MONTANA WESTERN SELECTS IDAHO STATE DEAN AS NEW PROVOST

Deborah Hedeon, currently dean of the college of education at Idaho State University, has been named provost and vice chancellor for academic affairs at the University of Montana Western, Chancellor Beth Weatherby announced today.

"In selecting a new provost my top priority was to choose an academic leader who will vigorously support the work of our Montana Western community as we build on our tradition of excellence and the extraordinary success of Experience One," Weatherby said.

Experience One is Montana Western's innovative scheduling system where students take a single class at a time and experience their education through hands-on, real-world learning.

"Dr. Hedeon is a proven, effective academic leader with keen interpersonal skills," Weatherby said. "She is an enthusiastic supporter of Montana Western's approach to experiential learning and is guided by a deep passion for student success. I look forward to introducing her to our campus and community."

"There is something very special happening at the University of Montana Western," Hedeon said. "The administration, faculty and staff have been instrumental in creating and establishing a teaching, learning and working environment that promotes and supports excellence and innovation."

"I am honored and excited to be joining Chancellor Weatherby in taking the university and Experience One to the next level."

For the past 10 years, Hedeon has served as dean of the college of education at Idaho State where she oversees 43 full-time faculty on four campuses and approximately 900 undergraduate students and 250 graduate students.

As dean she took the college of education from a \$364,000 debt to balanced budgets within four years. Under her leadership the college of education was restructured in alignment with the school's mission and strategic plan.

Before serving as dean, Hedeon was associate dean of the college of education and assistant dean of teacher education at Idaho State.

She earned a doctorate of philosophy in special education from Syracuse University; a Master of Education from Lesley University in Cambridge, Mass.; and holds a Bachelor of Science in special education and Spanish from St. Cloud State University in St. Cloud, Minn.

She will succeed Interim Provost Sylvia Moore who has served in the position since July 2015. Moore chaired the provost search committee.

Hedeon was one of over 100 applicants in the nationwide search. The final three visited campus and met with students, faculty and staff during March 2016.

Her appointment will be submitted to the Montana Board of Regents for final approval.

Hedeon is expected to assume her new duties July 1, 2016.

Dillon Tree Board Offers Cost Share Program to Plant Trees

Time to spring into sprucing up your boulevard! If you have a location in need of a tree, the Dillon Tree Board can help.

The Tree Board cost-share program provides the incentive for private homeowners to participate in enhancing the beauty of Dillon's urban forest by planting trees in the boulevards in front of private property. Boulevards are the narrow planting strips between the sidewalk and the street; boulevard maintenance is a shared responsibility between the adjacent homeowner and the City.

This program will defray some of the costs of planting new trees. Homeowners can purchase a tree for \$75, with the Tree Board covering the remaining portion of the purchase price. The trees will be planted by Tree Board members and volunteers in May and/or June. The program is first-come, first-served and limited to funds available.

Several species of trees are available for purchase. The Tree Board can assist you in choosing the right tree and the proper planting site. A Tree Board representative will inspect your boulevard location and provide professional advice on tree installation. Final tree planting sites are determined by available right-of-way width, corner proximity and locations of utilities. Homeowners sign an agreement, stating they will provide adequate water to the new tree for the next three growing seasons.

To participate, complete a cost-share form and return it to the Dillon City Hall. Forms are available for download at the Dillon Tree Board website www.dillontrees.org or pick one up at City Hall.

The funding for the project is derived in full or in part from a federal award of the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. The City matches the grant funding at 100% to

Montana Law Enforcement Academy Graduates 58 New Officers

At a ceremony this morning, the Montana Law Enforcement Academy (MLEA) graduated 58 new officers who will serve 30 different agencies across the state. The Montana Law Enforcement Academy is operated by the Montana Department of Justice (DOJ), providing basic and advanced training for state, county, city and tribal law enforcement officers throughout the state.

Division of Criminal Investigation Administrator Bryan Lockerby addressed the graduates, stressing the importance of teamwork, humility, and character. Lockerby said, "We develop our ethics, our character, as we grow up. It's like the root system on a tree. The roots are your character and integrity, but what is above ground is your personality. Character, ethics, and the appropriate use of discretion will help you navigate through life, no matter what profession you choose."

Keifer Lewis of the Prairie County Sheriff's Office was elected by the class to speak on its behalf during the ceremony. Lewis said, "We all have received some outstanding training and knowledge here at the academy, but do not let the learning stop. Strive to become better, strive to become smarter, strive to become stronger. Good enough never is - always keep that in mind, and come home safe."

SMAC Spring Art Walk

Bulldog basketball signs Idaho Falls standout

Montana Western men's basketball coach Steve Keller is excited to announce the signing of Christian Deane to an NAIA Letter of Intent. Deane will join the Bulldog basketball program in the fall of 2016.

Deane, a 6-foot-5 forward from Idaho Falls, Idaho helped lead the Skyline High School Grizzlies to the semi-finals in the 5A District Playoffs this season. He averaged 15 points, eight rebounds and two steals per game his senior year.

A First-Team all-high country conference performer, Deane was selected to play in the District 6 all-star game where he won the slam dunk contest and the three-point shootout. All-state accolades have not been made public yet as coaches are still in the voting process.

"We are very excited Christian Deane has decided to play for our Bulldogs," stated Keller, "Christian attended our Bulldog basketball camp the past few years and we really like his style of play."

He continued, "Christian can really shoot the three and we think his best basketball is ahead of him. We look forward to watching his progress in the Frontier."

The son of Troy and Carol Deane, Christian carries a 3.75 GPA and is member of the National Honor Society. He will major in Business Administration at Montana Western.

Montana Western women's basketball coach Lindsay Woolley is excited to announce the signing of Paige Holmes to an NAIA Letter of Intent. Holmes will join the Bulldog basketball program in the fall of 2016.

A 5-7 guard for the Seeley-Swan High School Blackhawks, Holmes averaged 12.4 points, 7.7 rebounds and 7.5 assists per game as she received all-state and all-conference accolades for her performances her senior year.

A very successful high school career is easily recognized by the 92-12 record compiled by the teams that Holmes started on throughout her four-years on the basketball court. Her prep career wrapped up with a 27-4 finish that included a District Championship and a fourth place finish at the Class C state tournament, Holmes' first state appearance.

A four-time all-conference basketball player, Holmes earned all-state honors in her junior season as well.

A dynamic athlete, she was an all-state volleyball selection this past season and three-time all-conference performer, while competing in track and field she is a three-time all-conference and all-state competitor with her final season just getting under way.

On top of all the athletic awards and recognitions she has garnered, Holmes embraces being a student-athlete as she is a member of the National Honor Society, an academic all-state recipient and the valedictorian of her class. She carries a 4.0 GPA and will major in Biology at Montana Western.

"We're excited Paige chose to join the Bulldog family," stated Woolley, "she is an outstanding competitor who loves the game."

He continued, "We believe her best days are ahead of her and cannot wait to watch her develop throughout her career."

She is the daughter of Shawn and Michele Holmes, her father Shawn was also her basketball coach at Seeley-Swan High School.

Library's Nonfiction Reading Group to meet

The Dillon Public Library's Nonfiction Reading Group will meet on Tuesday, April 12, 2016 at 7:00 p.m. in the Library's basement programming room to discuss Irving Stone's book *Men to Match My Mountains* – the Opening of the Far West, 1840 - 1900. The reading group is open to the public, and copies of the book are available for checkout at the Library.

In *Men to Match My Mountains* Irving Stone, America's most acclaimed author of biographical and historical fiction, has turned his magnificent talent to telling America's most colorful and exciting story of the opening of the Far West. This book is a true historical masterpiece and an unforgettable pageant of giants – men like John Sutter, whose dream of paradise was shattered by the California Gold Rush; Brigham Young and the Mormons who tamed the desert with Bible texts; and the silver kings and the miners who developed Nevada's Comstock Lode and settled the Rockies. America called for greatness – and got it from the men whose stories are revealed in this book. There is nothing else in history to match the stories of these men who braved a wilderness to bring a new nation to the shores of the Pacific. (Google Books) Please join us for a stimulating conversation. Individuals do not have to belong to the reading group in order to attend any single discussion. You can attend the group even if you have not read the book, but we do try to keep the discussion focused on the contents of the book.

There are four additional titles lined up for the next monthly discussions (May - August) and copies of the items are available for checkout. Stop by the Library to find out more about the group and the titles scheduled for discussion. We invite everyone to consider joining this group. It is free and open to the public. See you at the Library!
