign might have forgotten that you are not required to stop thus possibly leading to a collision. The City of Dillon thanks everyone and remember to drive responsibly and safely watching out for the other person.

Michael L. Klakken, Mayor

FAVORITE REGAN JOKES

Submitted by Chuck Dishno

This being Ronald Regan's birth month (February 6th) I am submitting one of my favorite Regan jokes but after reading it again, it may have more truth to it than I realized.

The story is that this Republican was campaigning out in a Democrat rural area and the farmer and farmer's wife he found had never seen or heard a Republican. So they wanted to hear his speech.

He looked for a podium and all he could find was a pile of the stuff Bess Truman kept trying to persuade Harry to call "fertilizer." He stood on that. After the speech, they were remarking on how that was the first time they heard a Republican speech. The candidate said, "That's OK, this is the first time I've ever given a speech from a Democratic Platform."

MONTANA FISH, WILDLIFE & PARKS

Updated Permit Application Packets Now Available

March 15 is the deadline to apply for Montana's 2016 deer and elk hunting permits. An updated and easy-to-use 10-page application packet is available online at fwp.mt.gov. Paper applications are also available from most license providers and Montana Fish, Wildlife & Parks offices.

All deer and elk regulations became final at February's Fish and Wildlife Commission meeting. Many quotas in the first edition of the Permit Application Packet were listed as pending commission approval. Those quotas have been adopted. Hard copies of the Permit Application Packets are available at FWP offices.

New to this year's March 15 application packet will be antlerless elk permits in select hunting districts in FWP regions 2 and 3. These permits will allow a general elk license holder the opportunity of harvesting an antlerless elk. While this is not a permit for a second animal, it expands a permit holder's opportunity with a general season elk license. Holders of the antlerless permits are reminded they cannot, in most instances, use their general license for an antlered elk in the same district in which the permit is valid. Antlerless elk permit holders can also still apply for an elk B license by the deadline June 1.

Applicants will need a deer or elk license in order to apply for a special permit. Like the bull elk and buck deer permits, the application deadline for antlerless elk permits is also March 15. Nonresidents who wish to apply for big game combination, elk combination or deer combination licenses and deer and elk permits for the 2016 fall Montana hunting season can also apply online or download an application from FWP's website.

To request an application by mail, write to: Licensing Section; Montana FWP; P.O. Box 200701, Helena, MT; 59620-0701; or call: 406-444-2950. The application deadline is March 15. Successful applicants will receive their permits in mid-April.

May 2 is the deadline to apply for moose, bighorn sheep, bison and mountain goat licenses available through a drawing. Applications must be in by June 1 for antlerless deer B, elk B, antelope and antelope B licenses.

Beaverhead Animal Shelter will hold its Annual Spaghetti Dinner on Saturday, April 30, at the Elk's Lodge in downtown Dillon. We are changing the format a bit this year. We will begin with a LIVE auction from 3:00 PM to 5:00 PM, then the Spaghetti Supper will be served beginning at 5:00 PM, and the SILENT auction will be open from 5:00 PM to 7:00 PM.
