Notices to Public

By: MJ

Getting information and feedback from the **majority** of the public is a challenge. The city has supplied "Tablets" to each council member to use during their term. They can send/receive emails and go to the city web site on the internet for minutes, resolutions, ordinances, financials, maps... **Example:** Instead of making written copies of the meeting packets the packets are uploaded on city internet site then the council can access via the "Tablet." Hard copies are always available if you don't use a tablet.

Question: Would it be possible for the council members to get email addresses of the people in their wards? If they had this information loaded onto their tablets would it then be possible to send out notices and receive feedback from the public? I receive emails from state and federal representatives regularly and am able to respond quickly. Even if I don't respond I am always glad to get the information from my representative.

Example: There was an issue over the stop signs that were removed around the Mary Innes School. Many people were glad they were taken down and there were some people who wanted them left up. There was a discussion at the council about the city being slipshod in not letting the people know they were removing signs. This would have been a perfect place for the council members to send an email out informing the citizens of their ward.

If you would like your council representatives to keep you informed use the following email addresses to contact them.

Dillon Tree Board Offers Cost Share Program to Plant Trees

Time to spring into sprucing up your boulevard! If you have a location in need of a tree, the Dillon Tree Board can help.

The Tree Board cost-share program provides the incentive for private homeowners to participate in enhancing the beauty of Dillon's urban forest by planting trees in the boulevards in front of private property. Boulevards are the narrow planting strips between the sidewalk and the street; boulevard maintenance is a shared responsibility between the adjacent homeowner and the City.

This program will defray some of the costs of planting new trees. Homeowners can purchase a tree for \$75, with the Tree Board covering the remaining portion of the purchase price. The trees will be planted by Tree Board members and volunteers in May and/or June. The program is first-come, first-served and limited to funds available.

Several species of trees are available for purchase. The Tree Board can assist you in choosing the right tree and the proper planting site. A Tree Board representative will inspect your boulevard location and provide professional advice on tree installation. Final tree planting sites are determined by available right-of-way width, corner proximity and locations of utilities. Homeowners sign an agreement, stating they will provide adequate water to the new tree for the next three growing seasons.

To participate, complete a cost-share form and return it to the Dillon City Hall. Forms are available for download at the Dillon Tree Board website www.dillontrees.org or pick one up at City Hall.

The funding for the project is derived in full or in part from a federal award of the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. The City matches the grant funding at 100% to accomplish project work.

Since 2008, the Dillon Tree Board has secured over \$75,000 in funding to enhance Dillon's urban forest. The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

For additional information, contact City Hall or call the DNRC office at 406-683-6305. Additional information can be found on the Dillon Tree Board website at www.dillontrees.org.

"Cares Enough to Wear Pink"

You may have heard of us. We've been around Dillon working behind the scene for about 4 years now. We are a fundraising organization (yes we are a 501(c)(3) corp) with a difference. ALL - yes 100% of the funds we raise stay local to the community it was raised in. We have chosen to give cash cards to cancer patients in need, no applications to fill out, just ask for one.

We have to ask for some help at this time. Our PINK Fire Truck - her name is Sharon Grace (because we are sharing on the grace we have been given) is at the shop being made mechanically sound and painted PINK!!! This is a little more costly than we had planned for so we are asking the community to help us become PINK to support all cancer patients!

When Sharon Grace comes home she will be available as a rolling display for any fundraising activity where the funds raised stay local. You might see her at a football game, a basketball game or a medical benefit. You might also see her stopping by someone's home or work place to give them a little pick me up! All survivors are invited to sign her in recognition of the fight they have won. Caregivers and family members may sign in memory of their loved ones.

The real heroes, celebrities and angels are the thousands of names that have been written on the pink fire trucks. We carry their pain and suffering due to cancer, we share their tears of sorrow and joy, either from a loss or a kick ass victory over this disease. This is not just about women, there are men on the trucks who've suffered cancer, there are little boys and girls, like Molly and Chance who are battling brain cancer. This is not just about survivors, it's about Love and Hope and that even though people have lost their lives due to cancer we allow their memory to live on and their story of sacrifice to be shared. PINK Heals!

There is a bank account at Bank of Commerce dedicated to the needs of the firetruck only. Please feel free to deposit directly with the Bank of Commerce or contact Joan Grogan, Treasurer at 925-1871 or Russ Schwandt, Chairman at 498-1753. There are several other committee members also.

March 13, from 3-5 pm.

"BARRETT HOSPITAL IMPLEMENTS VISITOR RESTRICTIONS DURING FLU SEASON"

Due to a high level of concern for the health of our patients and staff, Barrett Hospital & HealthCare is limiting visitor access during the peak of flu season. Restrictions will remain in effect until the end of the influenza season, which is usually in May. If you have not received a flu shot please, please consider getting one. It's not too late.

Visitor Guidelines:

*No visitors under the age of 16 are allowed in the hospital unless they are a patient or parent of a patient (exceptions need to be cleared with the charge nurse).

*Any visitors with fever, cough, or diarrhea should stay home.

*Anyone coming into the hospital with flu or cold symptoms will be required to wear a mask.

*Visitors and patients should cover their cough (cough or sneeze into your sleeve).

*Visitors will be required to wear personal protective equipment such as gowns, gloves, and a mask if visiting a patient in isolation.

Hand Hygiene:

*Visitors and patients should wash their hands frequently with soap and water or use hand sanitizer.

*Hand sanitizer is the preferred method unless otherwise indicated.

*Hand hygiene should be done before and after patient contact.

If you have questions or would like further information, please contact Sheryl Woods, RN, Infection Preventionist, at (406) 683-3008.

CORRECTION - BEAVERHEAD SENIOR CITIZENS ASSOCIATION

Is proud to announce that their chef, Joan Pilgrim has passed the mandatory MT State Board course for Food Safety and Preparation. This is an intense course which took many hours of studying and preparing. Not only did Joan pass this rigid course, but she was one of the top three with the highest score. *Joan is a Home Grown Cook* for the Congregate Meals prepared for the senior's every Wednesday. These meals are prepared and served at the Senior Citizens building located at 126 S. Montana Street, Dillon every Wednesday from 11:30 a.m. to 12:30 p.m. The meals that are home cooked, not out of a box, with low sodium and she tries to prepare the basics 4. If you have not come to the Congregate Meals Program you should come try it. Thanks Joan for all you do for the senior's and Congratulations goes out to her.

Also, 2016 Senior Citizens membership dues are due. They are \$2.00 you can send them to P.O. Box 1142, Dillon, MT 59725 or you can give them to Chuck Worth, President-Deb Pierce, V-President or Joan Pilgrim board member.

Election for new Board Members is coming up soon. The nomination list is on the door at the Senior Hall. The Board meets every second Wednesday of the month at 10:00 a.m. This month it will be held on the 9th.

We also have some great news to share. An application was submitted to Great Harvest for a Bake Day. The Beaverhead Senior Citizens was awarded one of the Bake Day's. They are trying to raise money for a new roof on their building. They have met almost half their goal themselves, but are excited with the Bake Day that will help them to get closer in meeting their goal. March 23rd, 24th and 25th is their month for the Bake Day so please come down to Great Harvest and purchase some of their awesome wholesome bread and treats to help the senior's get a new roof for their building.

Joan is a Home Grown Cook, not chef as reported to us yesterday.
