REGISTRATION OPEN FOR DILLON AREA SPRING 2016 HUNTER EDUCATION

The Dillon area spring Hunter Education course will be held at the Dillon Middle School on April 19, 20, 25, 27, and 29, from 6 p.m. to 9 p.m. The field day will be held on Saturday, April 30 from 9 a.m. to noon at the Dillon Rifle and Pistol Club Range. Class enrollment will be capped at 35 students.

Students must register online at fwp.mt.gov. Hunter Education courses are found under the "Education" tab. A parental Acknowledgment of Risk Form and a Student Code of Conduct must be downloaded, completed and handed in on April 19.

Students will not be admitted to class if these forms are not completed and handed in at the first class.

Student must be at least 10 years old to enroll. Adult, on-line students seeking a field day must make other arrangements by contacting one of the instructors listed below.

Students are required to read the first three chapters and answer the quiz questions of the Montana Hunter Education Manual prior to April 19. The manual can be obtained from the Dillon Middle School Office or Montana Fish, Wildlife & Parks office (730 N. Montana St., Dillon). Students will not be admitted to the class if the assignment is not completed.

Parents are welcome to attend the classes and field day. For parents attending the field day they are reminded that they must furnish their own eye and ear protection. This is a normal safety precaution for the shooting range and must be complied with.

We hope this course will be successful for all students and they enjoy a safe and rich hunting experience this fall. An additional Hunter Education course will be offered in August.

For further information on Hunter Education please call Dr. Don Darling at (406) 683-5088, Kerry Wahl at (406) 490-0956 or Craig Fager at (406) 683-9305.

DONKEY BASKETBALL
The Dillon Sorooptimist is hosting a Donkey Basketball game on March 29th at 7:00 pm. The game will be in the high school gym.

Tickets are available in advance now at Dillon Dental clinic, Stockman Bank, Frontline Ag, Womack's Printing, 3 D, The Mini, YMCA and Murdochs. Tickets will be available at the door for a little additional cost, so it pays to pick up tickets this week and save yourself a little money.

There is much talk about the teams and who can win this year. The young bucks from the BCHS rodeo team are quite sure of themselves, however, there is something to say about age and wisdom from some of the older (slightly) teams such as the Jaycees who think they have more ball handling experience. The mystery team from Lima has kept it close to the cuff on who will be making the trip as to not give away their strengths. Come cheer on your favorite team.

Distinguished Service Award & Outstanding Young Man

The Dillon Jaycees are seeking nominations from all clubs, organizations, or other interested parties for the 2016 Distinguished Service Award and Outstanding Young Man. Men that are nominated should have good character, leadership abilities, and a willingness to work and be very active in the community, church, and/or civic activities.

Nominations for Outstanding Young Man must be between the ages of 18 and 40 and nominations for the Distinguished Service Award are 41 and up. Nominees will be judged by a panel of judges from throughout the community of Dillon.

The awards presentation will be held Friday, April 15th at the Elks Lodge. Please submit a detailed letter of nomination to the Dillon Jaycees, PO BOX 335, Dillon, MT 59725. **Nominations must be received by April 1st.** For more information contact Matt Allen at 406-925-9834.

DMS NEWS

Here's the Dillon Middle School news for the week of March 21st through 25th, 2016.

The lunch menu for the week is as follows: On Monday, we will enjoy beef ravioli with French bread. On Tuesday pizza will be served with a cheesy pinwheel and sauce, and on Wednesday, we will have a chicken patty on a school made bun. Thursday, we will enjoy corn dogs and mac & cheese. There is no lunch served on Friday, because we will be releasing at 1:30 on Thursday...after lunch... to enjoy a few days of Spring break. That's right, there will be no school on Friday, March 25th nor Monday, March 28th. School will resume Tuesday, March 29th.

Today and tomorrow, Monday, March 21st and March 22nd, our science fair winners will be traveling to compete at the state science fair accompanied by Mr. Schoonen and Mr. Zitzer. Good luck to each participant.

This Thursday, March 24th, is the end of the third quarter. Report cards will go home Friday, April 1st. Parents, call the DMS office if you have any questions.

In our pennies for patients' campaign this week, we have some fun activities. Tuesday, March 22nd, 7th graders will smash out Leukemia by paying \$1 to play dodge ball during 8th period. Then on Wednesday, the 8th graders will have the opportunity to participate in the cake walk. On Thursday, our early release day, students will have the chance to participate in "Smuck for a Buck." Every day, until Thursday, students can pay a dollar to purchase a chance to throw a pie in a teachers' face. Teachers participating are: Mrs. Miller, Mr. Zier, Mr. Zitzer, Mr. Jory, Mr. Schoonen, Mr. Lemieux, and Mr. Williams. So, students, take the opportunity to help wipe out cancer, and have fun in the process.

The DMS Academic Olympics Teams competed in Bozeman Tuesday, March 15. Forty-six teams competed in this event, and all three Dillon teams ended up in the top eight positions. Several times two Dillon teams had to compete against each other to move up in the bracket. Two students, Sam Jones and Daniel Martin, even came away with top honors.

The "C" team which included: Kassidy Applegate, Tess Davis, Cooper Hoffman, Claire Ostler, Luke Sherwood, and Anson Wright, came in 8th. In fourth place was the "B" team consisting of: Evey

Hansen, Garrett Wahl, Lucy Wright, Toby Simonsen, Maddy Shipman, and Hunter Bocking. Finishing in third after competing against the "B" team, was Daniel Martin, Esmae Weaver, Chaidh Lochridge, Malcolm Petersen, and Sam Jones. Dillon should be very proud of the way all these students represented Dillon Middle School and our community. Congratulations to you all. And thank you, Mrs. Waldorf for all of your hard work with our students.

Last week, the DMS students were treated to a speech and drama assembly. Some of the top Speech and Drama students from BCHS came and performed their pieces for the middle school students. Thank you to the following BCHS students: Ray Shipman, Finley Andrew, Heidi Martin, Maggie McGee, Mariah Mosher, Cassie Wharton, Hailey Hansen, Abbie Thomas, and Rhianon Murdoch-Kalsta.

Track and field starts Tuesday, March 29th after school for 7th and 8th graders. Students must have their permission slips, physicals, and signed concussion packets into the office before they can participate. Thursday, March 31st, at 5:00 pm, in the DMS gym, there will be a mandatory parent meeting for all track participants and their parents. Please do not miss this important meeting.

Finally, DMS 8th grade students, the high school has informed us that some of you have not yet registered for classes for your freshman year. You not only need to register online, you must bring your registration paper that was in your orientation packet to the BCHS office. Please complete this registration quickly.

Have a great day. The choice is yours!!!

PUBLIC INPUT SOUGHT ON PROPOSAL TO RESTORE WESTSLOPE CUTTHROAT TROUT TO NORTH FORK SPANISH CREEK

Montana Fish, Wildlife and Parks and the Custer Gallatin National Forest are seeking public comment on a proposed project to restore native westslope cutthroat trout (WCT) to the headwaters of the North Fork Spanish Creek drainage in the northern Spanish Peaks.

The project would restore WCT to 17 miles of high quality stream habitat in four interconnected tributaries as well as restoring the fish to two headwater high mountain lakes.

The North Fork is a tributary to Spanish Creek which joins the Gallatin River southwest of Bozeman.

Crews would need to construct a fish barrier prior to removing the existing, non-native fish. Once those are removed, FWP will introduce genetically pure WCT from nearby populations within the upper Missouri River Basin.

WCT were historically the only trout species occupying the Gallatin River drainage. However, the introduction of non-native fish and subsequent hybridization and competition has relegated pure WCT populations to a few, small headwater populations. Only five populations of pure WCT still exist in the Gallatin River drainage and those populations are at great risk for extinction.

For more information and to read the entire scoping notice, go to FWP's website, fwp.mt.gov, and click on "News" and then "Recent Public Notices".

Interested parties can comment online or mail written comments to Montana Fish, Wildlife & Parks, c/o North Fork Spanish Creek Restoration Comments, 1400 S. 19th Ave, Bozeman, MT 59718, or e-mail them to Dave Moser (davemoser@mt.gov). Comments must be received by March 31, 2016.

Stained Glass for Beginners - using the copper foiling techniques ('Tiffany Style')

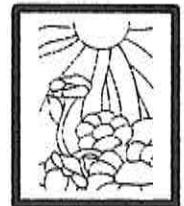

Course tuition: \$360, includes the following:

1. Professionally guided hands-on instruction.
2. Stained glass toolbox of quality tools and materials (worth \$325).
3. Use of workspace facilities during class.

This class is a hands-on immersion course using proven techniques, tips and tricks to make a piece of fine quality stained glass art. The course goals are to create participant confidence to work independently, to explore making advanced stained glass art and to build a piece of stained glass art. This class will use the American Method of construction with reference to the English Style of construction.

Participants will learn how to:

1. Recognize stained glass basic design elements, styles and high quality.
2. Design a stained glass pattern.
3. Critique glass for character, color and visual quality appropriate for the design.
4. Cut glass using a variety of techniques ensuring clean breakage and safety.
5. Assemble cut glass to neatly and snugly fit the design.
6. Foiling glass to ensure secure clean lines.
7. Make well rounded, smooth 60/40 solder draws and joints.
8. Neutralizing chemicals, apply patina and polish.

Course overview of the following basic topics:

1. Designing - Making a good design, assessing glass and learning how to 'listen to the glass'.
2. Cutting glass - Cutting techniques, safety, design fitting & assembly.
3. Foiling - Applying foil to the glass, burnishing, re-grinding and snug fitting to design.
4. Soldering - Soldering iron safety, making a draw and pulling smooth bead.
5. Finishing - Chemistry of clean-up, self-assessments and 'repairs'
6. Independent work time ... with supervision.

Class Limit: 5 individuals, no less than 3 individuals

When: 2 day weekend workshop. Weekend date will depend upon when class participants can convene.
(Other group scheduling will be considered.)

Age limit: 18 years and older
