Connie Jean McEachern

July 22, 1955-March 3 2016

Families, like buildings all have a unique structure. They are anchored to the earth with foundations of steel and concrete. These materials are the strongest we have to offer because we want the building to stand tall and survive the elements throughout the ages.

Thursday, March 3rd 2016 the McEachern family lost part of their foundation. Connie Jean McEachern passed away at St. Peter's Hospital and is now at peace and pain free. Her lengthy battle with cancer finally overcame her at the age of 60.

Cancer may have taken her from us but her lifetime work as Wife, Mother, Grandmother, Sister, Daughter, and Friend has built a foundation that will withstand the test of time within the McEachern/Sutton families. To know Connie is to know truth, honor, hard work, and respect. Connie's organization skills were second to none, balancing family, the home, and a full time job. It is of no doubt that she was able to handle this tremendous load due to the determination, (and stubbornness) that has passed down from her surviving mother, Ruth Sutton.

Together, hand in hand, with her Husband Bob McEachern they formed a family filled with Love, Compassion, Loyalty, and Strength. The unique qualities Connie and Bob instilled in their children lives with vigor inside her six Grandchildren. Connie (known as Mema) and Bob (known as Papa) enjoyed nothing more than spending time with their grandkids, friends, and family. One of Connie's favorite things to do was to be with her Husband and best friend of 41 years, out in the mountains surrounding their home in Clancy. Her adventurous soul took her to many places, among her favorites were trips to Colorado, picnics "up in the hills," time spent at park lake and even the occasional rafting trips. She was known to drive snowmobiles, 4 wheelers, razors, or go cross country skiing and snowshoeing. She was always willing to try anything, without complaining. Connie wasn't going to be left behind. And on top of just "being there" Mema would have food, drinks, blankets, and bug spray for everyone when they needed something. This knack for preparedness and organization was a true attribute.

Connie graduated from Jefferson high school in 1973 and began her work career at The First National Bank in Helena. After having her son Kurt, she opened a home daycare in Clancy so she could be with her children while helping Bob provide for the family. Connie kept the daycare until her daughter Karmen entered elementary school, after which she took her career as the Unit Coordinator for the Education

Department at Carroll College, a position she kept for 30 years. She loved her daily interactions with the college students and her camaraderie with her co-workers.

Connie is survived by her Husband Bob McEachern (Clancy), Mother Ruth Sutton (Dillon), Mother-in-Law Wilma McEachern (Clancy), Her two brothers Dan (Linda) Sutton (Helena), Russ (Rayann) Sutton (Dillon), Brother-in-Law John McEachern (Jefferson City), Sister-in-Law Debbie (Tim) Mahlum (Clancy), Sister-in-Law Connie Griffin (Helena), Son Kurt (Tiana) McEachern (Jefferson City), Daughter Karmen McEachern (Pagosa Springs, CO), Grandchildren Luke, Joey, Kolter, Rain, Bradley, Logan, and many nieces and nephews.

Connie has lived a life most of us only dream of, the outpouring of love and respect given by friends and family is testament to the life she has lived. The foundation has been shook, but the building remains and Connie's hard work has withstood. Mema (Connie) will continue to keep watch to ensure the building stands stronger than ever. Her gentle soul and heart of gold will shine through all of us.

The family suggests memorials in Connie's name to be sent to Carroll College Education Department 1601 N Benton Ave. Helena, MT 59601.

A Celebration of Connie's Life is scheduled for Wednesday March 9th at 11:00 am at Anderson Stevenson Wilke Funeral Home. 3750 N. Montana Ave. Helena, MT.

The family would like to thank the Cancer Treatment Center at St. Peter's Hospital, the nurses on the Oncology Floor, and her amazing friends for the wonderful care Connie received. Please visit www.aswfuneralhome.com to offer the family a condolence or to share a memory of Connie.

Council Mar.2, 2016

By: MJ

Mayor was not in attendance. President of the Council Straugh chaired the meeting.

The stop signs have been a topic of discussion with the public and city council. The stop signs by the Mary Innes School coming from downtown area on the streets joining Atlantic St. have been removed by the city. At the council meeting President Straugh expressed his concern that the city had not noticed the public prior to removal of the signs. Police Chief Craft stated that the stop signs are dictated by traffic and not school zone. He went onto say that they did an unofficial traffic study and determined the signs were no longer needed. Mr. Miller, Mayor's Assistant, stated he felt they made a mistake and prior to the removal of the signs could have notified the public. From now on they would give a 15 day notice of sign change to the public. Councilman Hand asked if 2-way stop signs could be put up.

Johnson Property: Straugh, president of council reported that the Water and Sewer Committee had voted to sell the property located on Montana Street. The council voted and passed the resolution to annex property into city. Councilman McIssac alerted the council that the Resolution had made no reference to zoning designation as is required in the zoning document. The city will request zoning designation and modify the Resolution.

Director of Operations Report: Mr. Todd Hazelbaker gratefully thanked the council for his appointment to the Director of Operations position. He thanked Mr. Miller for all his support and guidance. Mr. Miller reported there has been a boat load of new things coming through the door and Todd has been working hard getting up to speed.
1) The new city bus was back running -- 2) City is scheduled to start street maintenance around March 21st -- 3) Charter will be running cable along Swenson Drive.

DJ&A: Tasks orders will be coming forth at the next council meeting.

City Attorney Dolan's report: Working on; criminal cases, distribution of funds collected from business licenses, requests from zoning committee and special use permits.

City Treasure's Report: Mr. Straus reported he continues to work on getting a lower interest rate on the police retirement fund. He answered several question from the council about the INTERCAP Fund

with State of Mt. as well as working with another brokerage firm.

Audit Firm: The council voted to keep AMATICS CPA Group as the city auditors. Mr. Straus explained that the city had a good working relationship with the firm and felt it was good to keep them for another year.

Health and Welfare Committee: Councilman Hodge reported they are working on a community service ordinance. They have sent out a survey to businesses that use or might want to use community services. This will give the committee information and direction for how they will proceed.

Bio-waste Removal: A contract was accepted by the council submitted by Rowe Excavation Inc. to remove the bio-waste from ponds that were used in the vacated facility and no longer used. Total of the quote was \$27,500.00. Other quotes were submitted by Cornell Fertilizer and R.E. Miller & Sons.

CONTROLLED BURN TURNED UN-CONTROLLED

The high winds came up Saturday and turned a controlled burn 15 miles northwest of Dillon into a wildfire by noon. The Dillon Rural Fire Department and the Sheriff's Department responded and had the fire out by 6:00 pm.

DILLON BEAVERS WIN STATE TITLE

The Dillon Beavers on their third attempt at a state title ran with their three point shooters and beat Billings Central 66-61. The town is very proud of their teams and supports them well with many, many Dillon fans in the crowd along with the cheerleaders and a large student section.

The team high points came from senior Nate Simkins with 28 in his last game as a Beaver. He was 7 for 11 shooting the 3 pointers. Other points came from Tanner Haverfield with 18, Troy Andersen with 8, Nick Huber 5 with 8 rebounds, Payton Lafrentz put up 2, and Carson Hritsco added 5 to round out the scoring in the night cap game.

FISHERMEN IN BOAT CAUGHT ON ICE

Fishermen from Idaho in an aluminum boat on Clark Canyon Saturday had high winds and strong currents blow them into ice after their outboard motor stalled. They called for help. The motor was caught in ice but a rescue crew in a boat pulled them back to shore.
